Note on Plan A / Plan B Giving

The following tables reflect total Cooperative Program (CP) and designated giving by your church for the first six months of 2023. Last year, the MBC Executive Board approved a CP Plan B that enabled Missouri Baptist churches to exclude one or more Southern Baptist entities from their CP giving. Plan A and Plan B totals are consolidated into a single CP column below. If your church participates in Plan B, you will receive a breakdown in the next quarterly statement from the MBC. Or, you may log into your SBC Workspace account at mo.sbcworkspace.com.

Church & Mission Giving Totals

*These totals reflect giving received and distributed through the Missouri Baptist Convention.
Designated amounts do not include MMO gifts received year-to-date.*

To locate your church in this report, find your region on the map on the last page of this insert, and then search for your city and church alphabetically. There are eight regions in Missouri: Central, East Central, Northeast, Northwest, South Central, Southeast, Southwest, and West Central.

HOW THE COOPERATIVE PROGRAM WORKS

When you give to your church, a portion goes to the Cooperative Program (CP), which advances the gospel in Missouri, across North America, and around the world.

Here's how CP works, in three easy steps:

You give to your local Missouri Baptist church.

Your church shares a portion through the Cooperative Program.

The combined CP giving of nearly 1,750 Missouri Baptist churches supports ministries across our state, throughout North America, and around the world.

CP enables every giver and every local church to make an impact for Christ.

Learn more about the Cooperative Program at mobaptist.org/cp.
