# CONSTITUTION OF THE MISSOURI BAPTIST CONVENTION

## ARTICLE I — Name

This body shall be called the "Missouri Baptist Convention" (hereafter Convention).

## ARTICLE II — Object

The object of the Convention shall be to extend the Kingdom of our Lord Jesus Christ, to provide a convenient means for cooperation of the churches in the work and an efficient agency for their enlistment in missions, education, and benevolence.

## ARTICLE III — Time and Place of Meeting

The Convention shall meet annually during October at such time and place as the Convention or, in case of emergency, the Executive Board may decide.

## ARTICLE IV — Membership

This Convention shall consist of messengers named by affiliated churches under the following conditions.

Section 1. Any Baptist church in sympathy with the objects of the Convention and desiring to cooperate with the Convention in her program of single alignment with the Southern Baptist Convention and any Baptist church meeting the qualifications stated in Section 2 shall be entitled to one messenger and one additional messenger for every one hundred members or fraction thereof above one hundred, provided that no church shall be entitled to have more than fifteen messengers.

Section 2. In accordance with the agreement in the year 1919, Missouri Baptists shall continue in fellowship with the multiple aligned churches who were affiliated with the Missouri Baptist Convention as of 1961.

Section 3. Should the seating of any messenger or messengers from any church applying for membership in the Convention be challenged, the matter shall be referred to a credentials committee appointed by the Convention president. The committee shall report to the Convention at the next session after appointment, and the Convention shall make the final decision about the challenged messenger or messengers.

## ARTICLE V — Relationship Between the Convention and Churches and Associations

Section 1. The relation between the Convention and the churches and associations shall be fraternal and cooperative. The Convention shall never exercise any authority over the churches or do anything that would in any way interfere with their complete autonomy and independence as New Testament churches to limit the exercise of their freedom.

Section 2. The Convention shall always have the right to sit in judgment upon the qualification of its own members and may at any time decline to seat as a messenger any person who may be considered by the Convention disqualified on personal grounds or by reason of the character or attitude of the church from which such messenger or messengers shall come.

## ARTICLE VI — Officers

Section 1. The officers of the Convention shall be president, first vice-president, second vice-president and recording secretary. These officers shall be chosen at each annual meeting. Officers shall serve from the close of the annual meeting of the Convention at which they were elected until the close of the next annual meeting of the Convention, except, however, that the recording secretary shall be responsible for the preparation of minutes of the annual meeting at which he functioned.

Section 2. No Convention officer shall succeed himself or herself, but shall be eligible for re-election to the same office after another person has occupied the office.

Section 3. Each officer shall be a member of a church affiliated with this Convention. No employee of an agency owned or controlled by this Convention or to which the Convention makes direct appropriations and no person receiving supplemental aid from the Convention shall be eligible to be an officer.

Section 4. Candidates for offices of this Convention shall be nominated from the floor, and officers shall be elected by ballots, cast by registered messengers at the annual meeting, provided, however, that a majority of votes cast is required for election to any office and provided further, that the vote may be taken viva voce if there is only one nominee for any office. If a run-off election is necessary, only the names of the two persons receiving the most votes on the first ballot shall appear on the second ballot.

#### **ARTICLE VII — Duties of Officers**

Section 1. Duties of the president shall include presiding over the meetings of the Convention, keeping order, taking the vote on all questions properly brought up, and performing all other duties usually performed by a presiding officer.

Section 2. In case of the inability of the president to serve, the order of succession shall be first vice-president, second vice-president, and recording secretary. The president may request the first or the second vice-president to preside at any session or part thereof of the annual meeting.

Section 3. Duties of the recording secretary shall include keeping correct minutes of all the proceedings of Convention meetings and preparing minutes for publication. Assisted by the Executive Board's administrative staff, the recording secretary shall arrange for such statistics and data necessary for faithfully and accurately reporting the Convention's work to be collected, digested, tabulated, and printed in the Convention's Annual as supplements to the Convention's minutes or printed in the Book of Reports available to messengers at each annual meeting. The recording secretary may appoint such assistants necessary to perform duties of the office at Convention meetings.

Section 4. Convention officers shall serve as ex officio members of the Executive Board with all rights of members. The president shall serve as an ex officio member without vote of all Convention committees, provided, however, that the president shall not serve on the Convention Nominating Committee.

#### **ARTICLE VIII — Executive Board**

Section 1. The corporate powers of the Convention shall be reposed in the Executive Board of the Convention. The Board shall be incorporated under the laws of the State of Missouri and shall be responsible for the faithful observance of all legal requirements. This Board shall have charge of the missionary, educational, and benevolent work of the Convention.

Section 2.a. The Executive Board shall be composed of Convention officers as at large members and two members from each of twelve areas of the state, as defined in the Bylaws, which has a resident membership of affiliated churches of at least 16,000, plus not fewer than one member from the State of Iowa while Iowa churches are affiliated with this Convention. For each additional 10,000 resident members or major fraction thereof above the basic 16,000, one additional board member will be chosen, up to, but not to exceed, a total of eight Board members from each area. Each church in the area shall be invited to present names of prospective Board members to the area representatives of the Convention Nominating Committee no later than July 10, in the manner specified in the Bylaws.

b. Board members shall be elected to three-year terms, approximately one third of the members from each area being elected each year. All terms shall expire as scheduled. An area member may serve only one three-year

term, but may be eligible for re-election after a year has transpired, provided, however, that one elected to a term expiring within one year shall be eligible for re-election to a full three-year term. Only one person from an affiliated church may serve at a given time on the Board.

c. The Board shall declare vacant any position from which a member has been absent for two consecutive regular meetings of the full Board without an acceptable reason formally submitted to the Board chairman.

d. If a vacancy on the Board occurs between annual meetings of the Convention, the chairman of the Board shall promptly notify the chairman of the Convention Nominating Committee, and the Nominating Committee shall, within sixty days, from the list for that area offered by the last committee, fill the position until the next annual meeting of the Convention.

e. No salaried employee of the Board or of any agency to which the Convention makes direct appropriations, and no wife or husband of such employee, shall be eligible for membership on the Board during the period of employment.

3.a. The Convention officers shall serve as officers of the Board without pay as follows: the president as chairman, the first vice president as first vice chairman, the second vice president as second vice chairman and the recording secretary as secretary. The Board shall adopt all regulations necessary for the conduct of its business; appoint such committees as it or the Convention may deem wise; and report annually to the Convention. The Board may from time to time report its work to Convention constituents in ways calculated to inform them.

b. The Board shall have full power and authority to act for the Convention between annual meetings of the Convention, in any and all matters pertaining to the Convention's business; but the Board shall not have power to reverse any action of the Convention, to do anything contrary to this Convention's Constitution, Bylaws, and Business and Financial Plan, or to violate accepted Baptist faith, polity, and practice.

c. The Board shall present to the Convention in its annual meeting a Co-operative Program allocations budget for the succeeding calendar year, including both Convention and Southern Baptist Convention objects, for the Convention's consideration and adoption. All undesignated contributions to this Convention shall be faithfully distributed among the objects included in the budget upon the basis of the percentage or amount fixed for each object, and distribution shall be made in accordance with the Convention's Business and Financial Plan.

d. The Board shall elect and determine the compensation of an executive director, who shall have general supervision of all work directed by the Board. The Board shall employ and determine the compensation of other persons necessary for directing the Board's work.

e. The Board shall, consistent with Article IX, have general oversight over all educational and benevolent agencies owned, operated, or maintained in whole or in part by the Convention. It shall keep itself fully informed as to the conditions and the needs of all agencies, approve arrangements for all campaigns for funds, and conduct a continual campaign for enlightenment as to the claims and the needs of these agencies.

f. The treasurer of the Board shall be the executive director, who shall receive, maintain custody over, and disburse all funds as directed by the Convention or the Board. The treasurer shall maintain proper financial records, which shall be properly audited. The Board shall provide for bonding the treasurer adequately to protect the Convention's and the Board's interests.

**NOTE:** Article VIII, Section 2a and 2b of the Constitution shall be implemented as existing terms of Board members expire with the goal of having the full force and effect of the Article being implemented by October, 1979.

## **ARTICLE IX — Agencies**

Section 1. This Convention shall own, operate, or contribute to such educational, benevolent, or other agencies approved by the Convention.

Section 2. All charters and charter changes shall be approved by the Convention upon recommendation by the Executive Board.

Section 3. The Convention shall elect or approve members of the governing board of each agency. Each board shall have full authority over the internal operation of the agency but shall be required to make a report of its operation and financial condition to the annual meeting of the Convention in accordance with the Business and Financial Plan.

Section 4. Before an agency can borrow money for which the Convention is responsible, it shall secure formal approval in writing of the Executive Board.

## **ARTICLE X — Committees**

Section 1. The Committee on Convention Committees consisting of seven persons shall be appointed by the president not fewer than ninety days prior to the annual meeting of the Convention. The names of committee members shall be published in the **Word and Way**. This committee shall nominate all standing committees of the Convention, except the Nominating Committee, according to provisions of Convention Bylaws.

Section 2. The Nominating Committee shall consist of twenty-four members, serving terms of three years each, eight of whom shall be nominated by the president in consultation with other Convention officers and elected by the Convention at each annual meeting. Two members — one an ordained minister and one a lay person — from each of the twelve geographical areas shall make up the committee. This committee shall nominate persons to serve on the Executive Board, on the governing board of each agency, and on each commission. The area representatives on the Nominating Committee shall be responsible for inviting nominations from the churches for the Executive Board. The committee shall be guided by such rules and procedures as the Convention may adopt from time to time.

Section 3. The Convention shall have such other committees as authorized by the Bylaws.

## **ARTICLE XI — Amendments**

This Constitution may be amended at any regular meeting by two thirds of the messengers voting, provided that the text of the proposed amendment shall have been presented to the previous annual meeting, and provided further, that Article V shall not be subject to any amendment that would violate the principle that it embodies.

## **BYLAWS OF THE MISSOURI BAPTIST CONVENTION**

### **I. Preparation for Annual Meeting**

1. The time, the place (city), and the site of a particular annual meeting shall be set by the Convention four years in advance, on recommendation of the Executive Board after due consideration of available facilities and other factors.

2. In the event that unforeseen circumstances make it impossible or impractical to hold an annual meeting as scheduled, the Executive Board and the Convention officers, after consultation with the Committee on Local Arrangements, shall have power to determine its time and place, provided that an official notice of any change, signed by the Convention president and the Executive Board chairman, shall be mailed to each cooperating church at least thirty days prior to the first day of the rescheduled annual meeting. The notice shall be promptly and prominently carried in the Convention's paper.

3. The Executive Board shall cause to be published in the Convention's paper at least thirty days prior to a regularly scheduled annual meeting the text of each of its recommendations, provided, however, that it may cause to be published in a Convention bulletin, not later than the day of the Executive Board's report, any recommendation necessitated by any emergency.

4. The Executive Board, assisted by its administrative personnel, shall make available to messengers at the time they register, at nominal cost, a copy of Book of Reports containing the annual report of each Convention board, commission, agency, standing or special committee, or division or department of work required to have its report in printed form prior to the Convention's opening session.

5. Supervision of exhibits and displays incident to the annual meeting shall be the responsibility of the Executive Board, assisted by the executive director and staff.

## **II. Enrollment of Messengers**

1. The recording secretary, assisted by the executive director and the Committee on Enrollment, shall arrange for enrolling messengers before and during the annual meeting. Each messenger shall present approved credentials before he is enrolled as a messenger. If a question about a messenger's credentials arises, it shall be referred to the Credentials Committee, appointed by the president, for study and report or recommendation to the Convention for action. All duly enrolled messengers shall constitute the Convention. Each messenger shall have all rights and privileges granted by the Convention Constitution, Bylaws, and parliamentary authority.

## **III. Conduct of Annual Meeting**

1. Each session shall be opened with a devotional exercise and a prayer.

2. The Committee on Order of Business shall present at the first session an agenda for the annual meeting. The agenda shall provide ample time for the promotion of the Convention's objects. The agenda shall also provide time for miscellaneous business introduced by messengers. The Committee on Order of Business shall set the time for special orders.

3. The presidential address shall be scheduled for the first session and the annual sermon for the second session.

4. The names of persons appointed to the Committee on Convention Committees and the Tellers Committee shall be announced at the first session. At the second session the Committee on Convention Committees shall nominate persons to serve on the Committee on Convention Preacher and on the Committee on Resolutions. These committees shall make recommendations at scheduled times during the annual meeting. On the final day the Committee on Convention Committees shall nominate persons to serve on committees that report at the next annual meeting: Committee on Continuing Review, Committee on Enrollment, Committee on Local Arrangements, Committee on Obituaries, Committee on Order of Business and Committee on Religious Literature and Publications. Messengers shall have liberty to nominate persons after the Committee on Convention Committees' nominations. If there are no nominations from the floor, the Convention shall act on the Committee's nominees by motion; there shall be a ballot on any contested position.

5. Any motion or resolution introduced as miscellaneous business shall be presented to the Convention in proper written form not later than the day before the final session. Each original motion presented as miscellaneous business shall be duplicated or visually projected as information to messengers before it can be debated. Each resolution shall be referred to the Committee on Resolutions for review and revision, and this committee shall make a report on each properly introduced resolution not later than the last day of the annual meeting. The text of a constitutional amendment proposed for action at the following annual meeting may be presented at any miscellaneous busi-

ness session. The Committee on Continuing Review may publicize a proposed amendment to Convention Bylaws or the Business and Financial Plan at least thirty days prior to the annual meeting and such amendment shall be printed in the first day bulletin of the Convention, but any amendment to these Bylaws or the Business and Financial Plan proposed by a messenger shall be introduced as miscellaneous business not later than the day preceding the final day of the annual meeting.

6. The Convention shall elect Executive Board members not later than the day preceding the final day of the annual meeting in order to facilitate the organization of the new Board.

7. ### CONVENTION ADJOURNS

8. W. T. Holland, pastor, First Church, Cape Girardeau, was presented to bring the welcome address. He commented that he had served as Convention president in 1964 and 1965, and to welcome the Convention to Cape Girardeau would be his last appearance from the platform of the Missouri Baptist Convention, since he would be leaving the pastorate at First Church after 16½ years to become Director and Professor of the Little Rock center of Boyce Bible School of Southern Seminary, his last Sunday to be November 2.

9. President Wamble appointed the Tellers Committee: James Short, Warrensburg (chairman), Clyde McCormick, Independence; Keith Barnhart, Columbia; Ralph L. Moyer, Piedmont; Mrs. Harold Evans, Kansas City; Larry W. Taylor, Jefferson City; J. C. Tedder, Tipton; James Johnston, Morse Mill; Paul Middgett, Appleton City; Dale Bruns, Springfield; John C. Burnham, St. Joseph; Lester B. Butler, Cape Girardeau; and Corydon Hudson, Laredo.

10. President Wamble introduced other officers of the Convention and asked them to bring a word of greeting: First Vice President, James Sells, Bolivar; Second Vice President, Bennie Campbell, Iberia; and Recording Secretary, Carl Swiney, Fulton.

11. Greetings from John Baker of the Northern Plains Baptist Convention and Dr. Baker James Cauthen of the Foreign Mission Board were read. Carl Tiller brought greetings from the Baptist World Alliance. He stated that the Southern Baptist Convention joins with 105 other Baptist conventions and unions around the world for fellowship and to do things which the conventions feel they can do better together than separately.

12. Dr. Porter Routh, Executive Secretary-Treasurer of the Executive Committee of the Southern Baptist Convention, was introduced to bring a report and greetings from the Executive Committee and Stewardship Commission. Dr. Routh presented paper weights made from granite taken out of the building in Memphis, Tennessee where the Cooperative Program was founded May 13, 1925, to Rheubin L. South, Alberta Gilpin, Jimmie Gresham, Bill Hargrove and Bob Terry in behalf of the Stewardship Commission. Dr. Routh stated that Rheubin South was an invaluable member of the Executive Committee of the Southern Baptist Convention for many years and that Bob Terry was one of the best trained and effective editors in Baptist life. In his message Dr. Routh commented it was his opinion that the spirit is much more important than the structure. He further stated that the Great Commission was not given to a mission board or convention, but it was given to our churches . . . we do not belong to the Convention, the Convention belongs to us and we use the agencies to utilize what Christ has commissioned us to do.

He closed by saying "That is what it is all about, reconciliation through Jesus Christ, and we have the responsibility, we have the opportunity, we have the challenge to share the good news of Jesus Christ in order that men might be reconciled to God and be reconciled to each other and come to know the peace that passeth understanding in Jesus Christ. This is what the Convention is all about; this is what the Cooperative Program is all about."

13. A student ensemble from First Church, Cape Girardeau, called "Proclamation," brought special music: "Didn't He Shine."

14. President Wamble asked Mrs. South to come to the platform to be introduced preceding a message by Executive Director Rheubin L. South. The theme of Dr. South's message was "A Witness In A World of Revolution," using II Corinthians 4:1-7 as the text. He asked if we have been as versatile, as powerful, as concerned, as spirit filled to tell the world about our God as the New Testament church. He observed that we have seen revolution about us in every realm—scientific, political, social, etc., then asked what we desire to do to give a witness in a world of revolution. He further stated "We know our commander, we know our orders, we know our mission, and that is all we need for a recipe for witnessing. Know where you are going, know your leader and know your objectives and God will be with you."

15. Second Vice President Bennie Campbell assumed the chair, then introduced Mrs. Campbell. Bob Woolley stated that Baptist Hymnals were supplied by the Baptist Book Store and would be for sale at the close of the Convention for \$3.05 each.

16. Elwood Doss, Cape Girardeau, led the combined University Choir and Sanctuary Choir in singing "*How Excellent Is Thy Name in All the Earth*" and "*Go and Tell*." The ensemble sang "*We'll Understand It Better By and By*."

17. The congregation stood as President G. Hugh Wamble ascended the platform to deliver the President's Address. Preceding his message Dr. Wamble commended Executive Director Rheubin L. South and *Word and Way* Editor Bob Terry for their work. The theme of the President's Address was "Do It Decently and In Order," the text I Corinthians 14:33-40. President Wamble expressed personal appreciation for the work of Gerald Sprong and the Structure and Reorganization Committee and stated that in most areas he concurred in their report and recommendations, but there were several areas where he differed. He discussed some of the items included in the Structure and Reorganization Committee report, including Convention officers, Executive Board members and structure, separate board for the *Word and Way*.

18. At the conclusion of the President's Address, Second Vice President Bennie Campbell stated that he had attended every meeting of the Executive Board and at least one meeting of every standing committee and it was his opinion that the Board has been working and their cooperation has been wonderful. He asked the people to be sure they know what they want to do, because the future of the Convention depends on what is done at this meeting. He then led in closing prayer.

25. Larry Thomas, Moberly, chairman of the Committee on Committees, brought a partial report.

**Place and Preacher:** Paul Patton (chairman) Duenwig; Howard English, Scott City, and Ed Waller, Liberty.

A motion was made by Mr. Thomas to elect the Committee on Place and Preacher as named. Carried.

**Resolutions:** J. B. Phillips (chairman) St. Louis; C. D. Butler, Senath; and Tom Sneed, Louisiana.

Mr. Thomas moved the adoption of the recommendation and it carried.

President Wamble explained that the two committees do their work during the meeting and report back later to the Convention.

26. President Wamble asked for consent of the messengers for Carl Garrett, chairman of the Committee on Order of Business, to give some guidelines and procedures to be followed during the Convention. Mr. Garrett moved that the following be accepted as the procedure which would be followed during the Convention: "That in the discussion of business matters, a person be limited to 3 to 5 minutes and that no one speak a second time until all others who desire to speak have spoken, unless the person is asked a question." The motion was seconded and carried. The president asked the chairman of the Committee on Order of Business to keep track of the time.

27. Second Vice President Bennie Campbell assumed the chair and called on Billy Hargrove, Jefferson City, to bring a report on the Cooperative World Mission Program. See Exhibit XIII in the Book of Reports.

28. Webster Brown, Jefferson City, brought a report on Associational and State Mission Work. See Exhibit XII in the Book of Reports.

29. Larry Plummer, Cape Girardeau, led in the singing of "Heavenly Sunlight."

30. John Hughes, Independence, chairman of the Communications Committee of the Executive Board, expressed appreciation to Elene Stone, Assistant to the Editor of the *Word and Way*, and presented a Certificate of Appreciation for services rendered, especially for her service as interim Editor during the period July 1, 1975, until September 1, 1975. Miss Stone has served the *Word and Way* since 1948.

Mr. and Mrs. Bob Terry were asked to come to the platform and be presented to the Convention. Dr. Hughes gave biographical information about Mr. Terry, then asked him to speak to the Convention. Mr. Terry shared some hopes and commitments that he and his wife were bringing as he assumes the position of Editor. He stated it was his hope that *Word and Way* will be use-

ful to Missouri Baptists and will honor God, and that with God as his helper it is his intent to publish and conceal not. He concluded by saying that at all times he will try to be faithful to his commitment to Missouri Baptists, and above all, to his Saviour and God, and that if he cannot live with openness, honesty and integrity before Him, then he cannot live at all. See Exhibit XXIV for *Word and Way* report.

31. Sam Martin, Eldon, brought the report of the Christian Life Commission and moved the adoption of the report as printed in Exhibit XXXIII. It was seconded. Second Vice President Campbell asked that the Convention receive other reports that had been presented prior to that time, along with the Christian Life Commission report. The motion carried.

Monte Peterson, Belton, member of the Christian Life Commission, presented a plaque to G. Hugh Wamble for his dedication to the work of the Commission and for the leadership he has exercised. Dr. Wamble stated he would like to give the plaque to his family because of their support in the work he has sought to do.

Mr. Martin presented Dr. C. R. Horne, Executive Director of the Christian Civic Foundation, who reported that proponents of gambling are busy in an effort to have the gambling issue placed on the ballot in the fall election of 1976. He stated that Citizen Impact is a grassroots organization for the purpose of mobilizing Christian people for greater strength in the political arena, and that it is absolutely necessary for Christian people to be ready to participate in our God-given democracy.

32. J. J. W. Fisher, Jefferson City, brought the report regarding retirement and insurance programs through the Annuity Board. See Exhibit VI. The congregation stood in appreciation of the efforts of Mr. Fisher.

33. President Wamble assumed the chair and presented Gerald Sprong to present the report of the Structure and Reorganization Committee. Preceding Mr. Sprong's report, Dr. Wamble stated that the gavel he was using was made out of wood from the old Fee Fee Baptist Church, oldest church in continued existence west of the Mississippi River.

Mr. Sprong stated that neither the Structure and Reorganization Committee nor its chairman had any purpose other than to do what the Convention desires them to do, that he is seeking no financial reward or place in history. He stated the committee had been working nearly two years and had sought to do what the Convention instructed them to do. It was the committee's desire to come up with a structure that would enable the Convention to carry out its purpose to extend the Kingdom of our Lord. He commented that the committee was a broad base committee that had been chosen by the Convention through democratic process and it was not a group of self-appointed experts, and the committee was assisted by Albert McClellan, Program Coordinator, Executive Committee of the Southern Baptist Convention.

Mr. Sprong further stated that all recommendations were well thought out after hours of prayer, discussion and debate, and it was his opinion that if changes were made the total concept would be affected.

Mr. Sprong called attention to some recommended changes in the Constitution which was presented to the Convention in 1974 by the Structure and Reorganization Committee. He then moved that the Convention adopt the Constitution as presented in the 1974 session, along with the changes as set forth in the 1975 Structure and Reorganization Committee Report, as follows:

A. Amend Article III—Time and Place of Meeting

New wording:

The Convention shall meet annually during October at such time and place as the Convention or, in case of emergency, the Executive Board may decide.

Wording proposed in 1974:

"The Convention shall meet annually during the week after the fourth Sunday in October at such time and place as the Convention or, in case of emergency, the Executive Board may decide."

B. Amend Article VII — Duties of Officers

Add a new section, which reads:

Section 6. The president and the first vice-president shall serve as ex officio members, with vote, of the Executive Board and as ex officio members, with voice but without vote, of each Convention committee and of each committee of the Executive Board. These officers shall not serve on the Convention Nominating Committee.

C. Amend Article VIII — Executive Board

Add Section 2.a the following clause at the end of the first sentence:

“plus not fewer than one member from the State of Iowa while Iowa churches are affiliated with this Convention.”

D. Amend Article VIII — Executive Board

1. Substitute the following for the first sentence of Section 2.b:

“Board members shall be elected to three year terms, approximately one third of the members from each area being elected each year,” and strike the words “one third each year.”

2. Add to Section 2.b a new sentence that reads:

“Only one person from an affiliated church may serve at a given time on the Board.”

The revised section would then read:

“Board members shall be elected to three year terms, approximately one third of the members from each area being elected each year. All terms shall expire as scheduled. Any person elected to fill a vacancy for one year may have two succeeding three year terms. Only one person from an affiliated church may serve at a given time on the Board.”

Wording proposed in 1974:

“Board members shall be elected to three year terms, one third each year. All terms shall expire as scheduled. Any person elected to fill a vacancy for one year may have two succeeding three years terms.”

E. Amend Article VIII — Executive Board

Add to Section 2 three new subsections which read:

c. The Board shall declare vacant any position from which a member has been absent for two consecutive regular meetings of the full Board without an acceptable reason formally submitted to the Board chairman.

d. If a vacancy on the Board occurs between annual meetings of the Convention, the chairman of the Board shall promptly notify the chairman of the Convention Nominating Committee, and the Nominating Committee shall, within sixty days, from the list for that area offered by the last committee, fill the position until the next annual meeting of the Convention.

e. No salaried employee of the Board or of any agency to which the Convention makes direct appropriations, and no wife or husband of such employee, shall be eligible for membership on the Board during the period of employment.

F. Amend Article X — Committees

Substitute the following for Section 2:

Section 2. The Nominating Committee shall consist of twenty-four members, serving terms of three years each, eight of whom shall be nominated by the president in consultation with other Convention officers and elected by the Convention at each annual meeting. Two members — one an ordained minister and one a lay person — from each of the twelve geographical areas shall make up the committee. This committee shall nominate persons to serve on the Executive Board, on the governing board of each agency, and on each commission. The area representatives on the Nominating Committee shall be responsible for inviting nominations from the churches for the Executive Board.

1974 Report Wording:

"The Nominating Committee shall consist of twenty-four members, nominated by the president in consultation with other Convention officers and elected by the Convention. Two members — one an ordained minister and one a lay person — from each of the twelve geographical areas shall make up the committee. This committee shall nominate persons to serve on the Executive Board, on the governing board of each agency, and on each commission. The area representatives on the Nominating Committee are responsible for inviting nominations from the churches for the Executive Board."

Section 3. The Convention shall have such other committees as authorized by the Bylaws.

The 1974 recommendation of the Structure and Reorganization Committee called for the repeal of the ten articles and all sections thereof of the Convention Constitution appearing in the 1973 Annual, pp. 28-30, and the substitution by eleven new articles and sections thereof presented in the 1974 report. (See item 169 for final disposition)

The chair stated that discussion and action on the motion would be in the afternoon session. He also stated that a committee recommendation required no second.

34. Gerald Sprong moved that Recommendation No. 2 be adopted by the Convention: That the Bylaws of the Missouri Baptist Convention as published in the 1974 Annual, pages 26-31, be repealed and new Bylaws be adopted, as printed in the Structure and Reorganization Committee Report, Exhibit II.

The chair stated that Recommendation No. 2 would be a special order following action of Recommendation No. 1 (See item 177 for final disposition.)

35. Gerald Sprong moved that Recommendation No. 3 be adopted: That Item 4 of the Business and Financial Plan be amended by changing the reference to a weekly distribution of State Cooperative Program Budget receipts to a monthly distribution.

The revised Item 4 would then read as printed in Exhibit II. The chair stated that Recommendation No. 3 would be set as a special order following the disposition of Recommendation No. 2.

36. Gerald Sprong moved that the Convention's secretary be directed to take proper steps as are necessary to cause a footnote to be printed at the proper place with respect to the fact that Article VIII of the Constitution shall be implemented as existing terms of Board members expire with the goal of having the full force and effect of the Article being implemented by October, 1979.

The chair stated that when Recommendation 1 is acted on, this motion would be acted on.

37. Gerald Sprong moved that the Business and Financial Plan of the Missouri Baptist Convention be amended by striking the following words in Item 20, "The Audit Committee of the Executive Board of the Convention" and adding "The Executive Board shall upon recommendation of the Audit Committee of such Board." The first sentence of Item 20 would read: "The Executive Board shall upon recommendation of the Audit Committee of such Board employ an 'independent' certified public accounting firm to conduct an annual audit of the financial condition and operations of the Convention." The chair stated the motion would be acted on upon disposition of Recommendation No. 3.

38. Mr. Sprong stated there was a mechanical error made in working up the proposed Constitution, that Section 5 of Article VII - Duties of Officers - has nothing to do with the duties of officers. He then moved that Section 5 of Article VII be renumbered Section 4 and moved to Article VI - Officers.

39. President Wamble called attention to page 2 of the Tuesday Convention Bulletin to the amendments to the Constitution which were presented during the 1974 Convention. He stated that during the discussion of the Constitution he would recognize individuals who filed the amendments when the appropriate

article was under consideration and that when the Constitution was discussed there would be three things to consider: yellow page containing full text of Constitution presented in 1974, the first part of the blue sheet containing the 1975 suggested amendments by the Structure and Reorganization Committee and the second page of the Convention bulletin containing prefiled amendments.

40. President Wamble stated he was unsuccessful in his efforts to get a parliamentarian for the Convention. He asked that anyone familiar with *Roberts Rules of Order* come see him and try to assist him. He stated he had spent a great deal of time with Mrs. Buckley, last year's parliamentarian. Mrs. Buckley suggested that instead of obtaining motions for extension of time that the chair ask for permission to go on for a few minutes with the business under consideration, but if permission is not given, that the chair could take a vote and it would take a two-thirds vote to carry it. Dr. Wamble stated this would be the method unless there were strong objections from the body.

The chair stated that it would be helpful if people desiring to offer amendments at certain points in the discussion of the Constitution would get them printed for projection.

The chair asked those planning to introduce miscellaneous business to come to the front, state their name, then read their motion to the body and give a copy to the recording secretary. Those with resolutions were asked to give their name and state they had a resolution and give the subject and the resolutions would go to the Resolutions Committee, which would deal with the resolutions and report back. It was announced that miscellaneous business would follow congregational singing.

41. Larry Plummer, Cape Girardeau, led in the singing of "*Take My Life Lead Me Lord.*"

42. Mrs. Clarice Johnson, manager of the St. Louis Baptist Book Store, gave information about several books available in the Book Store.

43. Tom Burgdorf, Kansas City, presented a resolution regarding Confidential Communications Between Ministers and Church Members. See Exhibit V for Report of the Resolutions Committee.

44. Glen Cantrell, Shelbyville, moved that this Convention encourage the Board of Trustees of Hannibal-LaGrange College in all efforts to strengthen its accredited associate of arts (or two-year, junior college) program and respectfully request the Board not to expand the school's curriculum to a four-year program without prior approval of the Missouri Baptist Convention in annual session. See item 184. Motion seconded.

45. Norman Arbo, Oak Grove, moved that this Convention request the incoming president to write to President Milton Ferguson at Midwestern Seminary, and to each member of the Board of Trustees of this institution, a letter expressing our gratitude for their assistance and encouragement to a member of the Midwestern faculty, Dr. Hugh Wamble, who has served as president of the Convention for the last two years.

And further, that the incoming president send a letter of appreciation to Dr. Wamble for his dedicated commitment in serving our Convention during these years. See item 185. Motion seconded.

46. Raymond Sconce, Lockwood, moved (1) That the Missouri Baptist Convention, in annual meeting on October 28, 1975, go on record in favor of any reasonable public policy respecting a state college's or university's granting of elective credit on religion courses which said school's students take in off-campus religion centers and which are taught by teachers employed by, paid by, and under the direction of religious organizations and foundations, which public policy (a) protects said state school's valid interest in academic matters (for example educational qualifications of teachers, planned courses of study, number of class hours for each hour of credit, attendance requirements, fair and impartial testing by an instructor, grading, etc.) and (b) honors rights secured by the Religion Clauses of the First Amendment and Missouri's

Bill of Rights; and further: (2) That the officers of this Convention, the Executive Board and the administrative staff of the Executive Board be instructed to take timely steps to insure that any public policy relating to said state school's granting of credit on religion courses taught in off-campus facilities by instructors under the direction of religious organizations shall honor constitutional prohibitions against a governmental establishment of religion and/or against the inhibitions of religion and specifically to insure that any such policy shall not assert or imply government's presumed right or rights (a) to accredit (or disaccredit) and to approve (or disapprove) religious organizations as such and their instructors as such, (b) to encourage uniformity of standards and procedures in the field of religion, (c) to make its decision about granting or not granting elective credit on off-campus religion courses on the basis of government's approval or disapproval of the interpretation of subject matter proposed or emphasized by teachers under the direction of religious organizations, and (d) to visit and inspect classes conducted by religious organizations' teachers in facilities erected and maintained at private expense, and further (3) That the Executive Board be authorized to finance actions pursuant to this motion from the budgeted funds under the Board's control, and further (4) That appropriate parties keep Missouri Baptists informed about this matter and formally report to the Convention in 1976 about the matter detailed in this motion or reasonably related thereto. Motion seconded. See item 187.

47. C. D. Butler, Senath, moved that this Convention instruct the Executive Board to provide adequate funding for the court test of the College Student Grant Law which the 1973 Convention instructed the Board to study and undertake. Motion seconded. See item 189.

48. Loland D. Bridges, Hannibal, moved that this Convention request the recording secretary to send to the Board chairman and top administrator of each Convention agency a copy of the Business and Financial Plan adopted in 1974 and to request that they provide the audit information which Section 20 of the plan says shall be made available to Missouri Baptists. Motion seconded. See item 190.

49. Robert E. Landon, Canton, presented a resolution regarding Political Elections on Religious Holidays. (Not reported out of Resolutions Committee.)

50. Earl Clayton Grandstaff, Lewistown, presented a resolution regarding Smoking in Public Places. See Exhibit V for Report of Resolutions Committee.

51. Earl Clayton Grandstaff, Lewistown, moved that the Bylaws be amended by adding a new article on retirement policies: The retirement policy of the Missouri Baptist Convention shall be as follows: Retirement of employees of the Executive Board or any Convention agency shall be compulsory upon reaching age 65. The chair ruled this was an amendment to the Bylaws and could be presented when Recommendation No. 2 of the Structure and Reorganization Committee was being considered. See item 181.

52. Frank Park, Mexico, moved that the Convention request the incoming and outgoing presidents of this Convention to provide appropriate officials of the Southern Baptist Convention with factual information about the name, place of residence, and church relationship of each Missourian who has served on the Committee on Committees, Committee on Boards, various agency boards and commissions of the Southern Baptist Convention in the last six years and to ask these SBC officials to study such information with a view toward the development of some SBC procedures which will make for broad and representative participation of Missouri Baptists on SBC committees, boards, and commissions, and further that these incoming and outgoing presidents request these SBC officials to provide responsive information that can be shared with the Missouri Baptist Convention in its annual meeting in 1976. Motion seconded. See item 191.

53. Dan Wilford, Wellington, moved that the president appoint at this annual meeting a five-member committee to study how the Convention can fittingly recognize past, present, and future leaders of the Convention, particularly top administrators of the Executive Board, and to make a report to the 1976 Convention with such recommendations as it deems proper, with the expenses of this committee's work to be financed under the budget mentioned in Section 2 (2) (a) of the Business and Financial Plan. Motion seconded. See item 192.

54. Dan Bryson, Clinton, presented a resolution submitted by Roberta Jeanne Toalson Miller, Urich, regarding The Right of People To Vote Directly on Their Own Judges. (Not reported by committee).

55. Allen Eaton, Kingsville, presented a resolution regarding Sunday Commerce. (Not reported by committee).

56. President Wamble asked first Vice President James Sells to assume the chair so he could present a motion as a messenger from Pleasant Valley Church, Liberty. He moved that this Convention reaffirm its assignments to the Christian Life Commission in respect to general educational work in the areas of Christian family, human rights, economics, moral concepts, and citizenship and in respect to public affairs activities related thereto; encourage the Commission to represent this Convention when established or proposed public policy (including proposed or enacted state or federal legislation) would affect any of these areas, the Commission to be guided by positions affirmed or implied in resolutions and motions adopted by the Convention from time to time (particularly on subjects of broad public significance -- including but not limited to any establishment of religion, religious liberty, gambling, liquor control, obscenity, public policies affecting churches or religious practices, citizens' rights in a democracy or in public places, etc.); and request the Executive Board to assist the Commission in every practicable way, including but not limited to financial and administrative assistance in whatever manner seems most feasible to the Commission and the Board. Motion seconded. See item 194.

57. The Hannibal-LaGrange report was given by Gerald Martin, president; Ben Early, dean of students; and the choir, under the direction of Dr. and Mrs. Floyd McCoy. Two students - Sherril Stevenson, Eldon, and Richard Smith gave personal testimonies concerning what Hannibal-LaGrange meant to them. Selections by the choir were as follows: "*When the Roll Is Called Up Yonder*," "*Unto Us A Child Is Born*," "*His Name Is Wonderful*," "*One Day*," and "*My Statue of Liberty*." The choir concluded their presentation with "*The Lord's Prayer*" in vocal and sign language. Floyd McCoy quoted passages of scripture between choir selections. Gerald Martin moved the adoption of the report printed in Exhibit XXVI. Motion seconded and carried.

58. The meeting recessed until 1:30 p.m.

#### TUESDAY AFTERNOON-OCTOBER 28, 1975

59. First Vice President James Sells called the Convention to order at 1:30 p.m.

60. Elwood Doss, Cape Girardeau, led in the singing of "*At The Cross*."

61. M. Dale Allen, St. Louis, led in prayer.

62. Dr. D. David Garland, Fort Worth, continued the studies from Hosea.

63. President Wamble stated that the gladiolas on the platform were donated by a man named Roger Hall, from the Little Bonne Femme Church in Boone County, where the Central Society for Missions was organized in 1835.

64. President Wamble appointed Rev. Robert Landon, moderator of the Wyaconda Association, to serve as parliamentarian.

65. President Wamble stated the item before the Convention was the consideration of Recommendation 1 from the Structure and Reorganization Committee, that the Convention adopt the Constitution that has been proposed, along with suggested changes by the committee. He stated the Convention would be in the process of inspecting the document and requested those who desired to offer any kind of perfecting motion to come to the platform and be recognized. The chair ruled that after any kind of amendment is offered he would first recognize the person who made the motion to amend, then those who desire to speak against it, and if the chairman of the Structure and Reorganization Committee or anyone he asks desire to speak against it, they may do so. Then he would recognize anyone to speak for it.

66. Article I was submitted. No amendment was offered.

67. Article II was submitted. No amendment was offered.

68. Article III was submitted. President Wamble stated the text appeared in the 1975 Report of the Structure and Reorganization Committee Exhibit II. No amendment was offered.

69. Article IV was submitted. The chair announced there was an amendment offered in 1974 by John Goodwin, Kansas City. Dr. Goodwin moved that the following substitute motion be approved in place of the motion presented in 1974. (The first two sections are the same as presented in 1974, the third section was added.)

#### ARTICLE IV (MEMBERSHIP)

That Article IV (on "Membership") of the proposed Constitution be amended, Section 2 be deleted, and that Section 3 be renumbered, with Article IV to read: "This Convention shall consist of messengers named by affiliated churches under the following conditions:

"Section 1. Any Baptist church in friendly cooperation with the Missouri Baptist Convention who is sympathetic with the purposes and work of the Convention and having in the previous year supported Missouri Baptist Convention causes through its Cooperative Program shall be entitled to one messenger and one additional messenger for every one hundred members or fraction thereof above one hundred, provided that no church shall be entitled to have more than fifteen messengers.

"Section 2. Should the seating of any messenger or messengers from any church applying for membership in the Convention be challenged, the matter shall be referred to a credentials committee appointed by the Convention president. The committee shall report to the Convention at the next session after appointment, and the Convention shall make the final decision about the challenged messenger or messengers.

"Section 3. The Missouri Baptist Convention shall cooperate with the Southern Baptist Convention, and the program directed by the Missouri Baptist Convention, its Executive Board, and its employees shall be in accord with the general plan of work as promoted by the agencies of the Southern Baptist Convention, unless otherwise ordered by the Missouri Baptist Convention." The motion was seconded.

Dr. Goodwin stated that the proposed Article IV excludes from the Convention any church affiliated with another convention after 1961 and he believes it to be a violation of the principle of autonomy of the local church, because Baptists believe that no ecclesiastical board can tell a church what it must do to be a member of the body. He stated that the Structure and Reorganization Committee had considered including his proposed Article IV in the committee report, but later decided against it. He further stated that there are no membership prohibitions in the Southern Baptist Convention constitution and only two or three of the 33 state Baptist conventions contain prohibitions for membership.

Several messengers voiced opposition to the proposed amendment to Article IV, stating that: the Convention has autonomy also, that such a provision would create divided loyalties through dual alignment, gifts would be divided, any church desiring to affiliate with the Convention would know the

Constitution and Bylaws before asking to unite with another fellowship, etc.

Proponents of the proposed amendment gave reasons for adopting the amendment: joy of fellowship with other Baptist bodies, dually aligned churches feel like step children, united witness with other groups, gives churches freedom to affiliate with other groups if they desire.

Motion prevailed to vote the previous question, approval of the amendment proposed by John Goodwin to Article IV. The vote was taken and the chair ruled the amendment was defeated.

Opportunity was given for further amendments and there were none.

70. Article V was submitted for consideration. There were no amendments offered.

71. Article VI was submitted for consideration. President Wamble stated an amendment was offered in 1974 by James Joslin, Springfield: "That Section 3 be amended to read: Each officer shall be a member of a church affiliated with this Convention. No employee of an agency owned or controlled by this Convention OR THE SOUTHERN BAPTIST CONVENTION or to which the Conventions make direct appropriations and no person receiving supplemental aid from the Conventions shall be eligible to be an officer." (Capital letters identify Joslin's proposed changes.)

Mr. Joslin stated it seems unfair if people employed by the Missouri Baptist Convention agencies cannot be officers of the Convention and employees of the Southern Baptist Convention agencies can be officers of the Convention.

James McCrary, Steele, made a motion to amend the amendment by deleting the second sentence of Section 3 and substituting the following: "No employee of any agency owned or controlled by this Convention or to which this Convention makes direct appropriations shall be eligible to be officers." Motion seconded.

Mr. McCrary stated that a fine group of men who were receiving supplemental aid were being ostracized. President Wamble stated that was not the essence of Joslin's amendment, but it was to prohibit employees of Southern Baptist Convention agencies from serving as officers.

Gerald Sprong, chairman of the Structure and Reorganization Committee, stated that the purpose of Section 3 was not to deny anyone from serving as an officer of the Convention, but it would be to prevent a conflict of interest and was a matter of control.

An opponent of the amendment stated that it would prevent good people who are employees of Southern Baptist Convention agencies from serving as an officer.

The chair called for a vote on the substitute to the amendment and it was defeated.

The vote was taken on Joslin's amendment to Article VI, Section 3, and it was defeated.

The chair called attention to the fact that Section 5 of Article VII was moved to Article VI as Section 4.

No further amendments were offered for Article VI. (See items 115, 118, 120)

72. Article VII was submitted for consideration. M. Dale Allen, St. Louis, moved that Article VII, Section 6 be amended to read: "All Convention officers shall serve as ex officio members of the Executive Board. The president shall serve as ex officio member, without voting power, of each Executive Board and Convention committee, except as may otherwise be provided by the Convention. These officers shall not serve on the Convention Nominating Committee as provided for in Article X, Section 2."

Dr. Allen stated it was his opinion that Convention officers should participate fully in business of the Executive Board since the Board is the official body between the annual meetings.

Gerald Sprong stated the Structure and Reorganization Committee was trying to prevent a power block on the Executive Board by Convention officers, since it wasn't unusual for officers of a group to come to the same conclusion. He also pointed out that if a president served two terms, he would appoint two-thirds of the Nominating Committee which would nominate two-thirds of the Board.

The vote was taken and the amendment to Article VII, Section 6 (now 4) was defeated. No further amendments were offered for Article VII. (See items 115, 121, 122)

73. Article VIII was submitted for consideration. President Wamble stated that time for this order of business had expired. A vote was taken to proceed with discussion of the Constitution.

Dewayne Lasseter, Affton, moved that Article VIII, Section 3 (a) be amended to read: "Convention officers shall serve in their respective positions without pay, as officers of the Board. These officers shall serve as a committee in appointing such regular committees as the Convention shall specify in Convention Bylaws, provided, however, that no Convention officer shall be eligible to serve as chairman of a standing committee of the Board as specified in the Bylaws and provided further that not more than one chairman of a standing committee shall reside in any one area of the state as defined in the Bylaws. The Board president shall appoint such special committees as the Board shall create from time to time, unless otherwise ordered by the Board."

Mr. Lasseter stated that the Executive Board is the Convention ad interim and if the Convention elects one set of officers and the Board elects another set, there are two sets of Convention officers.

Opponents to the amendment stated the Structure and Reorganization Committee had spent two years working on their report and their proposals should be given a chance to work, also the Convention officers have tremendous power and influence, the officers appointing the Nominating Committee which nominates the Executive Board would also appoint committee chairmen and assign Board members to committees, which would destroy the checks and balances proposed by the Structure Committee.

Proponents stated the amendment would create more cohesiveness between the Board and the Convention.

Paul Swadley, last year's chairman of the Executive Board Committee on Committees, explained the process used by the committee in nominating committee chairmen and assigning Board members to the various committees. The committee spent many hours and it was done by a democratic process whereby each member of the committee, without consulting other members, made suggestions on a written ballot, after much prayer and giving consideration to qualifications and expertise of individuals in an effort to assign people to committees where they could render the most service.

After much discussion the vote was taken on the amendment to Article VIII, Section 3 (a) and it carried. A proposed amendment to Section 3 (b) was to be presented later. (See items 115, 124, 125)

74. Marvin Hilton, Raytown, presented the amendment to Article VIII, Section 2 (b), which he filed in 1974: That Section 2 (b) be amended by adding after the last line a sentence reading: "No person having served two full three-year terms succeeding or otherwise shall henceforth be eligible for nomination or election to the Executive Board."

Mr. Hilton stated he thought this would enable more people to have the opportunity to serve on the Executive Board and that in the past several people had served as many as four or more three-year terms.

After some discussion the chair called for the vote on the motion to amend Article VIII, Section 2(b). The motion was defeated.

75. The chair stated the Convention would go to the order of business, which was the election of officers, unless the body voted to do otherwise. Nominations for the office of president were requested and messengers were asked to be as considerate as possible regarding the time.

J. E. Hewlett, St. Louis, nominated Milton F. Morales, Independence.  
Don Wainwright, Eldon, nominated G. Nelson Duke, Jefferson City.  
Don Evans, Joplin, nominated Paul Swadley, Springfield.  
Frank Park, Mexico, nominated A. L. Palmer, Trenton.

A request was made that nominees be asked to go to the front, but the body was not in favor. The chair stated that Ballot No. 1 would be used.

76. Carl Garrett, chairman of the Committee on Order of Business, requested that the order of business be revised and that the presentation of Missouri Baptist College be ahead of the Executive Board Report. Consent was given.

Robert Sutherland, acting president of the college, moved the adoption of the report in Exhibit XXVII of the Book of Reports. Seconded and carried.

A slide presentation depicting the buildings and activities at Missouri Baptist College was given, with narration by Dr. Sutherland. The college choir and soloists, under the direction of Mrs. Marjorie Psalmonds, sang the following selections: "Song of Moses", "America", "Star Spangled Banner", "Open The Door", "Where Cross the Crowded Ways of Life", "Praise Be To Jesus", and "The Sow Took the Measles", which was dedicated to Executive Director Rheubin South, Dr. and Mrs. W. L. Muncy, who served as host and hostess during the Bicentennial flag presentation, wearing Colonial costumes, were presented to the Convention, and were asked to share some things said by the mayor of the city of Creve Coeur and a state senator about Missouri Baptist College at the time of the presentation.

77. Jim Short, chairman of the tellers committee, reported that in the presidential election 708 ballots were cast and the number necessary for election was 354. The following results were announced: G. Nelson Duke received 246, Paul Swadley received 217, Milton Morales received 162 and A. L. Palmer received 77. The chair ruled that no one was elected for the office of president. He stated there would be another election and that according to *Roberts Rules of Order* all names would remain on the ballot, but according to custom the bottom two have been dropped. He announced the election would be at 11:10 a.m. on Wednesday and all four names would be on the ballot.

George Hammon, Festus, moved that the two receiving the highest number of votes be on the ballot for election. The motion was seconded and carried.

The chair stated that at 11:10 on Wednesday morning, there would be a run-off election between G. Nelson Duke and Paul Swadley.

78. Don Evans, Joplin, chairman of the Executive Board, was asked to bring the report and recommendations of the Board. Exhibit I

President Wamble obtained consent of the body to proceed with the business since the time had come for recess.

Lawrence Matlock, St. Joseph, vice chairman; and Ruth Kay, Eldon, secretary, reported on the work of the Board since the last Convention, as printed in Exhibit I of the Book of Reports, and actions taken by the Executive Board on October 27 regarding the Chair of Bible in Columbia.

Board committee chairmen assisted in the presentation of recommendations.

79. Olan Runnels, Kansas City, chairman of the Administrative Committee, presented Recommendation No. 1 and moved its adoption:

- I. It is recommended that the Cooperative Program goal for 1976 be \$6,000,000 (approved by MBC in 1974); and that \$5,000,000 of the receipts be divided on the basis of 35% for Southern Baptist Convention Causes, 9% for Special Denominational Causes; and 56% for Missouri Baptist Convention Causes, with the understanding that all administrative and promotional costs will be paid out of the Missouri section, and that allocations be as given below.

Receipts above \$5,000,000 up to \$5,850,000 are to be disbursed 22.64% to Southern Baptist Convention Causes, 42.058% to Missouri Baptist Convention Causes (excluding colleges) and 35.294% to Missouri Baptist colleges, as determined by the Executive Board. Distribution above \$5,850,000 will be determined by the Executive Board. (NOTE: 22.64% to SBC Causes represents 35% of excess above \$5,000,000 after \$300,000 has been deducted for the colleges; 42.058% for MBC Causes represents 65% of excess above \$5,000,000 after deduction for the colleges.)

NOTE: 1976 will be the last year in the five-year budget projection with a base budget of \$5,000,000. Prior to 1974 the \$5,000,000 goal was not reached and no breakdown of receipts was determined. Receipts above \$416,667 per month will be distributed June 30 and December 31. Distribution above \$5,850,000 will be determined by the Executive Board.

The motion was seconded.

A. L. Palmer, Trenton, moved that the second paragraph of Recommendation I be deleted and a new paragraph be substituted therefor to read as follows: "Receipts above \$5,000,000 and up to \$5,850,000 shall be disbursed 32.5% to the Missouri Baptist Convention, 17.5% to the Southern Baptist Convention and 50% to the colleges of this Convention as determined by the Executive Board on recommendation of the Administrative Committee." Seconded.

Information regarding the five-year Program of Advanced Giving to Aid Colleges which was adopted in 1971 was projected on the screen. According to the plan the colleges would receive 50% of Cooperative Program receipts exceeding \$5,000,000 up to \$5,850,000 (in 1976), which would give the colleges \$125,000 more than is proposed in Recommendation I.

Opponents to the amendment stated the Convention had given the Executive Board instructions to put its finances in order.

Proponents stated the colleges are in great need of more financial assistance.

Don Wainwright, Eldon, stated there were not enough people to consider a matter as significant as the budget and moved that Recommendation No. 1 be tabled. President Wamble stated a motion to table would table the recommendation to amend. Don Wainwright moved that the Convention recess. The chair stated that those desiring to present miscellaneous business should be allowed to do so before the last day.

Carl Garrett, chairman of the Committee on Order of Business, suggested that the report of the Executive Board be tabled until the end of the evening session in order to get it before more people. He moved that the Report of the Executive Board be set as a special order at the end of the evening session. The motion was seconded.

It was stated that messengers knew the Report of the Executive Board was coming and many of them left, therefore, the body should not be inconvenienced, and the budget should not be considered at the end of the day when people are tired.

The motion to table the Report of the Executive Board was defeated.

The chair stated the matter before the body was to amend paragraph 2 of Recommendation No. I.

Bob Eberling, chairman of the Inter Agency Committee, stated that if the amendment were adopted, the extra \$125,000 which would go to the colleges would need to be taken from the Southern Baptist Convention causes or the entire Executive Board budget would have to be reworked.

The chair ruled a motion to adjourn out of order because of the need for an opportunity for presentation of miscellaneous business.

Motion prevailed to vote the previous question. The motion to amend was defeated.

In response to a question regarding the number needed for a quorum, the chair stated the messengers present constituted a quorum.

Motion to vote the previous question prevailed. The vote was taken on Recommendation No. I and it carried.

80. Robert Eberling, St. Joseph, chairman of the Inter Agency Relations Committee, brought Recommendation No. II and moved its adoption.

**Recommendation No. II:** "That the \$1,400,000 in the 1976 budget for Christian Education be distributed with a base allocation of William Jewell College - \$300,000; Southwest Baptist College - \$300,000; Missouri Baptist College - \$300,000; Hannibal-LaGrange College - \$200,000 and that the remaining \$300,000 be divided equally between William Jewell and Southwest Baptist College, and in the event that the full budget of \$5,850,000 is not reached, that all the colleges will share the loss proportionately based upon percentage of their total expected annual allocation, which is 32.14% for William Jewell College, 32.14% for Southwest Baptist College, 21.43% for Missouri Baptist College and 14.19% for Hannibal-LaGrange."

Hal Herweck, St. Louis, moved that Recommendation No. II be amended as follows: "and that the remaining \$300,000 be divided - William Jewell - \$100,000; Southwest Baptist College - \$100,000; Missouri Baptist College - \$60,000 and Hannibal-LaGrange - \$40,000 and in the event that the full budget of \$5,850,000 is not reached that all colleges will share in the loss proportionately based on percentage of their total annual allocation which is 28.57% for William Jewell, 28.57% for Southwest Baptist College, 25.71% for Missouri Baptist and 17.4% for Hannibal-LaGrange." The motion was seconded.

Mr. Herweck stated that we should support all four colleges when all of them are feeling frustration.

It was pointed out that two of the colleges had around 1,400 students, one had 450 and the other around 400 and there should be more equitable distribution of funds.

Motion prevailed to vote the previous question. The amendment was defeated. The vote was taken on Recommendation No. II and it carried.

81. John Hughes, Independence, chairman of the Communications Committee, brought Recommendation No. III and moved its adoption.

**Recommendation No. III:** "That the Executive Board and the Administrative Committee be authorized to adjust the budget as needed to meet first obligation requirements." The motion was seconded and carried.

82. John Hughes presented Recommendation No. IV, and moved its adoption. **Recommendation No. IV:** "That the Missouri Baptist Children's Home and Home for aged Baptists be given the privilege of receiving a Thanksgiving Offering in 1976 to supplement the Cooperative Program gifts, to be divided equally." The motion was seconded and carried.

83. Craig Tally, Hannibal, chairman of the Missions and Evangelism Development Committee, presented Recommendation No. V and moved its adoption. **Recommendation No. V:** "That the proposed 1976 State Mission Offering goal be \$300,000 and that it be a supplement to the budget." The motion was seconded.

Gordon Murray, St. Louis, moved that Recommendation No. V be amended by striking the proposed language and substituting the following: "That the proposed 1976 State Mission Offering goal be \$300,000 as a supplement to the income of agencies mentioned in promotion of this offering according to a fair, equitable formula developed by the Executive Board and communicated in advance to Missouri Baptists." The motion was seconded.

Mr. Murray stated that most people do not have the slightest concept of what the offering is being used for and it was his opinion that it should be what 99 per cent of the people believe it is.

Olan Runnels, chairman of the Administrative Committee which is charged with Convention finances and budgeting, stated that basically he agreed with the spirit of the motion and that for the last few years the offering actually was used to supplement the budget and two years ago the Executive Board told Missouri Baptists it was being used to supplement the budget, but it was the hope of the Executive Board to attempt to set some definite goals and specific items to be financed by the State Mission Offering.

Motion prevailed to vote the previous question. A standing vote was taken on the motion to amend Recommendation No. V. The chair was undecided and called for a count. There were 242 votes cast, with the number of votes necessary for adoption - 122. There were 122 in favor of the amendment and 120 against. The amendment carried.

84. Craig Tally, Hannibal, presented Recommendation No. VI and moved its adoption. **Recommendation No. VI:** "That we set a goal of \$350,000 for the Home Mission Offering in 1976." The motion was seconded and carried.

85. Paul Swadley, Springfield, chairman of the Committee on Committees of the Board, presented Recommendation No. VII and moved its adoption. **Recommendation No. VII:** "That we set a goal of \$850,000 for the Foreign Mission Offering in 1976." The motion was seconded and carried.

86. A. L. Palmer, Trenton, chairman of the Audit Committee, presented Recommendation No. VIII and moved its adoption. **Recommendation No. VIII:** "That the 1979 Convention be held in Columbia, with First Baptist Church as host and that an auditorium be rented; and that the 1980 Convention be held in Joplin, with First Baptist Church as host and that an auditorium be rented. (Meeting places for 1976, 1977 and 1978 have been approved by the Convention.) The motion was seconded.

Frank Park, Mexico, stated he did not think it was necessary for the Convention to be scattered over the state, and unless there were proper facilities, he would be opposed to going to Joplin in 1980. Mr. Park moved that Recommendation No. VIII be amended to read: "That the 1979 Convention be held in Columbia, with sessions to be at Stephens, if possible, with First Baptist Church as host, and that the 1980 Convention be held in Springfield, with First Baptist Church as host. The motion was seconded. Milton McBride, St. Louis, moved that Recommendation No. VIII be referred back to the Executive Board. The motion was seconded and carried.

Mr. McBride stated he appreciated having the Convention in various parts of the state, but he felt that for convenience sake and for the sake of saving money in the renting of halls, that the Convention should meet somewhere that would be convenient, comfortable and accessible to everyone in the state and that would have sufficient motel rooms and eating places.

87. Don Wideman, Kansas City, Chairman of the Church Development Committee, presented Recommendation No. IX and moved its adoption. **Recommendation No. IX:**

In his message, Mr. Wallis stated that Jesus was before all things, he is the pre-existing saviour, he is creator, he is the architect and sustainer of the universe. In closing he said "Brethren, let Jesus reign, for he is king."

108. The congregation sang "All Hail the Power of Jesus Name" as the benediction.

109. The Convention was recessed until 9:00 a.m., Wednesday. Prior to recessing, President Wamble stated there would be a run-off election between Nelson Duke and Paul Swadley for president.

### WEDNESDAY MORNING, OCTOBER 29, 1975

110. Second Vice President James Sells called the session to order Wednesday, October 29, at 9:00 a.m., in Houck Field House in Cape Girardeau.

111. Steve Bickel, Portageville, led in the singing of "To God Be the Glory."

112. D. Marion Furgerson, St. Louis, led in prayer.

113. D. David Garland, Fort Worth, continued the studies in Hosea.

114. President Wamble stated the order of business was to continue the discussion of the proposed Constitution and that Dewayne Lasseter of St. Louis had the floor. Mr. Lasseter yielded to Gerald Sprong, chairman of the Structure and Reorganization Committee. Mr. Sprong stated that because of action taken by the body ahead of the proposals of the committee many inconsistencies were created in parts of the Constitution already adopted. He stated that two articles were in conflict because one states that the president and first vice president will be ex officio members of the Board and another says that the officers will be the officers of the Executive Board and there is some concern as to how some sections of the Bylaws can be administered. Mr. Sprong stated that even of greater concern is the spirit that has taken place, especially by individuals casting doubts upon the character and integrity of the individuals who prepared the report of the Structure and Reorganization Committee and individuals on the Executive Board Committee on Committees, and it was his opinion that it was not a healthy attitude to go forward. Mr. Sprong reported that he had met with Don Evans, chairman of the Board, President Wamble and Executive Director Rheubin South in an effort to reach a compromise, with the desire to have the spirit of the Convention healed. He further stated he had talked with some members of the Structure and Reorganization Committee, but he would be speaking as an individual, since he did not have committee action in the proposals he would make.

It was President Wamble's opinion there probably needed to be some amendments in order to set up a structure which would be in the best interest of everyone and would help create a harmonious spirit.

115. Gerald Sprong moved that the following amendments be adopted.

(a) That Article VI, Section 1, be amended in the first sentence by deleting **parliamentarian** and by placing **and** before recording secretary, and that Article VI, Section 2, be amended by striking the proposed wording and substituting "No Convention officer shall succeed himself or herself, but shall be eligible for reelection to the same office after another person has occupied the office.

(b) That Article VII, Section 4, be deleted (referring to parliamentarian) and succeeding sections be renumbered.

(c) That Article VII, Section 5, be renumbered as Section 4, that the first two sentences be deleted and the following be substituted: "Convention officers shall serve as ex officio members of the Executive Board with all rights of members. The president shall serve as an ex officio member without vote of all Convention committees, provided, however, that the president shall not serve on the Convention Nominating Committee."

(e) That the following be substituted for Article VIII, Section 3 (a), as approved (in item 73) on Tuesday: "The Convention officers shall serve as officers of the Board without pay as follows: the president as chairman, the first vice president as first vice chairman, the second vice president as second vice chairman and the recording secretary as secretary." Then continue with the rest of 3(a) as printed in the report of the Structure and Reorganization Committee. (Exhibit II)

The motion to amend was seconded.

116. Mr. Sprong explained that the Bylaws would be affected by some of the actions on Tuesday, especially Article IV (renumbered Article IX), which was adopted in 1974. He said it was unfortunate that the integrity and character of dedicated Christians serving on the Board's Committee on Committees were questioned, since the entire Executive Board elected the six to serve and considered them to be very capable people, and also, the Board elected the chairmen after having opportunity to nominate others. Mr. Sprong further reminded the Convention that last year was the first year in which a small portion of the total plan was being implemented and only one Bylaw was operative, which meant the geographical dispersion of Board members recommended by the committee did not exist in 1974, possibly resulting in a heavy concentration in some areas. He stated he was ready to offer an amendment to the Bylaws stating that a member of the Board's Committee on Committees could not serve as a committee chairman.

Mr. Sprong called attention to the provision in the Bylaws for a Committee on Continuing Review, which would be a committee appointed by the Convention and would be a Convention committee that would have the responsibility of continually reviewing the Constitution and Bylaws for things that just won't work.

117. President Wamble stated that the matter pending before the body was to strike in Article VI, Section 1, the words "and parliamentarian" and place "and" before recording secretary; Section 2, to strike what is there and substitute "No Convention officer shall succeed himself or herself, but shall be eligible for re-election to the same office after another person has occupied the office."

Lewis Krause, Camdenton, stated it was his feeling the Convention could operate for another year under the present Constitution and moved that any further consideration of Articles VI, VII and VIII be tabled until next year's Convention. The chair ruled the motion out of order. Krause then moved that discussion of the Constitution be tabled. It was seconded and defeated.

Dennis Crowder, Warrensburg, moved that discussion of the Constitution be set as a special order at 2:15 p.m. so a printed copy of the proposed amendments could be placed in the hands of the messengers. The motion was seconded. Bob Terry, Editor of the *Word and Way*, said there were no facilities for duplicating the material by 2:15.

T. T. Crabtree, Springfield, stated on the basis of his experience it is wise to appoint a good committee and let them study and report and in 99.44 per cent of the cases, it works. He then moved that the Convention approve without any amendments the original recommendation of the Structure and Reorganization Committee and try it, then amend it if it needs to be amended at a later time. The president moved the motion out of order for the time being.

The motion to set the discussion of the Constitution as a special order at 2:15 was defeated.

T. T. Crabtree moved "that the Convention approve in toto the recommendation of the Structure and Reorganization Committee which came in a printed report, as far as the Constitution is concerned." The motion was seconded. He stated the committee had studied it carefully and had done its assignment well and the Convention could live with their proposals much easier than it could live with something reworked from the Convention floor. Bart Tichenor, Ashland, called for a point of order. He stated when the time

comes for the vote on the Constitution as amended, it could be voted down and then a vote could be taken on the Constitution as originally presented.

In answer to an objection regarding the suggested amendment that the Convention officers, especially the president, be ineligible to succeed themselves, Gerald Sprong stated that by changing the Constitution so the Convention officers would be the Board officers a tremendous workload was placed on the president. He reminded the Convention that the several years ago the Convention voted to separate the two offices and W. T. Holland (64-65) was the last person to serve in the dual roles. Mr. Sprong stated that it was his opinion there would be no opportunity for a working layman to be elected to the office of president. He also stated that if the president were to serve two terms, he would appoint two-thirds of the nominating committee which nominated Board members. He further stated the amendments were an attempt to bring harmony and to place some balance, because the balances were removed when the body voted to make the president the chairman of the Board.

George Hammon, Festus, moved the following amendment to Article VI, Section 1, as follows: "No Convention officer shall succeed himself or herself, except the president. He may succeed himself for a second term." The motion was seconded, but defeated.

118. Marvin Hilton, Raytown, requested that the question be divided and it was agreed by the body.

The motion to amend Article VI, Section 1, to delete the office of parliamentarian carried.

119. Dewayne Lasseter, St. Louis, who presented the amendment to Article VIII, Section 3(a), approved by the Convention on Tuesday (item 73) said he had no problem if a person elected to be a member of the Committee on Committees were chairman of one of the standing committees, but he would have a problem with three of them.

120. The motion to amend Article VI, Section 2, that no Convention officer shall succeed himself or herself, but shall be eligible for re-election to the same office after another person has occupied the office, carried.

121. The motion to delete Section 4 of Article VII, regarding the duties of the parliamentarian, carried.

122. The motion to amend Article VII, Section 6 (renumbered as Section 4) to read that Convention officers shall serve as ex officio members of the Executive Board with all rights of members. The president shall serve as an ex officio member without vote of all Convention committees, provided, however, that the president shall not serve on the Convention Nominating Committee, carried.

123. The chair stated that pending business was Article VIII, Section 2(a), and reminded the body they had already voted for Convention officers to be officers of the Board, and this amendment states that Convention officers would serve as at large members of the Executive Board. The amendment carried.

124. President Wamble said the body would deal with the proposed amendment to the amendment dealing with Article VIII, Section 3(a), which was approved on Tuesday (item 73) which provided for all Convention officers to be officers of the Board and also made them a committee to appoint chairmen and committees of the Executive Board, with the provision they could not serve as chairmen of the committees and there would be a distribution geographically of chairmanship. He further stated the proposal was to substitute the following words for the amendment which was passed, then continue with the rest of the section as originally suggested by the Structure and Reorganization Committee: The Convention officers shall serve as officers of the Board without pay as follows: the president as chairman, the first vice president as first vice chairman, the second vice president as second vice chairman and the recording secretary as secretary.

Dewayne Lasseter said this would be compatible with the motion he made on Tuesday.

The amendment carried.

125. President Wamble asked if there were further amendments to Article VIII.

Larry Lewis, St. Louis, moved that Article VIII, Section 2(b), be amended by striking the third sentence (as printed in 1975 Structure and Reorganization Committee report) and substituting "An area member may serve only one three-year term, but may be eligible for re-election after a year has transpired, provided, however, that one elected to a term expiring within one year shall be eligible for re-election to a full three-year term."

It was Mr. Lewis' opinion that it didn't take three years for a Board member to become familiar with the business of the Board.

Gerald Sprong stated this matter was given much consideration by the Structure and Reorganization Committee and the committee attempted to provide continuity of programs through the Constitution and Bylaws, which is as important as the financial structure and the power base.

The vote was taken on the motion to amend Section 2(b). A voice vote and standing vote were indecisive and a ballot vote was taken. (See item 132) Carried.

126. The chairman of the Committee on Order of Business called for the order of the day. Steve Bickel, Portageville, led in the singing of "Amazing Grace."

127. Floyd Gentry reported that as of that time, 1,081 messengers, 13 alternates and 320 visitors had registered, making a total of 1,414.

128. Tommy Barrett, Slater, assisted by sub-committee chairmen, presented the report of the Nominating Committee, with the exception of Executive Board members, which were elected in the Tuesday afternoon session. Mr. Barrett called attention to some changes and additions to the list of nominees appearing in the October 28 Convention Bulletin as follows: **Missouri Baptist Foundation:** M. J. McBroom of Sulphur Springs to fill unexpired term of T. T. Crabtree of Springfield, expiring in 1976; and Vern Baird of St. Louis to replace Jeff Sanders of St. Louis, term expiring in 1978. **Christian Life Commission:** O. R. Shields, St. Louis, replaced Doran McCarty, Kansas City, term expiring in 1978. **Hannibal-LaGrange College:** Edwin Burriss, Centralia, to serve unexpired term of Joseph Grant, Moberly, expiring in 1976; and Wendell Bradford, Kennett, to serve unexpired term of Vera Warning, LaGrange, expiring in 1976.

Joe Porter, Richmond, chairman of the sub-committee to nominate members to the Executive Board, Missouri Baptist Foundation, and the Christian Life and Historical Commissions presented nominees for the Missouri Baptist Foundation, and moved their election. The motion was seconded and carried to elect those listed in Exhibit III.

Mr. Porter moved the election of the nominees for the Christian Life Commission. The motion was seconded and carried to elect those listed in Exhibit III.

Mr. Porter moved the election of the nominees to the Historical Commission. The motion was seconded and carried to elect those listed in Exhibit III.

129. Mrs. Fred Coble, chairman of the sub-committee on benevolent institutions, moved the election of the nominees to Baptist Memorial Hospital. The motion was seconded and carried to elect those listed in Exhibit III.

Mrs. Coble moved the election of the nominees to the Home for Aged Baptists. The motion was seconded and carried to elect those listed in Exhibit III.

Mrs. Coble moved the election of the nominees for the Missouri Baptist Children's Home. The motion was seconded and carried to elect those listed in Exhibit III.

Mrs. Coble moved the election of the nominees to the Christian Civic Foundation. The motion was seconded and carried to elect those listed in Exhibit III.

130. W. C. Link, Liberty, chairman of the committee on colleges, moved the election of the nominees for the boards of trustees of Southwest Baptist College, Missouri Baptist College, Hannibal-LaGrange College and William Jewell College. The motion was seconded and carried to elect those listed in Exhibit III.

131. Tommy Barrett expressed appreciation to members of the Nominating Committee and sub-committee chairmen and called attention to the MBC Nominating Committee Rules and Procedures printed in the Book of Reports and moved that they be adopted to guide the Nominating Committee in its future work. The motion seconded and carried. See Exhibit III.

132. Jim Short, chairman of the Tellers Committee, reported that 610 votes were cast on the motion to amend Article VIII, Section 2(a), limiting Executive Board members to one three-year term. (See item 125) There were 383 votes for the amendment and 215 votes against the amendment. The chair ruled the motion to amend, carried.

133. President Wamble declared it was time for the run-off election for president between G. Nelson Duke, Jefferson City, and Paul Swadley, Springfield, and the vote would be on ballot 3.

134. Carl Garrett stated time had expired for election of officers, and there were 15 minutes left until the William Jewell College presentation. He moved that the body go back to consideration of the Constitution. The motion was seconded and carried.

135. The chair declared that the item pending was Article VIII and asked if there were additional amendments.

Tom Barnes, Portageville, stated that he wanted to give prior notice regarding an amendment he would bring in 1976 regarding Article VIII, Section 3(c), the first sentence: To delete the period and add the following: "Provided however that not less than thirty-five (35) per cent of undesignated Cooperative Program funds shall be budgeted for distribution to the Southern Baptist Convention."

No further amendments were offered for Article VIII.

136. The chair declared Article IX was under consideration. Dennis R. Crowder, Warrensburg, moved that Article IX, Section 1, be amended by deleting the period and by adding the following: "provided however that no agency shall share in Convention financial support unless its chief administrative officer and not less than seventy-five (75) per cent of the members of its governing board are members of churches affiliated with this Convention." The motion was seconded.

Questions were raised regarding what the motion would do to our relationship with the Christian Civic Foundation, American Bible Society and Americans United. President Wamble said agency pertains to any unit of the Convention other than the Executive Board and would not refer to anyone beyond the control of the Convention. Gerald Sprong stated it was his opinion the motion would involve some benevolent institutions whose chief administrative officer may not necessarily be a Baptist and the motion would prevent the Convention being able to support the activity. Mr. Sprong moved to amend Dennis Crowder's motion by striking the words "its chief administrative officer and". The motion was seconded.

Tom Burgdorf, Kansas City, raised a point of order, stating that in some conventions, it would be out of order to pass this kind of action regarding agencies which have their own boards, then asked the chair to issue a ruling. The chair ruled the motion was in order and it relates to language appearing in Article III of the present Bylaws.

The vote was taken on the amendment to delete "its chief administrative officer and" and it carried.

The chair declared the matter under consideration was the motion by Dennis Crowder as amended.

Milton Morales, Raytown, stated the motion would create problems for a number of institutions and would not serve any useful purpose.

President Wamble stated he had previously said it would involve only units over which we have control, but it would include things beyond the state Convention.

The vote was taken on the amendment to Article IX, Section 1, as amended and it was defeated.

137. James Short reported that 630 votes were cast in the run-off election between G. Nelson Duke and Paul Swadley, with 316 being necessary for election, and that G. Nelson Duke received 361, Paul Swadley 267 and Brother Blotz 1. Twelve votes were illegal.

The chair declared that G. Nelson Duke had been elected president and asked him to come to the platform.

138. Certificates of Appreciation were presented to retiring Executive Board members who were present, which were named during the Executive Board Report on Tuesday.

139. First Vice President James Sells assumed the chair and presented Gordon Kingsley to bring the presentation from William Jewell College in the absence of the president, Thomas Field, who was in England. A slide presentation with narration by Gordon Kingsley was given—depicting the buildings and activities at the college. Professor Dean Wilder sang "*Take My Life And Let It Be*" and "*Great Is Thy Faithfulness*."

140. Loren Goings, Liberty, led in closing prayer. The session recessed to reconvene at 1:30.

#### WEDNESDAY AFTERNOON, OCTOBER 29, 1975

141. First Vice President James Sells called the afternoon session to order at 1:30.

142. John Baker, Rolla, led in the singing of "*I Stand Amazed in the Presence*," "*O How I Love Jesus*," "*Leaning On The Everlasting Arms*," and "*I Am Thine O Lord*."

143. Ira Singleton, Caruthersville, led in prayer.

144. Dr. D. David Garland continued the studies in Hosea.

145. The Report of the Obituaries Committee was presented by E. Paul Fisher, Kansas City, (who was appointed chairman by the president since O. A. Winscott could not be present) assisted by committee member Fred Jackman, Nixa. Names of ministers who had passed away since the last Convention were read. (Names taken from 1975 church letters.) Mr. Fisher stated the name of D. Gene Crewse had been erroneously listed by the Ballwin church, but that he had left the state and was not deceased. The name of John Robert Steers of Kansas City was added to the list. Scripture passages were read from I Thessalonians 4:13-18 and John 5:25-29 were read. Mr. Fisher led in prayer following silent prayer.

146. Carl Garrett moved that the report of Southwest Baptist College be moved to 7:15 and the showing of the Radio and Television Commission film be deleted so the entire afternoon could be devoted to business. The motion was seconded and carried.

147. The chair stated the Constitution and Bylaws discussion took precedence over other miscellaneous business. A motion was made and seconded that election of officers be disposed of prior to the miscellaneous business. The motion carried.

The chair asked for nominations for the office of first vice president. James Hackney of St. Louis nominated Robert Keatley of St. Joseph. John Gilbert of Poplar Bluff nominated Dale Jackson of St. Louis. Charles Hufft of Warrensburg, nominated Carl Garrett of Carthage.

148. President Wamble stated that upon the election of the first vice president the body has gone on to the election of the second vice president and called for nominations. Milton Morales, Independence, nominated M. Dale Allen, St. Louis. Woodrow Moore, St. Louis, nominated Burnell Lewis, Jefferson City. Hal Herweck, St. Louis, nominated Wayne Dismuke, Springfield. Richard Adams, Portageville, nominated John Gilbert, Poplar Bluff.

149. Lawrence Matlock, St. Joseph, stated that before the body continued with the election of officers he would like to know about the area distribution and distribution between pastors and laymen. He moved that the body proceed with the election of recording secretary after the report of the Tellers Committee regarding the election of the first and second vice presidents, and upon the report that business being conducted at that time be suspended as quickly as possible, and have the election of the recording secretary prior to proceeding with the discussion. The motion was seconded and carried.

The president asked Gerald Sprong to continue the discussion of the Constitution. Lawrence Matlock moved that the previous action be reconsidered. The motion was seconded and carried. He then moved that the body proceed with the election of officers as soon as possible after the results of the election of the first and second vice presidents are returned and that in the meantime the committee reports be given: Committee on Committees, Committee on Place and Preacher and Committee on Resolutions. The motion was seconded and carried.

150. Larry Thomas, Moberly, brought the final report of the Committee on Committees and moved its adoption:

The motion was seconded and carried.

151. Paul Patton, Neosho, chairman of the Committee on Place and Preacher, moved the adoption of the committee recommendation "That the place of the 1979 Convention be First Baptist Church, Raytown, that the preacher be C. D. Butler, Senath, and the alternate Carl Garrett, Carthage."

President Wamble stated that the matter regarding the 1979 Convention had been before the body in Recommendation No. 8 from the Executive Board and the recommendation regarding the meeting places for the 1979 and 1980 meetings was referred back to the Executive Board, and that he must rule that the body could not at that time set the place for the 1979 meeting without reconsideration of the prior action, and that the motion before the body would be that the 1976 meeting would be in Raytown. However, after consulting the Convention Annual, he stated that it had been determined that the Convention would meet in Independence, with joint sessions with National Baptists to be at the R.L.D.S. Auditorium.

The chair stated that the motion before the body was that in 1976 the Convention would meet in Independence and that the preacher would be Charles D. Butler, Senath, and the alternate would be Carl Garrett, Carthage. The motion carried.

After a point of order was raised, President Wamble stated it had been the custom to set meeting places for three or four years in advance.

A motion was made and seconded that First Baptist Church, Independence, be designated as the host church for the 1976 Convention. The motion carried.

Previous action set the meeting place for the 1977 Convention to be First Baptist Church, Springfield, and the 1978 Convention at Fee Fee Baptist Church, Bridgeton.

A question was raised as to the time of the 1976 meeting. Loren Belt, Jefferson City, Director of Work With National Baptists, stated the meeting would be held the third week in October, the 18-20. He was asked to make that in form of a motion. He moved that the 1976 Convention be held October 18-20. It was seconded and carried.

152. J. B. Phillips, St. Louis, chairman of the Resolutions Committee, brought the report of the committee.

Mr. Phillips moved that the resolution dealing with Confidential Communications Between Ministers and Church Members (see item 43) be referred to the Christian Life Commission. The motion was seconded. See Exhibit V for text.

Tom Burgdorf, Kansas City, who introduced the resolution, stated he had been involved in a counseling situation where he needed the protection suggested in the resolution.

The motion to refer to the Christian Life Commission carried.

153. J. B. Phillips moved the adoption of the courtesy resolution as printed in Exhibit V. The motion was seconded and carried.

154. J. B. Phillips moved the adoption of the resolution regarding participation of individual persons in the political arena. Prepared by Resolutions Committee. See Exhibit V for text. The motion was seconded and carried.

155. Mr. Phillips moved that the resolution regarding homosexuality be adopted. The motion was seconded and carried. (The author was not identified.)

156. J. B. Phillips moved the adoption of the resolution regarding Smoking in Public Places, submitted by Earl Clayton Grandstaff (item 50) See Exhibit V for text. The motion was seconded and carried.

157. James Short brought the report of the Tellers Committee on the balloting for first vice president. He reported that 530 votes were cast, with 266 necessary for election, and that Dale Jackson received 202, Robert Keatley 196 and Carl Garrett 125, with 7 illegible ballots. The chair ruled there was no election.

158. James Short reported that in the balloting for second vice president, 531 votes were cast, with 266 necessary for election, and that Dale Allen received 147, Burnell Lewis 155, John Gilbert 132 and Wayne Dismuke 88, with 9 illegible ballots. The chair ruled there was no election.

159. President Wamble stated it has been the trend of the Convention that there be a run-off between the top two, but it did not conform to *Roberts Rules of Order* and it would take a two-thirds vote to suspend the rules.

Don Wainwright, Eldon, moved that the rules be suspended for the election of the first and second vice presidents and the two persons receiving the highest number of votes be considered. The motion was seconded and carried.

There was a run-off between Dale Jackson, St. Louis, and Robert Keatley, St. Joseph.

160. Kenton Webb, Kirksville, moved that we sustain the chair in the suspension of rules on Tuesday for the run-off election for president. The motion was seconded and carried.

161. President Wamble stated there would be a run-off election between M. Dale Allen and Burnell Lewis for second vice president.

162. President Wamble stated that Dr. William Webber, pastor of the University Heights Church in Springfield, was injured in a car accident on Tuesday and that Pat Campbell, a messenger from St. Charles became ill and was taken to the hospital.

163. Gerald Sprong moved that Article VI, Section 4, be amended by adding a new sentence: "If a run-off election is necessary, only the names of the two persons receiving the most votes on the first ballot shall appear on the second ballot." The motion was seconded and carried.

164. President Wamble asked if there were amendments to Article IX of the Constitution.

Douglas Haile, Lamar, moved that a new section be added to Article IX, with the number to be assigned by the recording secretary: "The property of each agency shall be safeguarded in a manner satisfactory to the Convention, and the financial and business dealings of each agency shall comply with the Business and Financial Plan." The motion was seconded.

Gerald Sprong stated he was in sympathy with the intent of the motion, but the Business and Financial Plan was drawn up for the Convention and in many areas it would be impossible for the institutions to adhere to it.

The vote was taken on the amendment and it was defeated.

165. President Wamble stated that Article X (printed in 1975 report of Structure and Reorganization Committee) was under consideration.

Tommy Barrett, Slater, moved that Article X, Section 2, be amended by adding "The committee shall be guided by such rules and procedures as the Convention may adopt from time to time." The motion was seconded. Voice vote and standing vote were indecisive. After further clarification it was suggested that a vote be taken again without a ballot.

Second vice president Bennie Campbell took the chair so President Wamble could speak to the issue. Dr. Wamble stated that if the guidelines and procedures were put in the Bylaws, they would not be subject to change by the committee as it rotates from time to time and they would have guidelines with which to do their work. It was his opinion that if the motion were defeated, the rules and procedures adopted earlier would probably be out of order. A standing vote was taken and motion was carried.

166. Article XI was presented for perfection. No amendments were offered.

167. President Wamble stated that the amendment offered by Harvey Brown to amend Article III was not dealt with during the Convention because it had been incorporated into the report of the Structure and Reorganization Committee.

168. Paul Bowles, Ellisville, presented a revised version of a constitutional amendment presented by Charles Gibson, St. Louis, in 1964, and moved the adoption of the substitute amendment. "That the Convention adopt a new Constitutional article entitled 'State Paper' and authorize the Convention's Recording Secretary to place it in the proper place in the Constitution and assign it the proper number and to renumber subsequent articles accordingly, the article to read:

"Section 1. The "Word and Way" shall be under the direction of the Board of Publication which shall consist of twelve (Gibson said nine) members, one from each of the twelve geographical areas described in the Bylaws (was not in Gibson's motion). The term of each elected member shall be three years. One third shall be elected at each annual session of the Convention provided that at the annual session at which this Board is created, four members shall be elected for a term of one year, four members shall be elected for a term of two years, and four members shall be elected for a term of three years. (Gibson had specified that three would be elected for each of the terms.)

"Section 2. The Board of Publication shall employ an Editor and other employees of the "Word and Way" as needed, shall set policy affecting the operation of the "Word and Way", shall review the performance of all employees, shall propose budget needs to the Executive Board, and shall report annually to the Missouri Baptist Convention." The motion was seconded.

Proponents for the proposal stated the separate board would help the Executive Board and Executive Director by relieving pressure which

the Editor would create, would alleviate confusion over who is responsible for the paper and its content, would take away the stigma that the paper is an in-house paper, that it would be better administration and would give the paper viability among Missouri Baptists.

Opponents of the proposal stated that structures do not affect the quality of the paper, it depends on the character of the editor; the issue was really one of in-house vs. isolation, censorship vs. irresponsibility, is like having a church newsletter without the pastor having any say about it; the editor now has full editorial freedom to select, edit, delete, arrange and publish materials as suitable to particular occasions and is free to write as his convictions lead; that neither the Communications Committee nor anyone else shall undertake to dictate what the Editor shall or shall not write, but the Communications Committee would hold him responsible for any departure from the Scriptures, faithful regard for Baptist principles and/or genuine concern for the welfare of the denomination.

Loland Bridges, Hannibal, moved the previous question and it was seconded. The chairman of the Communications Committee, John Hughes of Independence, asked to speak, but the body voted to cut off debate.

A standing vote was taken and the motion to establish a separate *Word and Way* board was defeated.

169. The chair stated the perfection of the Constitution had been completed and asked if anyone desired to further amend the document. Motion prevailed to cut off debate and vote the previous question. The chair stated the body had come to voting on the Constitution as perfected. A standing vote was taken and the chair ruled that the Constitution as perfected had been approved and would go in force as perfected. (The new Constitution appears in this Annual.)

170. James Short stated that 542 ballots were cast for first vice president, with 272 votes necessary for election, and that Dale Jackson received 279 votes and Robert Keatley received 254, with nine illegible ballots. The chair ruled that Dale Jackson had been elected first vice president.

171. James Short reported that 540 ballots were cast for second vice president, with 271 necessary for election, and that Dale Allen had received 271 and Burnell Lewis had received 261, with nine ballots illegible. The chair ruled that Dale Allen had been elected.

172. First vice president Dale Jackson and second vice president Dale Allen were asked to come to the platform to be presented to the Convention.

173. The chair stated that nominations were in order for recording secretary. Carl Swiney, Fulton, nominated Mrs. Milton (Ruth) Elmore, Sedalia. Lawrence Matlock, St. Joseph, nominated Robert Keatley, St. Joseph. Mr. Keatley stated he was not qualified to serve in that capacity and withdrew his name. Paul Swadley, Springfield, moved that Mrs. Elmore be elected by acclamation and that the second vice president Bennie Campbell be asked to cast the unanimous ballot. The motion was seconded and carried. Second vice president Bennie Campbell cast the unanimous ballot. Mrs. Elmore was presented to the body.

174. Gerald Sprong was asked to continue with the report of the Structure and Reorganization Committee. Mr. Sprong referred to Recommendation 2 regarding the Bylaws of the Missouri Baptist Convention. He then moved that sub-section 1(c) of Article IX (previously Article IV) be amended by adding a new sentence to this sub-section (which deals with the Committee on Executive Board Committees) to read: "No member of the Committee on Executive Board Committees shall be eligible to serve as chairman of any standing committee and no more than two shall serve on any committee on which it makes nominations." The motion was seconded and carried.

175. Mr. Sprong moved that Recommendation 2 be approved: That the Bylaws of the Missouri Baptist Convention as published in the 1974 Annual, pages 26-31, be repealed and new Bylaws be adopted, as follows: (See Exhibit II). Seconded.

T. T. Crabtree, Springfield, moved that the Convention express confidence in the Structure and Reorganization Committee and that we approve

in toto the recommended Bylaws as suggested by this committee from the first sentence to the last. Motion seconded.

President Wamble stated there would have to be an amendment because of the reference to the parliamentarian.

Dr. Crabtree moved that Article III, Section 7, be amended to delete the parliamentarian. The motion was seconded and carried.

176. Max Morris, Kansas City, moved that Article IX, approved by the Convention in 1974 as Article IV, be amended by making the following changes:

(1) By striking the words "and Evangelism" from section 1(a) and section 2(3), and further by striking "and evangelism" from section 3(b) (2).

(2) By striking the words "Evangelism Development" from section 2(a) (3)(b) (ii) and further by renumbering the two succeeding items entitled (ii) "Word with National Baptists" and (iii) "Student Ministries."

(3) By adding a new item at section 2(a) (1)(a) (iv) and renumbering the succeeding items in (a) accordingly, the new item to read: "(iv) Evangelism Promotion. General program of evangelism through all departments of Board work and through affiliated associations and churches."

(4) By adding a new item at Section 2(a) (1) (b) (iv) and renumbering the succeeding items in (b) accordingly, the new item to read: "(iv) Evangelism Promotion" and

(5) By amending the second sentence of section 3(b) 1, to read: "He will be directly assisted by officers of general program coordination, general stewardship and Cooperative Program Promotion, and general evangelism promotion."

(6) By amending section 3(b) 4, to read: "The Administrative Staff shall consist of the executive director, the directors of the office of general program coordination, evangelism promotion, and of general stewardship and Cooperative Program promotion, and the four division directors." The motion was seconded.

Mr. Morris showed a slide showing the place of evangelism in the staff structure and stated that the director of evangelism did not have direct access to the executive director and it was his feeling that evangelism in Missouri should be in line with the current structure change with reference to the status of evangelism at the Home Mission Board.)

Milton Morales, Raytown, referred to the motion made by Max Morris in 1974, "That the Convention request the Committee on Structure and Reorganization to review the division structure under the Executive Board with a view toward making Evangelism a separate and distinct division." (The committee after consideration voted in favor of the present structure except to rename the division "Evangelism and Missions Development Division".) Mr. Morales stated that under Mr. Morris' proposal, evangelism would not be a separate division, but it would be a staff position under the executive director.

Mr. Morales moved that an amendment be made to the motion stating that evangelism would not be a separate and distinct division, but would be a distinct staff position under the executive director. The motion was seconded and carried. The motion as amended to revise Article IX, Section 1, Section 2 and Section 3 carried.

177. Motion prevailed that debate be stopped and that the body vote the motion made by Dr. Crabtree. Dr. T. T. Crabtree, Springfield, was asked to make the motion again. Dr. Crabtree moved that the Bylaws as presented by the Structure and Reorganization Committee be approved in toto, with the approved amendments. The motion was seconded and carried unanimously on a standing vote. See Exhibit II for Report of Structure and Reorganization Committee.

178. Mr. Sprong moved that Recommendation 3 be approved: That item 4 of the Business and Financial Plan be amended by changing the reference to a weekly distribution of State Cooperative Program Budget receipts to a monthly distribution. The motion was seconded and carried.

179. Gerald Sprong moved that the Convention's secretary take such steps as necessary to cause a footnote to be printed at the proper place with respect

to the fact that Article VIII of the Constitution shall be implemented as existing terms of Board members expire with the goal of having the full force and effect of the Article being implemented by October, 1979. The motion was seconded and carried. The chair stated it would be after Article VIII, Section 2(a) and (b).

180. Gerald Sprong moved that Section 20 of the Business and Financial Plan of the Convention be amended by striking "The Audit Committee of the Executive Board of the Convention" and substituting "The Executive Board of the Convention shall upon recommendation from the Audit Committee of such Board." The motion was seconded. Mr. Sprong explained two sections were in conflict, one stated the Board would employ an auditor and another stated the Audit Committee would employ an auditor.

The chair ruled the motion out of order, stating the Convention had approved a Business and Financial Plan last year, but after consultation with Mr. Sprong ruled that it was in order. (Section 21 provides for alteration at any annual meeting by a two-thirds vote.) The motion carried unanimously.

181. President Wamble stated that on Tuesday during the miscellaneous business session a messenger had presented a motion regarding retirement age for employees of the Baptist Building and agencies and that he had ruled it would be an amendment to the Bylaws. He apologized to the person making the motion and asked if there were a motion to reconsider the Bylaws. No motion to reconsider was offered.

182. Second Vice President Bennie Campbell assumed the chair. President Wamble moved that this Convention spread on its records an expression of deep appreciation for the work of the Structure and Reorganization Committee, for each individual member of the committee and for all the associates who worked with them in preparing the work that they have presented to the Convention, and further moved that a copy of this motion be sent over the signature of the President of this Convention and the Executive Director to each member of this committee. The motion was seconded.

President Wamble, in his expression of appreciation, stated that if he had, in his way of doing things, offended any member of the committee or members of the assembly, he apologized.

A standing vote was taken and the motion carried.

183. The president stated the time had come for discussion of miscellaneous business presented on Tuesday.

184. Glen Cantrell, Shelbyville, was recognized to speak to his motion regarding Hannibal-LaGrange College (item 44). By common consent it was agreed that no motions would be read, since they were printed in the Convention bulletin. Mr. Cantrell stated there has been some anxiety concerning the relationship of Hannibal-LaGrange College to the Convention and he wanted the Convention to go on record assuring the people of Northeast Missouri that the Convention did care about them, and that Hannibal-LaGrange be in full, complete and absolute fellowship with the Convention.

Robert Parker, Hannibal, chairman of the board of trustees of the college, moved that the motion be amended by adding the words "except the Church Vocation Program" following the phrase "and respectfully request the Board not to expand the school's curriculum to a four-year program." The motion was seconded.

Mr. Parker stated the trustees of the college had not intended to bring the request regarding the Church Vocation Program before the body until the motion came opposing it. The reason is because of the process being taken by the board in handling the Church Vocation Program the last two years. Mr. Parker further stated that in 1973, the institution was rechartered to carry out the wishes of the Convention as a junior college and the Board has done so by trying to re-establish the school from the standpoint of serving the denomination in Missouri, and from the standpoint of becoming sounder financially; and that the college had been encouraged two years ago by the education committee of the Board to explore the possibilities of a Church Vocation area.

He stated the board of trustees had no interest in expanding Hannibal-LaGrange to a four-year Liberal Arts school, but the only request is in the pastoral ministry, music ministry, church secretary area, religious education and youth music.

President Wamble stated the matter pending was the motion to amend the motion by adding "except the Church Vocation Program".

John Hughes, Independence, moved that the matter regarding Hannibal-LaGrange be referred to the Education Study Committee, which is studying the matter and which does have the proper information to make the decision. The motion to refer was seconded.

It was Dr. Hughes' opinion that the issue was too complex to be dealt with at the late hour and that the messengers did not have sufficient information to make a decision. The motion to refer carried.

185. President Wamble asked second vice president Bennie Campbell to assume the chair. Mr. Campbell asked if Norman Arbo were present to speak to his motion (item 45), then asked if anyone would like to speak to it. The motion carried.

186. Hugh Wamble stated he had been asked not to deal with the rest of the motions, but he would have to rule that they had to be dealt with item by item and how they were disposed of would be up to the body.

George Hammon, Festus, asked if it would be in order to refer the matters until next year. The chair ruled that it would be out of order, but that any one of them could be referred, because time is provided for miscellaneous business.

187. Raymond Sconce, Lockwood, was recognized to speak to his motion (item 46). After expressing his concern for separation of church and state, Mr. Sconce moved that the matter be referred to the Executive Board. The motion was seconded and carried.

188. Lewis Krause, Camdenton, moved that the body recess the session. The motion was seconded. The chair ruled the motion out of order because messengers presented the miscellaneous business in good faith and disposition must be made of it, some could be tabled, but business must be conducted before the evening session.

189. Bill Wehmeyer, Hayti, was recognized to speak for the sponsor of motion by C. D. Butler (item 47). He moved that the matter be referred to the Executive Board. It was seconded. Bart Tichenor questioned the advisability of referring a matter to the Executive Board since it concerned the Board. The chair stated that when a matter is referred to a body, it is up to them to make the judgment.

Tichenor moved that the motion to refer be substituted by a motion to table. The motion lost.

The motion carried to refer the motion to the Executive Board.

190. Loland Bridges, Hannibal, was recognized to speak to his motion (item 48). He stated the Executive Board was competent to see that audit information regarding the institutions is handled properly and withdrew his motion.

191. Frank Park, Mexico, was recognized to speak to his motion (item 52). The question was raised if this body had the right to deal with the matter, since it pertained to another body. President Wamble stated it was an exchange of information.

The motion carried.

192. Dan Wilford, Wellington, was recognized to speak to his motion (item 53). He moved that it be referred to the Executive Board. The motion was seconded and carried.

193. The chair asked Rufus Longenecker to serve as temporary moderator.

194. Hugh Wamble, Kansas City, was recognized to speak to his motion (item 56). He moved that the matter be referred to the Executive Board. The motion was seconded and carried.

195. President Wamble assumed the chair and recognized Edwin Burris, Centralia, to speak to his motion (item 90). Mr. Burris stated he had checked with Dr. South and the secretary, and the cost for printing of the Constitution and Bylaws in the Book of Reports would be minimal because the plates used

for the Annual could be used.

The motion carried.

196. Carl Wright, Marquand, was recognized to speak to his motion (item 91). He stated the matter could not be considered next year because there were some things which needed to be done now, because the Southeast Missouri area would go to Old Bethel for a Bicentennial evangelistic rally on June 26, and also, because the State Highway Department is building a new four-lane highway nearby and a right-of-way needs to be provided.

Dennis Crowder, Warrensburg, moved that the matter be referred to the Executive Board. The motion was seconded and carried.

197. The chair recognized H. C. Reed, Unionville, to speak to his motion (item 92). The motion was defeated.

198. President Wamble called attention to the Bylaws which were adopted and stated they call for the president to present a list of nominees for the nominating committee so they can continue throughout the year. He asked Second Vice President Bennie Campbell to assume the chair so he could present the suggested list. Webster Brown, Jefferson City, called for a point of order and asked if the nominating committee were to be named by the old president or the newly elected president. Mr. Campbell referred the matter to Dr. Wamble, who stated the officers elected begin serving at the end of one annual session and go until the end of the next annual session and his rule would be that it should be done by the outgoing president.

Lawrence Matlock, St. Joseph, stated that Dr. Wamble made the nominations for the committee for the last two years, and this would be the third year he would be making nominations, and it would seem that the new president should make the nominations. He further stated it was his understanding that the Constitution and Bylaws would not take effect until the end of the session, and therefore, the body would still be operating under the old system, and under the old system, the new president was the one to appoint the committee. He said he had raised it as a point of order, and if it were not accepted, he would make a motion to that effect.

President Wamble stated it was his understanding that when a body adopts a controlling instrument, it at that time becomes in force, and that when the Bylaws were adopted the chair ruled they were at that time in force, and the chair would like to sustain that this is his understanding of it, but the body could overrule the chair.

Lawrence Matlock moved that the body suspend the rules and that the new president nominate the nominating committee for the coming year. The motion was seconded. Dr. Wamble said there would have to be a motion to overrule the presiding officer's interpretation of the Constitution, which takes a two-thirds vote.

Mr. Matlock moved that the body overrule the presiding officer's interpretation of the Constitution. The motion was seconded. A standing vote was taken and the motion was defeated, thus sustaining the chair's ruling.

Dr. Wamble moved that the nominees listed in Exhibit XXXV be elected for terms expiring in 1976, 1977 and 1978. The motion was seconded.

Dr. Wamble explained that those who were previously elected to terms which had not expired would continue, except in those instances where there were three persons from a particular area, and there was also a need to give proper balance to lay persons and ministers. He further stated that all persons were selected from a list of persons submitted to him by superintendents of missions, except in one area, and he used the Annual to get information.

Second Vice President Bennie Campbell stated it was his understanding when he was elected that the officers would serve as a committee to select all the nominees, but he wanted to say that the first and second vice presidents had nothing to do with selecting them, but that Dr. Wamble did it. He further stated he had expressed his disagreement with him at the very first and he expressed his disagreement at this time, but since a motion had been made, he had no other choice than to present it to the body.

Dennis Crowder, Warrensburg, moved the previous question and it was seconded. A voice vote was indecisive, but the motion carried on a standing vote.

The motion to elect the nominees carried. The chair was returned to the president.

199. President Wamble declared the session recessed until 7:00 and led in prayer.

### WEDNESDAY EVENING, OCTOBER 29, 1975

200. First Vice President James Sells called the Wednesday evening session to order at 7:00 p.m. at Houck Field House.

201. The Missouri Music Men, under the direction of Bob Woolley, sang "Thank You My Lord" and "Just Because I Asked." The Missouri Music Women, under the direction of Linda Boyd, Jefferson City, sang "If I Could Sing A Thousand Melodies." The combined group sang "Behold The Glory." Jean Harten and John Woods were accompanists.

202. According to a special order voted in the afternoon session, Southwest Baptist College report was given in lieu of the Radio and Television film. A visual presentation with narration was given, depicting achievements of the past year and aspirations of the coming year. First Vice President James Sells expressed appreciation for the Convention's support of Southwest Baptist College.

203. First Vice President James Sells introduced President Wamble to those in the meeting who had not met him. Dr. Wamble moderated the rest of the session.

204. Orrin Morris, Regional Coordinator, Home Mission Board, Atlanta, Georgia, brought greetings from the Home Mission Board and reported on the cooperative agreement with Missouri Baptists.

205. Davis Saunders, area secretary for Eastern and Southern Africa, brought greetings and a report of some of the work of the Foreign Mission Board.

206. Floyd Gentry brought the final report of the Committee on Enrollment. He stated there were 1,142 messengers and 560 visitors, for a total of 1,702, then expressed gratitude for G. D. Parrack, superintendent of missions of the Cape Girardeau Association, and others who had served at the registration table.

207. President Wamble expressed appreciation to those assisting with the functioning of the Convention, including the musicians, those at the projection table and Baptist Building staff members. He then expressed appreciation to Carl Garrett and the Committee on Order of Business and First Vice President James Sells and Second Vice President Bennie Campbell.

208. Officers for the coming year and the Executive Director and their spouses, if present, were asked to go to the platform.

President and Mrs. G. Nelson Duke, Jefferson City

First Vice President and Mrs. Dale Jackson, St. Louis

Second Vice President Dale Allen, St. Louis

Recording Secretary, Mrs. Milton Elmore and Mr. Elmore

Executive Director and Mrs. Rheubin L. South, Jefferson City.

209. Carl Swiney, Fulton, current Recording Secretary, was introduced.

210. President Wamble stated that the Missouri Music Men and Women under the direction of Bob Woolley and Linda Boyd, would bring special music preceding the featured speaker, Jerry Clower, Yazoo City, Mississippi. He then turned over the gavel to President G. Nelson Duke and asked him to lead in prayer at the close of the Convention.

211. President G. Nelson Duke expressed appreciation to the people for the confidence placed in him and stated that he had committed himself to minister more effectively and asked those present to join him in a renewal spirit of ministry, and urged the people to desire to have the mind of Christ in all we seek to do during the coming year.

212. Bob Woolley led the congregation in singing "*I Stand Amazed In The Presence.*"

213. *The Missouri Music Women*, under the direction of Linda Boyd, sang "*Sing To The Lord*" and "*Jesus Is All The World To Me.*" *The Missouri Music Men*, under the direction of Bob Woolley, sang "*The Morning Star,*" "*Victory In Jesus,*" and "*Brand New.*" The combined choirs, under the direction of Bob Woolley, sang "*If I Be Lifted Up.*"

214. Jerry Clower, a Christian comedian from Yazoo City, Mississippi, brought the closing address of the Convention. In his opening remarks he stated he was glad to be there, because he was amongst his own kind. In his message he stated that Christians need to get back to the fundamentals of preaching Jesus to the lost and living like Christians ought to, and that if we are not right with people, then we are not right with God.

215. President Duke stated that following prayer by Executive Director, Rheubin South, the 141st annual session of the Missouri Baptist Convention would be adjourned.

### REPORT OF THE EXECUTIVE BOARD TO THE MISSOURI BAPTIST CONVENTION

Don Evans, Chairman

Rheubin L. South, Executive Director

The Executive Board presents the following report and recommendations for your consideration. During the associational year, October 1, 1974, through September 30, 1975, the total receipts through the office in Jefferson City were \$8,435,765.57. Cooperative Program receipts for the year October 1, 1974, through September 30, 1975, were \$5,698,568.94. Designated receipts for the year were \$2,737,196.63.

This has been a very productive year for Missouri Baptists. The Board has met six times, in addition to meetings of the Board standing committees, since the last Convention.

1. The Executive Board has organized according to the instructions of the Convention on recommendation of the Structure and Reorganization Committee and is seeking to implement the Business and Financial Plan as quickly as possible.
2. Rheubin L. South was employed as Executive Director, effective February 17, 1975.
3. Roger W. Hall was employed as Director of Business Service Division, effective June 1, 1975.
4. Bob Terry was employed as Editor of the *Word and Way* and Director of the Communications Division, effective August 25, 1975.
5. The employment of a Director of the Church Development Division has been authorized for 1976.
6. The Board and staff are working on long-range plans for Windermere, including a new sewage treatment system.
7. The Board approved strategy for development of student ministries in the State University System, Metropolitan Complexes and Small Colleges in the areas of finance, personnel, partnership, evangelism and world missions.
8. The Board and staff are seeking to sell property owned by the Missouri Baptist Convention on Highway 54 West and 213 Adams in Jefferson City.
9. The Board took action urging Missouri Baptist churches to participate in the World Hunger Relief program through the Foreign Mission Board.
10. The deaf ministry has been assigned to the State Missions Development Program of the Missions and Evangelism Division, to be implemented when staff is available.
11. The Special Education Study Committee, under the chairmanship of G. Nelson Duke, has been working and will report to the Board in April, 1976.
12. The 1973 Convention referred the matter of the Missouri tuition assistance law (Senate Bill 613) to the Board. On December 11, 1973, the Board requested the chairman of the Christian Life Commission (then Hugh Wamble) and the chairman of the College Committee (then A. L. Palmer) to secure counsel about the propriety of seeking the court's resolution of issues raised by Missouri's 1972 college student grant laws, working in concert with other parties, such there be, and the finances would come from personal gifts and not from Convention funds. The suit was filed July, 1974, in the Circuit Court of St. Louis County and goes by the style of *Americans United v. Rogers*. Frank Susman is the attorney for the plaintiffs. The Independent Colleges and Universities of Missouri (ICUM), which lobbied for the legislation, has been admitted as intervener-defendant. The proceedings have been slow.
13. We are seeking to liquidate the Executive Board's debt to the Missouri Baptist Building Fund. More than \$150,000 is being paid out of budgeted

14. funds each year. Income from the sale of property is to be applied against the indebtedness. As of September 30, 1975, the balance was \$786,624.56. The 1974 audit was favorably received and will be published in the 1975 MBC Annual.

## RECOMMENDATIONS

- I. It is recommended that the Cooperative Program goal for 1976 be \$6,000,000 (approved by MBC in 1974); and that \$5,000,000 of the receipts be divided on the basis of 35% for Southern Baptist Convention Causes, 9% for Special Denominational Causes; and 56% for Missouri Baptist Convention Causes, with the understanding that all administrative and promotional costs will be paid out of the Missouri section, and that allocations be as given below.

Receipts above \$5,000,000 up to \$5,850,000 are to be disbursed 22.64% to Southern Baptist Convention Causes, 42.058% to Missouri Baptist Convention Causes (excluding colleges) and 35.294% to Missouri Baptist colleges, as determined by the Executive Board. Distribution above \$5,850,000 will be determined by the Executive Board. (NOTE: 22.64% to SBC Causes represents 35% of excess above \$5,000,000 after \$300,000 has been deducted for the colleges; 42.058% for MBC Causes represents 65% of excess above \$5,000,000 after deduction for the colleges.)

Receipts above \$416,667 per month will be distributed June 30 and December 31. Distribution above \$5,850,000 will be determined by the Executive Board.

**WE FURTHER RECOMMEND:**

- II. That the \$1,400,000 in the 1976 budget for Christian Education be distributed with a base allocation of: William Jewell College - \$300,000; Southwest Baptist College - \$300,000; Missouri Baptist College - \$300,000; Hannibal-LaGrange College - \$200,000 and that the remaining \$300,000 be divided equally between William Jewell and Southwest Baptist College, and in the event that the full budget of \$5,850,000 is not reached, that all the colleges will share the loss proportionately based upon percentage of their total expected annual allocation, which is 32.14% for William Jewell College, 32.14% for Southwest Baptist College, 21.43% for Missouri Baptist College and 14.29% for Hannibal-LaGrange College.
- III. That the Executive Board and the Administrative Committee be authorized to adjust the budget as needed to meet first obligation requirements.
- IV. That the Missouri Baptist Children's Home and Home for Aged Baptists be given the privilege of receiving a Thanksgiving Offering in 1976 to supplement the Cooperative Program gifts, to be divided equally.
- V. That the proposed 1976 State Mission Offering goal be \$300,000 and that it be a supplement to the Budget. (See item 83 for substitute motion approved by the Convention.)
- VI. That we set a goal of \$350,000 for the Home Mission Offering in 1976.
- VII. That we set a goal of \$850,000 for the Foreign Mission Offering in 1976.
- VIII. That the 1979 Convention be held in Columbia, with First Baptist Church as host and that an auditorium be rented; and that the 1980 Convention be held in Joplin, with First Baptist Church as host and that an auditorium be rented. (Meeting places for 1976, 1977 and 1978 have been approved by the Convention.)
- IX. That the Executive Board budget by divisions and departments be approved.

### STRUCTURE AND REORGANIZATION COMMITTEE REPORT

to the Missouri Baptist Convention Meeting in Cape Girardeau, Missouri,  
October 27-29, 1975

#### INTRODUCTION

At its annual meeting in 1974, the Missouri Baptist Convention directed the Structure and Reorganization Committee to "present to the 1975 annual meeting a revision of Bylaws of the Missouri Baptist Convention harmonized with the proposed Constitution and to report to the 1975 Convention on the progress of the implementation of the policies and procedures defined in Bylaw IV and the Business and Financial Plan" In addition, the following motions were referred to the Committee:

1. Attendance at meetings by "Word and Way" editor. Items 43 and 137, pp 48 and 70, of 1974 Annual: "That the Editor or a reporter of the "Word and Way" shall be expected to attend and to report on all meetings of the Missouri Baptist Executive Board in order to fairly and accurately report to the Baptists of the Missouri Baptist Convention business that so vitally concerns them. Further, inasmuch as possible visitors shall be permitted to attend Missouri Baptist Executive Board meetings without invitation from the Executive Board." (Presented by Bill Wehmeyer, Portageville.)

See proposed Bylaws, Article IX.5d for the Committee's handling of this matter.

2. Evangelism as a separate division of Executive Board. Items 39 and 130, pp. 48 and 69, of 1974 Annual — "That the Convention request the Committee on Structure and Reorganization to review the division structure under the Executive Board with a view toward making Evangelism a separate and distinct division." (Presented by Max Morris, Kansas City.)

The Committee considered this matter but continues to favor the present structure except for renaming the "Missions and Evangelism Development Committee" as the Evangelism and Missions Development Committee.

3. Information with respect to separate board for the "Word and Way." Mr. O. K. Armstrong, Republic, withdrew his motion to strike subparagraph (4) of paragraph 2 (a) of Article IV of the Bylaws dealing with the Communications Committee after receiving assurance from the Structure and Reorganization Committee chairman that the Committee would receive information from individuals regarding the possibility of a separate board for the "Word and Way." The Convention adopted Article IV.2(a)(H) of the Bylaws.

The Committee reviewed the structure respecting the "Word and Way" and continues to favor the present structure.

The Committee also reviewed the constitutional changes and other parts of its report submitted to the Convention in 1974 with the goal of correcting any mechanical errors in the report and incorporating any changes needed resulting from its work in 1975.

The Structure and Reorganization Committee now makes the following recommendations:

**RECOMMENDATION 1** — On changes to Constitution proposed in the Committee's 1974 Report and printed in the 1974 Annual, pp. 110-113.

A. Amend Article III — Time and Place of Meeting

New wording:

The Convention shall meet annually during October at such time and place as the Convention or, in case of emergency, the Executive Board may decide.

Wording proposed in 1974:

"The Convention shall meet annually during the week after the fourth Sunday in October at such time and place as the Convention or, in case of emergency, the Executive Board may decide."

**B. Amend Article VII — Duties of Officers**

Add a new section, which reads:

Section 6. The president and the first vice-president shall serve as ex officio members, with vote, of the Executive Board and as ex officio members, with voice but without vote, of each Convention committee and of each committee of the Executive Board. These officers shall not serve on the Convention Nominating Committee.

**C. Amend Article VIII — Executive Board**

Add Section 2.a the following clause at the end of the first sentence:

"plus not fewer than one member from the State of Iowa while Iowa churches are affiliated with this Convention."

**D. Amend Article VIII — Executive Board**

1. Substitute the following for the first sentence of Section 2.b:

"Board members shall be elected to three year terms, approximately one third of the members from each area being elected each year," and strike the words "one third each year."

2. Add to Section 2.b a new sentence that reads:

"Only one person from an affiliated church may serve at a given time on the Board."

The revised section would then read:

"Board members shall be elected to three year terms, approximately one third of the members from each area being elected each year. All terms shall expire as scheduled. Any person elected to fill a vacancy for one year may have two succeeding three year terms. Only one person from an affiliated church may serve at a given time on the Board."

Wording proposed in 1974:

"Board members shall be elected to three year terms, one third each year. All terms shall expire as scheduled. Any person elected to fill a vacancy for one year may have two succeeding three year terms."

**E. Amend Article VIII — Executive Board**

Add to Section 2 three new subsections which read:

c. The Board shall declare vacant any position from which a member has been absent for two consecutive regular meetings of the full Board without an acceptable reason formally submitted to the Board chairman.

d. If a vacancy on the Board occurs between annual meetings of the Convention, the chairman of the Board shall promptly notify the chairman of the Convention Nominating Committee, and the Nominating Committee shall, within sixty days, from the list for that area offered by the last committee, fill the position until the next annual meeting of the Convention.

e. No salaried employee of the Board or of any agency to which the Convention makes direct appropriations, and no wife or husband of such employee, shall be eligible for membership on the Board during the period of employment.

**F. Amend Article X — Committees**

Substitute the following for Section 2:

Section 2. The Nominating Committee shall consist of twenty-four members, serving terms of three years each, eight of whom shall be nominated by the president in consultation with other Convention officers and elected by the

Convention at each annual meeting. Two members — one an ordained minister and one a lay person — from each of the twelve geographical areas shall make up the committee. This committee shall nominate persons to serve on the Executive Board, on the governing board of each agency, and on each commission. The area representatives on the Nominating Committee shall be responsible for inviting nominations from the churches for the Executive Board.

1974 Report Wording:

"The Nominating Committee shall consist of twenty-four members, nominated by the president in consultation with other Convention officers and elected by the Convention. Two members — one an ordained minister and one a lay person — from each of the twelve geographical areas shall make up the committee. This committee shall nominate persons to serve on the Executive Board, on the governing board of each agency, and on each commission. The area representatives on the Nominating Committee are responsible for inviting nominations from the churches for the Executive Board."

Section 3. The Convention shall have such other committees as authorized by the Bylaws.

**RECOMMENDATION 2** — That the Bylaws of the Missouri Baptist Convention as published in the 1974 Annual, pages 26-31, be repealed and new Bylaws be adopted, as follows:

## **BYLAWS OF THE MISSOURI BAPTIST CONVENTION**

### **I. Preparation for Annual Meeting**

1. The time, the place (city), and the site of a particular annual meeting shall be set by the Convention four years in advance, on recommendation of the Executive Board after due consideration of available facilities and other factors.

2. In the event that unforeseen circumstances make it impossible or impractical to hold an annual meeting as scheduled, the Executive Board and the Convention officers, after consultation with the Committee on Local Arrangements, shall have power to determine its time and place, provided that an official notice of any change, signed by the Convention president and the Executive Board chairman, shall be mailed to each cooperating church at least thirty days prior to the first day of the rescheduled annual meeting. The notice shall be promptly and prominently carried in the Convention's paper.

3. The Executive Board shall cause to be published in the Convention's paper at least thirty days prior to a regularly scheduled annual meeting the text of each of its recommendations, provided, however, that it may cause to be published in a Convention bulletin, not later than the day of the Executive Board's report, any recommendation necessitated by any emergency.

4. The Executive Board, assisted by its administrative personnel, shall make available to messengers at the time they register, at nominal cost, a copy of Book of Reports containing the annual report of each Convention board, commission, agency, standing or special committee, or division or department of work required to have its report in printed form prior to the Convention's opening session.

5. Supervision of exhibits and displays incident to the annual meeting shall be the responsibility of the Executive Board, assisted by the executive director and staff.

### **II. Enrollment of Messengers**

1. The recording secretary, assisted by the executive director and the Committee on Enrollment, shall arrange for enrolling messengers before and during the annual meeting. Each messenger shall present approved creden-

tials before he is enrolled as a messenger. If a question about a messenger's credentials arises, it shall be referred to the Credentials Committee, appointed by the president, for study and report or recommendation to the Convention for action. All duly enrolled messengers shall constitute the Convention. Each messenger shall have all rights and privileges granted by the Convention Constitution, Bylaws, and parliamentary authority.

### III. Conduct of Annual Meeting

1. Each session shall be opened with a devotional exercise and a prayer.

2. The Committee on Order of Business shall present at the first session an agenda for the annual meeting. The agenda shall provide ample time for the promotion of the Convention's objects. The agenda shall also provide time for miscellaneous business introduced by messengers. The Committee on Order of Business shall set the time for special orders.

3. The presidential address shall be scheduled for the first session and the annual sermon for the second session.

4. The names of persons appointed to the Committee on Convention Committees and the Tellers Committee shall be announced at the first session. At the second session the Committee on Convention Committees shall nominate persons to serve on the Committee on Convention Preacher and on the Committee on Resolutions. These committees shall make recommendations at scheduled times during the annual meeting. On the final day the Committee on Convention Committees shall nominate persons to serve on committees that report at the next annual meeting: Committee on Continuing Review, Committee on Enrollment, Committee on Local Arrangements, Committee on Obituaries, Committee on Order of Business and Committee on Religious Literature and Publications. Messengers shall have liberty to nominate persons after the Committee on Convention Committees' nominations. If there are no nominations from the floor, the Convention shall act on the Committee's nominees by motion; there shall be a ballot on any contested position.

5. Any motion or resolution introduced as miscellaneous business shall be presented to the Convention in proper written form not later than the day before the final session. Each original motion presented as miscellaneous business shall be duplicated or visually projected as information to messengers before it can be debated. Each resolution shall be referred to the Committee on Resolutions for review and revision, and this committee shall make a report on each properly introduced resolution not later than the last day of the annual meeting. The text of a constitutional amendment proposed for action at the following annual meeting may be presented at any miscellaneous business session. The Committee on Continuing Review may publicize a proposed amendment to Missouri Bylaws or the Business and Financial Plan at least thirty days prior to the annual meeting and such amendment shall be printed in the first day bulletin of the Convention, but any amendment to these Bylaws or the Business and Financial Plan proposed by a messenger shall be introduced as miscellaneous business not later than the day preceding the final day of the annual meeting.

6. The Convention shall elect Executive Board members not later than the day preceding the final day of the annual meeting in order to facilitate the organization of the new Board.

7. Election of officers shall be by ballot; provided, however, that, if there is only one nomination to a particular office, the Convention may designate the recording secretary or someone else to cast the Convention's unanimous ballot. There may be only one nominating speech, not to exceed three minutes, for each nominee. The president shall be elected not later than the first full day of the annual meeting, provided, however, that a runoff may be held the following day. The first vice-president, the second vice-president, the recording secretary, and the parliamentarian shall be elected on the final day of the meeting. Officers shall serve from the end of one annual meeting through the next annual meeting.

8. No personal appeal for funds shall be made at any session. No collection shall be taken for any cause at any session except by a special order approved by an affirmative vote of two thirds of all messengers voting.

#### **IV. Parliamentary Authority**

1. The parliamentary authority of the Convention shall be "*Robert's Rules of Order*" (latest edition), but this authority shall not supersede any provision of the Convention Constitution, the Bylaws, and the Business and Financial Plan.

#### **V. Follow-up of the Convention**

1. Within thirty days following the annual meeting, the recording secretary responsible for recording the minutes of the meeting shall, by mail, notify each person whom the Convention elected to a board, a commission, or a committee; and he shall also mail to any board, agency, or commission a copy of any motion affecting it, adopted or referred by the Convention with or without instructions. The executive director shall provide such assistance as the recording secretary may request.

#### **VI. Standing and Special Committees**

1. Each Convention standing committee shall consist of three members unless otherwise specified.

2. The Convention standing committees that report at the annual meeting at which elected are the Committee on Convention Preacher and the Committee on Resolutions. These committees shall report not later than the last day of the annual meeting. The Committee on Convention preacher shall recommend the preacher of the annual sermon at the next annual meeting. The Committee on Resolutions shall draft such resolutions as it determined to be appropriate and shall also report, with or without recommendation, on all resolutions introduced by messengers and referred to it. The reports of these committees are subject to the Convention's revision or approval.

3. The Convention standing committees that shall prepare for or report at the annual meeting following their creation are the Committee on Continuing Review, the Committee on Enrollment, the Committee on Local Arrangements, the Committee on Obituaries, and the Committee on Religious Literature and Publications.

4. The Committee on Order of Business shall consist of three members, each member serving a three-year term. The Committee on Convention Committees shall nominate one person at each annual meeting. Any vacancy occurring between annual meetings shall be filled by the Convention president in consultation with other Convention officers. If the vacancy is for a term extending beyond the next annual meeting, the president's appointment shall be temporary and the Committee on Convention Committees shall nominate a person to fill the vacancy.

5. The Committee on Continuing Review shall consist of six members originally, two of whom shall be elected for three years, two for two years, and two for one year, and thereafter two of whom shall be elected each year. This committee shall review Convention operations and shall recommend, for Convention action, such revisions of the Constitution, Bylaws, or Business and Financial Plan as it determines to be necessary.

6. The Convention may create such special committees as it considers to be wise, fix the number of members and the duration of each special committee's life, and define its assignment.

#### **VII. Boards and Agencies of the Convention**

1. The Convention unit with ad interim powers between annual meetings is

the Executive Board, consisting of persons as provided in the Constitution.

2. The agencies and the commissions of the Convention are:

a. Education Agencies: Hannibal-LaGrange College, Hannibal; Missouri Baptist College, Creve Coeur in St. Louis County; Southwest Baptist College, Bolivar; and William Jewell College, Liberty.

b. Benevolent Agencies; Baptist Memorial Hospital, Kansas City; Home for Aged Baptists, Ironton; and Missouri Baptist Children's Home, Bridgeton in St. Louis County.

c. Commissions: Christian Life Commission and Missouri Baptist Historical Commission.

d. Other: Missouri Baptist Foundation, Jefferson City.

3. a. Anyone serving on any of the boards of agencies listed above shall be eligible for nomination to a second term. An unexpired term shall be considered a whole term unless otherwise defined by the Constitution or a board's charter. After serving two consecutive terms on an agency's board, one shall be ineligible for reelection to the same board for twelve months unless the agency's charter permits more than two consecutive terms.

b. If a vacancy occurs on any Convention board, the board chairman shall advise the chairman of the Convention Nominating Committee. This committee shall nominate a person for election as provided in the board charter, provided, however, that the Convention shall fill the position if any unexpired term extends beyond the next annual meeting.

4. No one may serve simultaneously on two or more of the boards of agencies listed in Article VII, subparagraph 2, under the same classification, and membership on no agency board listed above, except the Missouri Baptist Foundation, shall cause a person to be ineligible for simultaneous service on the Convention Executive Board. No person who serves on the board of an educational or a benevolent agency shall serve on the Inter-Agency Relations Committee of the Executive Board.

5. No person shall serve on the governing board of any Convention agency if he is an employee, full time or part time, of any agency listed in Article VII, subparagraph 2. When a member of any governing board becomes such an employee, the member shall resign from the board and inform the chairman of the Convention Nominating Committee; and the vacancy shall be filled in accordance with established Convention procedure.

6. Each agency may adopt its own bylaws, provided that the bylaws are consistent with the Convention Constitution, Bylaws, and Business and Financial Plan and with all applicable federal and state laws. An agency shall deposit with the executive director of the Executive Board a copy of its bylaws or each amendment thereto, and all bylaws shall be open to any affiliated Missouri Baptist upon reasonable request.

## VIII. Representation on Convention Committees, Boards, and Commissions

1. Each Convention committee, governing board of any agency, and commission shall include ministers and lay persons as members. Not more than two thirds of any group's members shall be from either category within three years following the adoption of these Bylaws in 1975.

2. No person who has resigned from one agency's board before the expiration of the term to which elected shall be eligible for nomination or election to the same or any other board until his term has expired.

## IX. Executive Board

(See Convention Bylaws, Article IV, 1-4, as adopted in 1974 and printed in 1974 Annual, pp. 28-31.)

5. General Policies

a. The Executive Board shall meet not fewer than four times each year, but as often as need requires.

b. A majority shall constitute the quorum for the Executive Board and for each committee thereof.

c. The board president, the secretary and the administrative officer of each agency shall be provided with a copy of Executive Board minutes or minutes of any Board committee that may be informative to the particular agency.

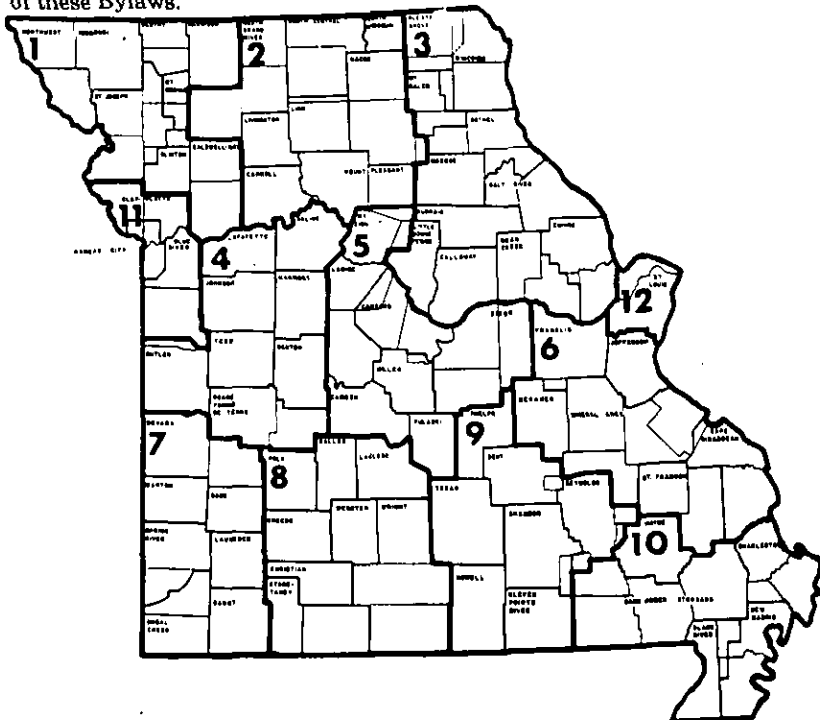

d. Except for executive sessions called by the chairman to handle sensitive matters, such as but not limited to purchase or sale of property or personnel matters, all meetings of the Board and its committees shall be open to all Missouri Baptists; and the editor or the reporter of the "Word and Way" shall be free to attend open meetings and to report on proceedings. The Board or a committee may submit a report to Missouri Baptists through the "Word and Way," but such a report shall not prevent news reporting or editorial comment by personnel of the "Word and Way."

## X. Adoption of Reports, Motions, Recommendations, and Resolutions

1. The adoption by the Convention of a report of any agency shall not bind the Convention; but the adoption of any motion or recommendation, as amended, shall be regarded as an expression of the Convention's will and therefore binding on any party or parties specified or implied therein until further action by the Convention. The adoption of any resolution shall be viewed as an expression of the Convention's sentiment and may serve as guidance, but not instruction, to Convention agencies and as information to churches, associations, and individual Missouri Baptists until such time as the Convention, in a subsequent annual meeting, adopts another resolution on the subject.

## XI. Areas

1. The areas of the state mentioned in Articles VIII and X of the Constitution are as set forth on the map attached hereto and hereby constitute a part of these Bylaws.

## XII. Amending Bylaws

1. These Bylaws may be altered by two thirds of the messengers voting at any annual meeting.

**RECOMMENDATION 3** — That Item 4 of the Business and Financial Plan be amended by changing the reference to a weekly distribution of State Cooperative Program Budget receipts to a monthly distribution.

The revised Item 4 would then read as follows:

### 4. Distribution of Funds

The Executive Board shall be the disbursing agency of the Convention. The Southern Baptist Convention portion of the Cooperative Program Budget Goal received shall be remitted monthly within ten workdays after the end of the month. These funds shall be considered as trust funds belonging to the Southern Baptist Convention.

The State Convention Cooperative Program Allocations Budget receipts — see 2.a. (2) — shall be distributed according to the allocations voted by the Convention. Distribution shall be made monthly on a percentage basis proportionate to the amounts allocated until the approved budgets are met.

All designated funds received shall be distributed monthly within ten workdays after the end of the month. All such funds shall be considered as trust funds for the causes designated.

## MBC NOMINATING COMMITTEE RULES AND PROCEDURES

In order to do their work in an orderly and fair manner, the nominating committee shall --

1. Obtain from the Executive Director's Office a list of vacancies on each governing board and commission on which the committee is to make a nomination.
2. Obtain from the chief administrator of each institution confirmation of each vacancy and request communication about any changes that may occur during the time of the committee's work.
3. Be free to consult with the chief administrator of each institution and/or chairman of each governing board concerning the particular needs which the committee should seek to meet as it recommends individuals to fill each vacancy.
4. Inform Missouri Baptists through the *Word and Way* about the procedure they may follow in recommending person(s) for the committee's consideration and ask anyone making a suggestion to provide information which the committee needs (name of person recommended, address, church membership, activity in the church and/or association, occupational or professional credentials, board or commission for which suggested, reason for thinking that the recommended person would serve well in this capacity, etc.).
5. Prepare a biographical data form to be completed by each person nominated and, upon this person's election by the convention, deliver the completed form to the Executive Director for filing in Convention records.
6. Give equal consideration to all recommendations made to the nominating committee. Persons nominated shall have special experience or expertise which he or she can bring to the board or commission to which nominated.

### THE COMMITTEE ON RESOLUTIONS Offers the following courtesy resolutions

#### BE IT RESOLVED THAT:

1. We express our grateful appreciation to the Cape Girardeau Baptist Association with all of its devoted leadership, to the First Baptist Church with its pastor, Dr. W. T. Holland and staff, to Southeast Missouri State College, to Central Methodist Church and the gracious city of Cape Girardeau.

2. That we express gratitude to the officers of the 141st Missouri Baptist Convention, Dr. G. Hugh Wamble, President; Dr. James Sells, 1st Vice President; Mr. Bennie Campbell, 2nd Vice President; and Recording Secretary, Rev. Carl Swiney.

3. That we express our grateful appreciation to members of all convention committees of the 141st meeting of the Convention.

4. That we express gratitude for the blessing of Dr. D. David Garland, for his sharing of Biblical insights and inspiration.

5. That we of the Missouri Baptist Convention are indebted to Dr. Porter Routh for his inspirational report of our mission projections through the Cooperative Program.

6. That we commend the members of the Structure and Reorganization Committee, under the dedicated leadership of Gerald Sprong, for their diligent efforts and contribution to the on-going welfare of the Missouri Baptist Convention.

#### Participation in Government Affairs

Whereas, the liberties, both civil and religious, are perishable in the political arena;

Whereas, the forces of evil attempt to divert the attention of righteous people from the political arena;

Whereas, the commission of God's people is to be a saving influence in an evil world;

Be It Resolved, that this Convention endorse the participation of its individual persons who are members of churches, affiliated with this Convention, in the political sub-divisions of our nation at all levels.

Prepared by Resolutions Committee in lieu of several resolutions pertaining to involvement in political activities.

#### Smoking in Public Places

Whereas, the Surgeon General of the United States and others have reported that nonsmokers who inhale stagnant fumes from tobacco smoke in enclosed facilities are subject to higher risks of cancer and respiratory problems than persons who are not subject to such fumes; and

Whereas, many units of government have enacted or are considering laws or ordinances to require facilities serving the public to provide some protection for nonsmokers;

Be It Therefore Resolved, that we, messengers to the 141st annual meeting of the Missouri Baptist Convention, October 29, 1975, go on record in favor of equitable laws, ordinances, and regulations which provide the non-smoking public some protection against the dangers of tobacco smoke in public places; and

Be It Further Resolved, that we request the Christian Life Commission to represent the Convention's position before public officials dealing with this subject and that we encourage members of churches in local communities to support efforts on the local, state, and federal level to reduce the ill effects of tobacco smoking on nonsmokers.

## Confidential Communications Between Ministers and Church Members

Whereas, ministers in the State of Missouri, while acting in their official capacity as ministers, are often given confidential information which parishioners expect will not be divulged to or shared with any other person(s); and

Whereas Missouri Law, Section 491.460, regarding ministers who are not permitted to testify are rather vague, ambiguous and seemingly slanted favorably toward priests; and

Whereas, ministers do not share the complete freedom regarding confidentiality as does an attorney in the lawyer/client relationship - even though the United States First Amendment guarantees a free exercise of religion without governmental interference; and

Whereas, the ambiguity of Missouri's present law regarding ministers may cause some minister(s) a great deal of emotional, mental, and spiritual anguish, and legal fees in defending themselves from badgering by attorneys or public officials who may demand that ministers divulge information given in pastor/parishioner relationships.

Be It Therefore Resolved, that the Missouri Baptist Convention go on record as favoring legislation to protect the rights of confidentiality for every minister of any church, sect or denomination of religion whatever; and

Be It Further Resolved, that this Convention instruct the appropriate officers and/or committees to work to accomplish the objectives here stated.

*(Presented by Thomas E. Burgdorf, Kansas City).*

*(Referred to Christian Life Commission)*

## Homosexuality

Whereas, American society is presently vigorously and persistently urged to accept homosexuality as an alternative to traditionally accepted family life; and

Whereas, scripture clearly and vividly rejects such an alternate life style as unacceptable in that it debases mankind, violates God's command and purpose for man and would destroy society;

Therefore, Be It Resolved, that messengers to the 141st meeting of the Missouri Baptist Convention reaffirm our reliance upon Holy Scripture in rejecting homosexuality as a valid life style;

That we affirm our love and concern for persons addicted to this abhorrent behavior and our desire to assist them in a rejection of this pattern of life and a return to the life and relationships ordained of God.

## ANNUITY AND INSURANCE PLANS

J. W. FISHER, Director  
Mrs. Ruth Scott, Office Secretary

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about \$15-½ million in retirement and other protection benefits to these annuitants. In the Board's 57-year history, it has paid a total of over \$125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees - which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record \$353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to \$21 million.

Gains in other investments reduced the net loss to \$11.3 million, or three percent based on average investments. All investment funds, whether church-related or having other connections, suffered from the stock market decline.

As the stock market began to recover in early 1975, the losses also began to be recovered, Board President Darold H. Morgan said.

In December, 1974, the Board issued a 13th check to annuitants. It amounted to more than \$675,000 and was equal to one month's benefits. It is called a 13th Check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through J. W. Fisher, Director of Annuity and Insurance, Missouri Baptist Convention, 400 E. High Street, Jefferson City, MO 65101.

## BUSINESS SERVICES DIVISION

ROGER W. HALL, Director  
Mrs. Karen Buffington, Office Secretary

The Business Services Division is charged with the responsibilities of maintaining the accounting records of the Executive Board of the Missouri Baptist Convention, serving as purchasing agent for all departments, managing all Baptist Building physical properties, supervising the printing and office services operations, coordinating the business operations of Windermere Baptist Assembly, administering the church bond and loan program and compiling research and statistical data relating to the Missouri Baptist Convention. In order to complete these assigned tasks there are presently six departments: Accounting, Missouri Baptist Press, Annuity & Insurance, Windermere Baptist Assembly (business matters), Church Planning, Building & Finance Services and Building Fund, and Research & Statistics.

During 1975, the new Business Services Division has established several objectives including those designed to improve the fiscal control and accountability for Missouri Baptist Convention funds. Particular effort has been devoted to the implementation of the Business and Financial Plan of the Structure and Reorganization Committee. This includes additional attention to the preparation of and compliance with the budget, distribution of funds to Convention agencies, improving of the accounting system, and insuring that adequate reporting of the financial position and results of operations are provided for Missouri Baptists.

This has been a year of progress in the Business Services Division because of the efforts of many dedicated people. The staff looks forward to 1976 as a year in which we can be of even more "service" to Baptist work in Missouri.

## EXHIBIT VIII

# CHURCH PLANNING, BUILDING AND FINANCE SERVICES

ELWOOD G. KELLEY, Director  
Miss Bobbie Lou Reid, Bookkeeper/Office Secretary

In the midst of so much news about various bond programs and questions about the Missouri Baptist Convention plan, I think it well to report to Missouri Baptists regarding your bond program. It is your program.

The Missouri Baptist bond plan is a type of "do it yourself" program which is providing a spiritual blessing, as well as financial, to participating churches. The plan is drawn up with the church in mind. The bonds pay individual investors as good a rate of interest as is available to the average investor. It goes up to nine percent. It saves the church considerable interest in most cases, having an over-all interest rate of 8.506%.

One of the greatest assets is the unity of the church in the program. As one of your Missouri Baptist missionaries, my responsibility is to assist the churches in setting up and operating the program. Please Note: All money is handled by the church at all times. This policy forestalls possible embarrassment in several ways.

The Missouri Baptist Convention assists in selling your bonds to established customers. The Convention Planning, Building and Finance Division assists in the resale of bonds for hardship cases, all at no fee charge.

The participating churches contribute to the Guaranty Fund, which now is over the half million dollar mark. Some of the money is held in short term government investments for quick liquidation in the event of any church default. It makes Missouri Baptist Convention bonds a safe investment. We can use only the interest on this fund which goes to the general convention fund. A special brochure is given every investor and is available to any interested party. The Guaranty Fund is protection for those who buy your church bonds. In the event of default of a bond by a church, the Convention through the Guaranty Fund will pay the principal and interest due or exchange an equivalent bond to the limit of the Guaranty Fund.

Among the additional benefits, it offers to the investors a place to put their money that it might do a good work for the Lord, as well as earn them good interest. It means the Missouri Baptist Convention is sharing with your church in its working a building finance program.

As to church planning and building this department works closely with the Church Architecture Department of the Southern Baptist Convention. We realize that a building is not an end in itself but a means to an end, namely, a ministry of teaching and outreach for the saving of souls and enlistment of life in our Lord's work.

We seek to provide a plot plan where needed so that churches may build as need arises and each unit will be a designed part of the whole. Plot plans and designs are made with the next 20 to 30 years in mind. This service, also, is available without cost to any of our Missouri Baptist Churches.

This division of work is more than self-supporting. The earnings from the Bond Service section of this department will be larger each year by virtue of the increase in the Guaranty Fund. These earnings go into the convention operating fund which means this service does not require Cooperative Program money.

Further details are available and a visit to your church awaits your asking. Feel free to inquire as a prospective investor or as a church needing building space, remodeling or financing.

## EXHIBIT IX

# EVANGELISM

JOHN A. CRUTCHFIELD, Director

Mrs. Eudroa Troyer, Secretary

In 1974 we baptized 18,624. Our report for 1975 is not completed as yet, but we feel like 1976 is going to be one of the great years in our convention. We have already heard from 74 associations (at the time of the writing of this report) that either have voted or will be definitely considering going into the Proclamation '76 Simultaneous Revivals. We have reason to believe the figure will be almost 100% by the time of the revivals in the year 1976. There is no definite date set as far as the state is concerned. Each association chooses the time for its own Simultaneous Crusade. We feel like this is going to be a great help in the number of persons reached for the glory of Christ. We have available a manual to suggest committees and work of those committees for every association that is preparing for the crusade. If, for any reason, the Director of Evangelism or the Director of Missions for your association does not have a copy of this manual we will be happy to supply the same for them.

We are putting stress upon the idea of having special emphasis on New Year's Eve when there will be a prayer service for the Proclamation '76 Revivals. We are also promoting a "Round the Clock Prayer Service" for the entire year of 1976. Each association is asked to take several periods of time during the year. No association will have more than five 24 hour periods to carry out. Some of the associations will only have four. The response to this has been most gratifying and we feel it will be fully implemented by the first of the year.

The three National Baptist Conventions and the Missouri Baptist Convention will have a joint Evangelism Conference in St. Louis, January 12-14, 1976. We feel this is going to be a great way to challenge all of our Baptist people to join together to reach unsaved people during the year 1976.

We are having four Bicentennial Evangelistic Rallies. These rallies will give proper recognition to our historical heritage as well as an opportunity for persons to accept Christ as Lord and Savior. The four rallies are to be at:

Cape Girardeau, Missouri - June 26, 1976

Joplin, Missouri - July 2, 1976

Liberty, Missouri - July 3, 1976

St. Louis, Missouri - July 5, 1976

We have three major areas of concern for 1976:

1. That we call our nation to God
2. That we call our nation to revival
3. That we give every unsaved person an opportunity to have a personal invitation to accept Christ as Lord and Savior

We covet the prayers of everyone in keeping with the celebration of our bicentennial and in keeping with the major thrust of Evangelism in 1976.

Dr. Frank Myers, former pastor of the First Baptist Church of Warrensburg, has joined the staff as Director of Promotion and Endowment Giving. The Foundation is now able to give a speedier response to requests for personal conferences.

One of the most pressing needs in Missouri Baptist life is increased endowment funds for the four colleges. This may be accomplished through use of certain life income agreements. The Missouri Baptist Foundation stands ready to confer with anyone who has an interest in seeking to undergird any institution or cause in our Baptist life.

The Foundation is dependent on the good will of Associational Directors and pastors who work in close contact with the people in Missouri. Gratitude is expressed to these men who have often spoken words of encouragement.

The Missouri Baptist Foundation staff will gladly work with anyone who wishes to remember in some way any portion of our Baptist work. This is true if the beneficiary of a gift is to be a church, district association, state convention cause or institution, or Southern Baptist cause or institution.

For personal conferences write Dr. Thomas W. Nelson, Executive Secretary, Missouri Baptist Foundation, Baptist Building, Jefferson City, Missouri, 65101, or call (314)635-7931.

**EXHIBIT XI****MISSOURI BAPTIST PRESS**

J. R. HERIFORD, Manager  
 Mrs. Marlene Brenneke, Office Secretary

Missouri Baptist Press has in the past year completed 1,200 printing jobs for the convention, our churches, associations and other related organizations; 204 of these were minutes produced for associations. This does not include the supplies furnished to churches etc. that are not printed. Printing and supplies for the convention offices for the past year totaled \$57,000.00. The balance of approximately \$145,000 income was received from associations, churches and related organizations.

We have eleven full time workers and part time workers are called in as the work load increases.

We use approximately 120 tons of paper per year and about one ton of ink.

Some improvement has been made in the plant this year and there are plans for improving and adding new equipment in the near future. This should increase our efficiency as well as the quality and quantity of our work. Our employees are all dedicated people who work hard to keep the work moving even though other plants pay a higher wage.

We request your prayers for our work as we try to serve the churches and plan for the future.

### **OFFICE OF PROGRAM COORDINATOR**

**WEBSTER C. BROWN**, Program Coordinator

Mrs. Irene Blix, Secretary

Mrs. Nona Wagner, Office Secretary

The Program Coordinator has the responsibility of being a liaison between the Southern Baptist Convention agencies and institutions, and the institutions and agencies of the Missouri Baptist Convention. The Coordinator also has the responsibility of working with the associations attempting to correlate their work with that of the state's. Examples of this is working out the Co-operative Agreement with the Home Mission Board and the Coordinated Promotion Planning and Inter-agency Council representatives. In both instances, the Southern Baptist Convention, the Missouri Baptist Convention, and the association is involved in these programs and the work must be coordinated.

In addition to these responsibilities, the Coordinator has the assignment as Director of the Missions and Evangelism Development Division, and the assignment of State Director of Missions and Associational Administration.

State Missions is so diversified that it is difficult to express its magnitude in a brief paragraph. Some of the activities that you may be least aware of is our new *Christian Social Ministries* begun in Kansas City, Missouri, and soon to begin in St. Joseph and St. Louis. We have resort ministries around Table Rock Lake, Silver Dollar City, Osage Pommé de Terre, Lake of the Ozarks, Big Lake, Meramec, and in other areas of the state. We have a state-employed hospital chaplain and visitor at the Ellis Fischel Hospital and on call at the Medical Center and Boone County Regional Hospital. We have a state-employed worker with military personnel located at Fort Leonard Wood, Missouri. We contribute toward the weekday program in the Kansas City Baptist Association, with most of the work being done at the Tabernacle Baptist Church. This includes such activities as day care centers, well baby clinics, domestic classes, work with the elderly and with youth. We contribute toward work in the Inner City in St. Louis through the St. Louis Baptist Association, done primarily in connection with the LaSalle Baptist Church. Many of their programs are similar to the above stated ministries performed at the Tabernacle Church. We are now participating in a work with the Deaf in St. Louis, and hope to expand the work in Language Missions by the employment of a Language Catalyst Missionary that would start a state-wide program for the deaf and work with other language groups.

Miss Marita Glover, Materials Consultant/Secretary

The Cooperative Program theme for 1975 is "OPERATION ONE-DECLARATION OF COOPERATION." Operation One is a program emphasis designed to lead members of every Southern Baptist Church to become more aware of the mission needs of the world and to respond to them in a positive

way. It is a challenge to churches to reflect their response through greater involvement in mission giving through the Cooperative Program and the Associational Missions budget.

During this emphasis every church is being challenged to increase its giving through the Cooperative Program by at least 1% of the total church budget income and to increase associational missions giving in keeping with the needs of the association.

In 1974 Missouri Baptists exceeded their Cooperative Program Budget Goal of \$5,000,000 by giving \$5,298,779.08 with 50% of the overage going to our Missouri Baptist Colleges. The 1975 goal is \$5,400,000.

On Cooperative Program 50th Anniversary Sunday, April 20, 1975, Missouri Baptists were called upon to solidify their greater confidence in the Cooperative Program through the signing of the Declaration of Cooperation, which 124,747 Missouri Baptists signed.

The theme for 1976 emphasis is "DECISION '76: CHRISTIAN STEWARDS DECIDING FOR TOMORROW." You may contact the office of Stewardship Promotion for budget materials promoting this theme. Lets make 1976—and all the years ahead—a time of celebration through our faithfulness in Christian stewardship.

### BROTHERHOOD DEPARTMENT

JIMMIE L. GRESHAM, Director  
Mrs. Judy Brown, Office Secretary

Missionary activity is the basic reason for the Brotherhood Department in the Missouri Baptist Convention.

Our goals are to cultivate in men and boys a Christlike concern for all people, and to lead men to participate in all efforts to enlarge the fellowship of the Christian faith.

How is this done?

Believing that it is better to build boys than to mend men, the Brotherhood Department promotes the Royal Ambassadors. RA's are divided into two groups - the Crusaders in grades 1-6 and the Pioneers in grades 7-12.

Sports, camping activities and other social activities that boys enjoy are mixed with study periods and projects that show boys the need of Christ everywhere.

One of the big responsibilities of the department is to be ready at all times to offer assistance to churches trying to start RA programs. The department also sponsors a two-week RA camp at Camp Windermere for boys in grades 4-12 every summer and the State RA Congress for grades 7-12 every Easter weekend.

After a boy works his way through the RA program, he is ready to become an active worker in Baptist Men.

In some churches laymen and pastors see Baptist Men only as a program where men come to eat a meal, listen to a speaker and go home. Churches in Missouri are now being encouraged to use an action-centered approach in Baptist Men's work instead of a meeting-centered approach.

An action-centered approach is bearing fruit.

For example, Baptist Men's work in the local church should provide the leadership and planning which will enable men to be involved in witness and ministry to local nursing homes, city and county jails, hospitals and families in crisis who face such problems as unemployment, loss or damage to home by natural disaster, poverty and sickness or death of a family member.

The men of our churches need to see what great things God can do through them.

# CHURCH LIBRARY MEDIA

HARRY COPELAND, Secretary  
Mrs. Mary Taliaferro, Office Secretary

Library Media Services have been in existence for over one year. Its function has been to serve the staff at the Baptist Building and to help the churches in the establishment and maintenance of library work.

The audio-visual equipment that was formally controlled by each department has been coordinated into one center. This reduces the number of pieces of equipment and gets greater use out of each one. We are building a library of books, papers, reference books, etc.

The library distributes general tracts and the Christian Life tracts for youth and families. The master mailing list for pastors is maintained here too.

The staff is made aware of what other members are doing and the public can know of our activities through information on one or the other of two bulletin boards in the lobby. This information remains for one to two weeks.

For several years there were church libraries in the state that wanted other churches to have libraries and to get further improvement themselves. They worked hard to get recognition that this work was needed. This year at St. Johns Baptist Church, St. Louis, we had the 10th annual Library Convention. The very best of library methods are presented. This meeting should be a must for all library workers.

The area surrounding Springfield, Joplin, Kansas City and St. Louis had opportunities to participate in some very helpful meetings sponsored by TACLO (The Associational Church Library Organization) in these associations. The department at Nashville has been very helpful.

Let us help you in your church with your library or the association with a TACLO.

# CHURCH MUSIC DEPARTMENT

BOB WOOLLEY, Director  
MRS. LINDA BOYD, Associate  
Miss Wanda Simmons, Office Secretary

The 1974-75 Associational Year proved to be one of the best years for the Ministry of Music. Over 51,000 people were recorded as being enrolled in a church choir. This is a gain of over 2,000 from last year. We still have 700 churches who do not report any church music ministry and we encourage these people to register their numbers also on the church letter. Highlights of last year were:

**October:** The Missouri Music Men and Women sang for the State Convention and the Women sang a 30-minute TV program. The Back-to-Choir Retreat for Older Children drew a record attendance of 688. The adults enjoyed a solo seminar led by Festus Robertson of Nashville.

**January:** The Missouri Music Men sang for the Evangelism Conference and recorded an LP Stereo Album with WORD Records, directed by Kurt Kaiser. The name of the album is "Thank You, My Lord."

**February:** Graded Choir Leadership Workshops were conducted by the State Approved Workers in several associations. The Administration Conference gave a big musical boost to associational officers.

**March:** Record numbers were involved in the Solo and Ensemble Festival in Jefferson City. Over 50 Missourians attended PraiSing in Nashville to help launch the Baptist Hymnal-75 Edition.

**April:** Spectro-75 was the outstanding event of the year with over 4,500 present at the RLDS auditorium for a "Musical Night to Remember." The Centurymen and Cynthia Clawson were out of state guests. Fifty-three adult choirs were present with over 1,000 in the combined choirs. The Missouri Music Women were the musical feature at the State WMU Convention. Over 2,000 Older Children Choir members helped to set a new record for festivals for all ages as they met in six cities to dramatize, "Jonah's Tale of a Whale."

**May:** Youth Choir Festivals were held on our Baptist College Campuses. Approved Workers met to learn how to conduct clinics. Approved Music Workers participated in the Special Workers Institute at Windermere to train as conference leaders.

**June:** The Missouri Music Men sang for the Church Music Conference and the Southern Baptist Convention in Miami. The Women sang for the Strawberry Festival in St. Louis.

**July:** Windermere Youth Music Weeks were the biggest and best ever. For the first time in history we had two youth weeks. Don Wright of Fayetteville, Arkansas, and Kurt Kaiser of Waco, Texas, were the guest directors.

**August:** Dr. Warren Angell, Shawnee, Oklahoma, was the guest director of Church Music Week. This was the best attended adult week we have had in many years. Special emphasis on age group choirs has helped the attendance grow each year. The Older Children's Choir Camp set new records as they have now taken over both the Lakeview and Spring Valley camps. A capacity crowd of 250 enjoyed the leadership of Linda Boyd.

**September:** Linda Farmer of Houston, Texas led a musical retreat for state leaders. Let Christ's Freedom Ring through music in 1975-1976!

### **CHURCH RECREATION**

**JIMMIE L. GRESHAM, Consultant**  
**Mrs. Judy Brown, Office Secretary**

Church recreation is to help church members achieve a proper balance of work and play in their daily lives, stressing the importance of the wise use of leisure time.

Our goal is to reach people for Christ who love sports and hobbies and, in so doing, cause them to be enlisted in other church activities where the Good News of Jesus Christ is proclaimed.

Church recreation includes a wide variety of activities, including arts and crafts, physical fitness programs, retreats, softball and basketball teams, leisure programs for senior adults, puppetry, storytelling, camping activities, etc.

The Department of Church Recreation is moving to expand its assistance to churches desiring to use games and activities to reach people.

A number of churches have already realized the value of recreation and have employed ministers of recreation. To assist these churches, the state department is organizing a state fellowship of ministers of recreation for the purpose of fellowship and sharing ideas.

Through our effort we have a part in "Reaching People for Christ through Church Recreation."

# CHURCH TRAINING AND ADMINISTRATION DEPARTMENT

JOHN A. CRUTCHFIELD, Interim Director  
Miss Vera Williams, Office Secretary

There has been considerable change in the personnel of the department this year. Howard L. Meyer went to Bridgeton to be the new Administrator of our Children's Home.

During this past year, the budget and work of the Library Services Department has been completely separated from Church Training and Administration. Mr. Harry Copeland is now serving in a capacity directly related to the Division Director with a separate budget from Church Training and Administration. We commend this fine service that is being rendered to the Church Library and Media Center.

The state Secretaries' Workshop this year registered 119 persons, 74 of these being secretaries from all parts of our state. This has become a very valuable meeting each year for the secretaries of our institutions, churches, and Baptist work. A most excellent program was planned by the officers of the Missouri Baptist Secretaries' Association.

"M" Night was another highlight of this year with a total attendance of 10,244 from 50 associations.

Much of the time of the interim director has been given in seeking to set up projects for the next year and trying to get workers from Nashville in regard to some of these projects. We mention a few of these: February 9-13, there will be a Pastoral Ministries' Workshop at the First Baptist Church, Jefferson City. This is an excellent opportunity for pastors to update themselves on the approach that is being used in carrying out the pastoral ministries of the church. March 26-27, we will have an "Adults Lead the Way" Seminar at Windermere. This promises to be a very effective and wonderful way to get Adult Leadership inspired to make "Church: The Sunday Night Place" a reality among adults. The Secretaries Workshop will be at Windermere, May 10-12; Family Week, June 28-July 2; and Church Training Week, July 26-30.

We will work with the offices in Nashville in sponsoring a Growth Project in Church Training throughout the entire area of the Iowa Associations.

Remember all of us in your prayers and especially the committees as they select new workers to take responsibilities in the vacated offices in our building.

All of our Baptist churches need to put a special emphasis on "Church: The Sunday Night Place" in order to again build a great thriving program on Sunday evenings.

We had a very successful Church Training Week at Windermere. The faculty gave a most excellent account of our work. This week each year is a fine opportunity for training leaders.

Miss Vera Williams works most efficiently as secretary of this department.

# STUDENT MINISTRIES DEPARTMENT

CHARLES H. JOHNSON, Director  
Mrs. Rose Callahan, Office Secretary

This has been a corner-turning year in the Missouri Baptist Convention's ministry to university students. It has been a corner-turning year in terms of leadership, organization, and production.

In terms of leadership, Rev. Charles H. Johnson has become the Director of the Department of Student Ministries. He was elected by the Executive

Board in August of 1974 and began work on August 15. From August 15 until January 15, he served as part-time state director. Since January he has given full-time direction to our state student program.

It should be noted that the Executive Board has made some fundamental commitments to student ministries this year. These policy commitments by the Board are as follows:

- I. Strategy - That a three-point strategy in the development of the student Ministries Department be initiated:
  1. State University System - That a full MBC program be implemented throughout the state university system.  
Note #1: That includes all tax-supported four-year institutions of higher learning.  
Note #2: That this strategy includes Joplin, St. Joseph and Kirksville under the category of new work as spelled out elsewhere in this document.
  2. Metropolitan Complexes - That an innovative new concept be implemented with a view to full exploitation of the student work potential in our metropolitan complexes.
  3. Small Colleges - That a thrust be inaugurated to begin a continuing student ministry program in the state junior college system as well as in certain private institutions.
- II. Policies for the development of Student Ministries in Missouri.
  1. Personnel:
    - a. That the MBC appoint full-salaried trained personnel to four-year state-supported colleges and universities.
    - b. That MBC personnel, as well as volunteer staff members, are to be utilized in metropolitan areas.
    - c. That volunteer personnel and seminary interns are to be utilized and some promotional money is to be furnished by MBC in work at state training centers, junior colleges and private schools.
  2. Finance:
    - a. That MBC will consider matching on a 50-50 basis local monies for the procurement of new student centers.
    - b. That MBC will consider matching on a 50-50 basis substantial additions to student centers.
    - c. That MBC furnish all redecoration of student centers.
    - d. In the development of new work, local Baptists on an associational or area basis, will underwrite the program and operational costs for the center.
    - e. In established BSU situations, this policy will be implemented on a graduated basis.
  3. Partnership: That MBC student ministries will be conducted in close cooperation with local/associational/area student work committees.
  4. Evangelism: That MBC make a priority commitment for evangelism, i.e., STS program. (Student to student)
  5. World Witness: That MBC make a priority commitment to a witness to and discipleship of international students.

Some of these policies have already been implemented, others of them will be implemented as soon as practical.

A metropolitan student work committee has been organized in Kansas City to organize work in that great metropolitan area where there are 43,000 university students from 23 different campuses. The thrust of this program is to engender evangelistic outreach and Christian growth among college students on campuses, in communities, in churches, and among high school seniors in the metropolitan area. The work being done in Kansas City can have far-reaching results among Missouri Baptists and among Southern Baptists' nation-wide thrust to the university community.

In terms of production Baptist Student Unions on the respective campuses of Missouri ministered to approximately 4,500 students this year. Currently, there are 101 students enrolled in Southern Baptist seminaries from our state universities. This comprises about 43% of all seminary students from Missouri.

## **SUNDAY SCHOOL DEPARTMENT**

**PAUL THOMPSON, Director**  
**CHESTER HOLLEY, Associate**  
**KEITH MARKHAM, Associate**  
**Mrs. Margaret Woolley, Office Secretary**

### **Purpose**

The work of the state Sunday School department is to make available and promote the use of principles and methods that will strengthen the Sunday School work of the churches in (1) reaching more people for Christ; (2) improving Bible teaching; (3) stimulating and guiding church members in the functions of a New Testament church and providing and interpreting church and denominational information. The department endeavors to provide and develop services for use in establishing, conducting, enlarging and improving the Bible teaching program in the local church.

### **Significant Accomplishments**

The year just completed marks the third consecutive year that Sunday School enrolment has shown an increase; significant in light of a steady decline during the 1960's.

Training continues to occupy a place of high priority. October found the regional Sunday School conventions giving way to associational Sunday School officers' training. This is in line with our commitment to work through the associations to strengthen and/or help build an associational leadership team. This commitment could also be found in our highly successful faculty training institute tour in January which trained associational teams to conduct training schools using the new Sunday School administration books. This special emphasis resulted in an increase in the number of training schools.

Several "first time" events directed by the Department were: (1) Statewide emphasis on January Bible study clinics at St. Louis and Kansas City; (2) Week-day Early Education Workshop; (3) Regional Associational Sunday School Officers Training Tour; (4) Small Sunday School Regional Conference at Windermere; (5) Faculty Training Institute Tour.

Metro Reach, a plan for strengthening the outreach efforts in large, metropolitan areas, continued to have emphasis through the Sunday School department. Although a conventionwide project, the first Metro Reach church activities were conducted in Kansas City, resulting in a highly successful church growth campaign in the metro Kansas City area. St. Louis has now launched Metro Reach and is gathering momentum for a great outreach thrust in 1976.

We continue to be involved with personnel, budget, enlistment and planning with churches and associations for Sunday School clinics, seminars, evaluations, VBS clinics, enlargement campaigns and establishing new work.

The student summer mission program is an exciting emphasis. Twenty young ladies from Missouri--most of them college students--attended orientation and were trained in Vacation Bible School, Backyard Bible Clubs, mission Vacation Bible Schools, lay witness, puppetry and other areas to help them in their ten weeks of summer mission work. These young people served throughout our state under the direction of associational directors of missions.

### **Future Plans**

Plans for 1975-76 include a major outreach effort in the fall, Outreach '75, with a high attendance effort for November 2. This will be a "Great Day" with Missouri Baptists reaching 200,000 in Sunday School.

Major support is planned for leadership training through more associational training schools, Sunday School Preparation Week, and other training emphases.

November 10-13, 1975, for three simultaneous Bible Conferences, First Baptist Church of Ferguson, Springfield and Raytown will be hosts, under the theme of "The Ministry of the Holy Spirit."

In keeping with our commitment to help train associational leadership teams, we will work to enlist all associational Sunday School directors to attend Glorieta in 1976, with bus transportation provided and expenses shared by associations, our department, and Baptist Sunday School Board.

Looking to May, 1976, our commitment to improve the quality of teaching will lead us to the first weekly workers planning meeting workshop.

Continued promotion will be given to Metro Reach, a nationwide People Search, Reach Out '76, and pastor-director planning workshops.

### Personnel

We welcome to the Sunday School department staff Mr. Keith Markham who began his work as consultant for church growth projects May 1, 1975. He will serve as an associate director and work in such areas as bus ministry, children's worship, Bible teaching projects and new work program. Mr. Markham was previously serving First Baptist Church of Jefferson City as minister of outreach. He is a most welcome addition to the staff.

Mr. Chester Holley is now in his nineteenth year of service to Missouri Baptists. He continues to serve effectively in the area of associational promotion and consultant in adult Sunday School work. Mr. Holley is also an associate director of the department.

Mrs. Margaret Woolley, office secretary, continues to serve effectively not only in office skills but also as a special worker in the area of children's Sunday School work.

In addition to these full-time staff members, we continue to be thankful for the use of many special workers who serve the Sunday School department on request.

Mrs. Geri Williams, Office Secretary  
Mrs. Barbara Long, Office Secretary

WMU work ending September 30, 1974, showed Missouri WMU with an enrollment of 53,484. We are trusting 1974-75 to show a considerable increase in enrollment. One of the purposes of Missouri WMU is to strengthen this already existing work. One of the ways we do this is through state-planned WMU activities. Attendance at these activities are for a period from October, 1974, through September, 1975:

ACTIVITY	ATTENDANCE
Area Clinics.....	1,930
Teen Scene.....	1,377
Camp Directors' Workshop.....	89
WMU Annual Meeting.....	1,386
Associational Training Seminar.....	176
GA Caravans.....	1,893
Camp Windermere for Girls (6 weeks).....	662

WMU Tour, Glorieta .....	31
WMU Conference, Windermere (2 sessions).....	701
Over 60 Retreats (2 sessions).....	595
BYW Convention .....	108

This has been a thrilling year for Missouri WMU as we have seen God working through the lives of members of WMU. There has been a renewed sense of urgency about being involved in missions activities. Women and girls are realizing their responsibility to respond to the needs of the world through missions organizations. Evidence of response to missions can be found through reports of various church and associational WMU. Based on the church WMU Achievement Guide several churches received recognition:

A special celebration was held at our 1975 WMU Conference, Windermere. It was a time of honoring Mrs. Adele Branson. Mrs. Branson will be retiring December 31, 1975. She has served Missouri Baptists for seven years as the State Girls in Action-Mission Friends Director. Her knowledge of children and pre-school work and special gift of relating to people were only some of the highlights of her life mentioned in the celebration. The most meaningful testimony was listening as her life's activities show evidence of her special relationship to God. Missouri WMU THANKS Adele Branson for her dedication to God and the cause of missions.

The Missouri WMU staff looks forward to another great year in Missouri WMU work.

# RESEARCH AND STATISTICS

R. RONALD ROBINSON, Secretary  
Mrs. Gypsy Green, Office Secretary

There are four major groups of people with priority ranking for redemptive ministry by Missouri Baptists. These four groups are the aged, high-school students, college/university students, and new young families.

The aged are the most neglected group of people in Missouri when it comes to meeting their spiritual and physical needs. More than 12% of the population of Missouri are 65 years of age and older. Very few states have a larger proportion of their population in this age cohort. Nationally they comprise about 10% of the population. 15% of the population of more than 70 counties in Missouri are senior citizens. The largest proportion of these live in inner cities, small cities and towns, and rural areas. They need more than fun fellowship, and Bible study, as important as these are. They have many talents and capabilities that can be used for the benefit of local churches. All too many have never had an evangelistic invitation and too many die without anyone having visited them.

Nearly 100 Missouri counties, in effect, "export" high school graduates without "importing" enough others to replace them. Graduation from high school starts a pattern of mobility that for many does not begin to slacken off until the age of 35. These are exceptionally critical years. All too many become counted among that "invisible church" non-resident membership with no attempt to encourage them to make a vital and constructive contribution to the local church where they live. Diligent effort on the part of every organization of the local church needs to be expended on their behalf to help them to become dedicated and committed to the cause of Christ, and before graduation from high school.

The National Center for Educational Statistics projects that there will be an increase in the number of college/university students, from 1963-64 to 1981-82, of 126%! Non-degree enrollment is expected to increase by nearly 500% during the same period of time. Many young people have been lost to Southern Baptists during these years of higher education. The evangelistic fruitage of the efforts of our local churches needs to be conserved. A highly specialized spiritual ministry is needed to meet the intellectual and personal challenges that they must face. At the same time the educational level of our lay leadership is going to be raised in the communities where these students ultimately settle. Local church leadership needs to learn to adapt itself to the new and better policies that will be presented to them. We can also expect to have a better educated professional ministry. The higher educational level of our church leadership should forecast greater capability to do more, better, in the work of the kingdom of God.

New young families are now being formed in larger numbers than ever before. Up to the present time the birth rate has been at an all-time low so that these new families have remained small. The housing industry has been responding to the demands for new housing with construction at a very high level - less than 10% below the high of last year. Much of this new construction is apartments, indicating a changing life-style from the traditional patterns. As this report is being written it is being reported that the birth rate has probably bottomed and that women in their thirties are now planning on having their first child. This may indicate a rising birth rate but one needs to be watchful. New housing means new residential developments in suburban metro. It is the opinion of this department that Missouri Baptists are not exactly in pell-mell haste to plan on the adequate churching of these growing areas. One of the greatest needs is associational long-range planning to intelligently church the areas of population growth. The locations of new housing developments can be anticipated, for the most part, by five to twenty years. Even waiting to establish a church until the sewer lines have been surveyed for new housing

is waiting five years too long. Too little too late, and too late and unfeasible becomes an oft repeated and tired refrain. Waiting is very expensive. Experience teaches that information dispels ignorance, fear, and jealousy.

Population gains have been greatest in numbers in suburban metro counties, areas where tourism and resort industries have been encouraged, counties with educational centers. Losses of population have been greatest in counties that have opted for primary dependence on a one industry economy, agriculture, instead of an industrial mix that utilizes all natural resources in more productive ways. The largest numerical declines have occurred in St. Louis City - 14.2%, Kansas City - 5.0%, Jackson County - 1.0%, and Pulaski County - 21.7%. Population trends should "force" program adaptation.

An increasing number of churches make request for Community Profiles. The Profile is a research program which discovers the spiritual "hurts" of people and enables a church to evaluate its entire program of redemptive penetration of and ministry to its own church field. In 1974, 14 churches and associations requested Profiles as against 26 in 1975. 20 individuals, four agencies of the MBC, eight Departments of the MBC requested research help that required more than a conversation. Two churches requested church-site analyses. The Uniform Church Letters to the Association(s) were processed which numbered more than 1,800. Clinics were conducted for the church clerks of five associations. Four seminars provided by denominational agencies were attended and participated in. A Missouri Baptist Atlas was published and distributed to MBC leadership.

### WINDERMERE BAPTIST ASSEMBLY

Roach, Missouri 65787

ARTHUR H. KOEHLER, Manager

Amidst a world of mass humanity and time-consuming schedules, Jesus often urged his disciples to "come apart" for spiritual filling and physical relaxation. We today even more need that quiet atmosphere—a change of pace—in which to renew our faith, take a new look at our prospectives, and expose our soul totally to life-changing experiences with God.

Windermere continues to offer people from all walks of life an opportunity to "come apart" for this type of experience. Missouri Baptist conferences offer the best in inspiration, leadership training, and fellowship. Many Missouri Baptist churches bring youth groups, deacons, Sunday School classes, or other small groups for their own program in a new setting. Windermere also provides an area for pastors, church workers, and others to just "come apart" for a few quiet days of rest and leisure.

As more and more people come to use Windermere facilities each year, we pray that each one will become involved with God in a very special way, that a new enthusiasm will radiate throughout Missouri Baptists as we seek to serve together in the common task of "going into all the world."

### WORD AND WAY

BOB TERRY, Editor  
H. H. McGINTY, Editor Emeritus  
MISS ELENE STONE, Assistant to the Editor  
Mrs. Mary Dee Enloe, Editorial Secretary  
Miss Reta McDonald, Accountant

The past year, 1975, has been an eventful one for "Word and Way." On July 1, Dr. W. Ross Edwards, editor since 1967, retired. On September 1, his successor, Mr. Bob Terry, officially assumed editorial duties. Also during the year, a new position description for the editor was adopted by the Missouri Baptist Convention Executive Board, as was a new editorial policy and a new relationship of "Word and Way" and the Executive Board.

Through the many changes the Baptist state paper has continued to serve Missouri Baptists by providing accurate, dependable information. "Word and Way" continues to prove itself an indispensable part of local church and convention life as it provides the information that makes possible knowledgeable participation in both.

Circulation currently stands at 61,300, a low for recent times. This low circulation is in spite of inexpensive subscription rates which range from 15¢ per month per subscription through the church budget to \$2.50 per year for an individual subscription. How long the current rates can be maintained is not known. Increased paper and production cost, together with skyrocketing postage, may make an income supplement necessary in the near future.

Editorial staff now consists of Editor Bob Terry, the assistant to the editor, Miss Elene Stone and the editorial secretary, Mrs. Frank (Mary Dee) Enloe. Miss Reta McDonald is the accountant and Dr. H. H. McGinty is editor emeritus.

Miss Stone is due a special commendation for her work as interim editor between the retirement of Dr. Edwards and the arrival of Mr. Terry.

The mailing department of "Word and Way" is under the supervision of Mrs. Ruby Jackson, foreman. Working with her are Mrs. Evelyn Hartman, Mrs. Arline Thomas, Mrs. Lucy Ford and Mr. Frank Keeney. This team does an outstanding job of mailing the weekly publication on rebuilt equipment that may already be outdated.

Please pray for those who have dedicated their talents to God and now serve Him and Missouri Baptists through the Baptist state paper. Suggestions about how "Word and Way" might continue to fulfill its historic role of service will be appreciated.

"Word and Way" offices are located on the sixth floor of the Missouri Baptist Convention Building in Jefferson City. The paper is printed 50 times per year by the "Jefferson City News Tribune," a local daily newspaper.

### WORK WITH NATIONAL BAPTISTS

LOREN J. BELT, Director  
Mrs. Janice Webb, Office Secretary

*"From the one man he (God) created all races of men, and made them live over the whole earth" (Acts 17:26a, Good News).*

National Baptists and Missouri Baptists have many things in common. We have the same theology and the same type of democratic spirit in our churches. We are working together in many activities because we can reach more people with the gospel by working together than we could by working separately.

This office promotes sharing experiences where both groups may reap spiritual benefits. A paternalistic attitude on the part of white Baptists must be eliminated since the sharing is a "two-way street."

Some of the sharing experiences:

- (1) The annual state-wide conference at Windermere where we share in preaching, singing, and in training conferences dealing with various subjects.
- (2) Christian education at Western Baptist Bible College in Kansas City. This school is owned by one of our National Baptist state conventions. Our convention associations participate with an offering at the annual associational meeting.
- (3) National and Missouri Baptists share in the budget of the Baptist student program at Lincoln University, Jefferson City. There are approximately four hundred Baptist or Baptist-preference students at this university.
- (4) We share in the preparation and distribution of supplementary material for National Baptist WMU organizations. This office mails out over 15,000 monthly programs each year.
- (5) National and Missouri Baptist women share in the quarterly programs sponsored by WMU councils located in twelve geographical areas.
- (6) Baptists in Southeast Missouri share in a "together" program in that area. Rev. Otis L. Hawes, Jr. of Poplar Bluff was called as missionary July 1, 1975. A building fund drive is under way to replace one of the camp buildings which was destroyed by fire in September, 1974.
- (7) An advisory committee serves in St. Louis where Rev. Curtis H. Faulkner is the director of the St. Louis Baptist Fellowship.
- (8) National and Missouri Baptists share with leadership personnel for the various types of clinics conducted in churches and associations.
- (9) The monthly paper *Missouri Baptist Together* publicizes the sharing experiences and serves as a news media for National Baptists. Unusual sharing experiences for 1976 are:
  - (1) State conference on evangelism with the three National Baptist state conventions and our Missouri Baptist Convention planning and participating. The date is January 12-14 in St. Louis.
  - (2) All of the state conventions will meet together in two night sessions in connection with the annual sessions. These two sessions will be held in the R. L. D. S. auditorium in Independence, October 19-20.

Workers in this department are:

Dr. Loren J. Belt, state director

Mrs. Janice Webb, office secretary

Rev. Curtis H. Faulkner, director, St. Louis Baptist Fellowship

Rev. Otis L. Hawes, Jr., missionary director, Southeast Missouri

Dr. Tolbert A. Welch, part-time instructor, Western Baptist Bible College, Kansas City

Dr. Osborne A. Crenshaw, part-time instructor, Western Baptist Bible College, Kansas City

An equal number of National and Missouri Baptists serve on a State Advisory Committee. Missouri Baptists on the committee are: Rev. Joe Acuff, Springfield; Rev. George Arthur, Dexter; Dr. John Dowdy, Kansas City; Rev. J. Edwin Hewlett, St. Louis; Rev. Charles Hufft, Warrensburg; and Rev. Don E. Wainwright, Eldon.

### HANNIBAL-LaGRANGE COLLEGE

GERALD MARTIN, President

Hannibal-LaGrange College praises God for His goodness. "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning." James 1:17

In the one hundred seventeen year history of Hannibal-LaGrange there is constant evidence of her dependence upon God and His generous provision.

Hannibal-LaGrange College expresses thanks to Missouri Baptists for the support through the Cooperative Program. In the Missouri Baptist budget \$200,000 is proposed annually, but because of your generous giving in 1974 Hannibal-LaGrange received an additional \$15,347.28.

Hannibal-LaGrange students provide over half the budget of the college, and we appreciate the growing number of students choosing our college. Financial aids are available to every student who needs financial assistance.

In 1974-75 the student body increased in full-time equivalency thirty-four percent over 1973-74. The full-time equivalency is up again in 1975-76. Even so we have room for students in dorms and classrooms.

Friends and graduates of Hannibal-LaGrange are like facets in a diamond—they give encouragement along with tangible support. Endowment has grown from a few thousand dollars a short time back to more than \$400,000. The trustees and administration have set an immediate goal of \$1,000,000. With inflationary times this is only a portion of what is needed.

The operating indebtedness previous to 1973 was \$248,000. Through frugal living and diligent work this has been reduced almost 50%.

The North Central Accrediting Association approved continued accreditation on the two-year liberal arts curriculum. They also have accredited Hannibal-LaGrange to offer degrees in church vocations to train pastors, educational directors, and ministers of music. The degrees approved are: the Bachelor of Theology, Bachelor of Religious Education, and Bachelor of Church Music. This program would strengthen the churches of Northeast Missouri and surrounding areas. It would be both a service to Missouri Baptists and a mission service of Missouri Baptists.

Prayer is needed more than anything for Hannibal-LaGrange College. Therefore, we request strongly that you put us on your prayer list. "Ask and it shall be given you, seek and ye shall find, knock and it shall be opened unto you." Matthew 7:7

### MISSOURI BAPTIST COLLEGE

ROBERT S. SUTHERLAND, Dean and Interim President

*"And Seeing the Multitudes..."*

The wisdom and vision of Missouri Baptists in founding a college in St. Louis becomes more obvious as time marches on. Located at the crossroads of Mid-America, near the spot which will be the population center of Greater St. Louis by the end of this decade, and overlooking one of the most desirable residential areas in the county, Missouri Baptist College stands as a powerful witness to the concern of Baptists for the educational and spiritual welfare of the multitudes.

The passing years have validated the wisdom and accuracy of the recommendation resulting from the comprehensive study made in 1955 by Dr. Oren Cornett, Executive Secretary of the Education Commission of the Southern Baptist Convention, and reaffirmed in 1960 after a follow-up study directed by Dr. Rabun A. Bentley, also Executive Secretary of the Education Commission. Both studies pointed to the immediate need for a Baptist College in St. Louis as a means of enhancing the Christian witness of Missouri Baptists in the nation's seventh largest metropolitan center.

The wisdom and dedication of Missouri Baptists were further evidenced in the reopening and the pledge for continuing support of Missouri Baptist College last August. Today the college stands strong and faithful, living evi-

dence of the efficacy of God's purpose and of the dedicated concern of Missouri Baptists.

At the time of the reopening in August of 1974, a seven-fold commitment was prepared by the interim president and approved by the entire college family:

- (1) We must have sufficient financial resources in cash and pledges to assure permanence. Death at an early age must not again threaten or haunt students, faculty members, and supporters who have invested their futures in Missouri Baptist College.
- (2) The quality of the academic program must be excellent. The struggle today is for the minds of men, and we must maintain those high standards of academic excellence which will enable our graduates to deal effectively with the complexities of today's world.
- (3) We must not relax our insistence upon competence and effectiveness on the part of our faculty and staff members for any reason, including economic pressure, expediency, or sentimental attachment.
- (4) We must enroll students in sufficiently large numbers to provide an effective and economically feasible college program.
- (5) Both the income and the expenditures sections of the budget must be realistically planned and conscientiously actualized. We must operate consistently in the black each year.
- (6) We must reduce our indebtedness substantially every year to free us from the crippling burden of high interest payments.
- (7) We must keep Christian faith and truth at the heart of campus life and Christian commitment as the dynamic of our personal endeavors.

The faithfulness with which these commitments have been realized has been reassuring. Today Missouri Baptist College stands firm and secure because of the continued support of Missouri Baptists through the cooperative program, the dedicated and sacrificial gifts of Baptists and others throughout the State and especially in the St. Louis area, and the extra responsibilities assumed by all faculty and staff members. There is no longer a question about the stability of the college. The future is as sure as the promises of God and the loyal support of those who believe in Christian higher education and who see the wisdom of maintaining a Christian college in an area where over two million people live within commuting distance and where almost 40 per cent of the entire population of the State of Missouri reside within fifty miles of the campus.

The quality of the academic program has remained excellent. The faculty members retained for the current academic year were admirably qualified by education and experience. All but four of the full-time faculty members have their earned doctor's degrees or are currently completing their dissertations. These competent teachers willingly accepted additional assignments in order to assure quality and variety in the academic program. Qualified part-time instructors have demonstrated exceptional competence. Academic excellence continues to be a hallmark of Missouri Baptist College.

The academic program will be further strengthened this year by the addition of four former professors, including two who served as division chairmen. Two have their earned doctorates and one is currently completing requirements for the doctor's degree. In 1975-76 a total of 72 per cent of the full-time faculty members will have their earned doctor's degrees or will be at the dissertation level in their preparation.

New members of the administrative team have been real sources of strength to the college. In October A. R. (Don) Black, formerly with American Telephone and Telegraph Company, became Business Manager of the College. Dr. Edgar Blake became Assistant to the President in Church Relations last March. Ken McDonnell joined the admissions staff in May, to work especially with high school and junior college graduates.

Student enrollment for the 1974 fall semester was 10 per cent above predictions and the 1975 spring semester enrollment more than 7 per cent higher

than the fall enrollment. In addition, fifteen classes were taught during a special 1975 May Term, and two summer terms were conducted with over 60 separate course offerings. Enrollment for the May term and the summer terms represent the largest summer enrollment in the history of the college. Over a hundred sections of college courses are being taught during the fall semester, and the 1975 fall enrollment stands over 21 per cent above the enrollment for the same period last year.

Students at Missouri Baptist College rank high in quality. Statistics provided by the American College Testing Company indicate that entering students last fall at Missouri Baptist College ranked above the national average in high school grades earned and above the national average on ACT composite test scores for college-bound students. Fifty-nine students were recognized in the spring for outstanding academic and leadership achievements. The 1975 graduating class was the largest in the history of the college. The teacher education program is considered one of the most effective in the state. The music program is outstanding, and this year the athletic teams achieved excellent records. The baseball team won nine of the last twelve games played.

Missouri Baptist College has managed to live within its income this year, a phenomenon few colleges have been able to accomplish. This has been possible only because of the tireless efforts of all faculty and staff members, the generosity of friends of the college, and careful and sometimes painful economies at the management level. The budget for next year anticipates continued operation without deficit spending.

The Load Lifter Loan program and other gifts have enabled Missouri Baptist College to reduce its high-interest indebtedness by almost \$200,000. Money which was used to pay interest is being deposited in a savings account. In seven years this will be sufficient to repay the non-interest bearing \$1,000 loans which have been made to the college by friends. In addition to this, the St. Louis Baptist Mission Board paid off \$158,000 in series B Bonds, thus reducing the interest payment obligation of the college.

With grateful and humble hearts we acknowledge the restoring and sustaining power of God. All of us at Missouri Baptist College—faculty, administration, trustees, and students—feel a sense of divine leadership in the remarkable progress which the college has made. With this comes a renewed dedication to the purposes of Christian higher education in Missouri and especially in the St. Louis area.

As we look to the future, we know that the influence of Missouri Baptist College must be extended to reach more and more of the multitudes who make up the community we seek to serve. This can be accomplished under God's leadership and with the continued full support of the College through the Cooperative Program of Missouri Baptists. Missouri Baptist College is Missions amidst the Multitudes.

## **EXHIBIT XXVIII**

### **SOUTHWEST BAPTIST COLLEGE**

**JAMES L. SELLS, President**

Southwest Baptist College entered her 97th year of service to Missouri Baptists in a time of unprecedented economic pressures. The taproot of her stability continued to be grounded in the watchwords of the founders, "By the Grace of God."

During the academic year, 1974-75, the Board of Trustees of Southwest Baptist College completed the delineation of the academic structure into the concept of four schools: The School of Arts and Sciences, the School of Business, Education and Social Sciences, as well as the previously named School of Music and Fine Arts, and the Redford School of Theology and Church Vocations.

Enrollment of 1430 in the 1975 fall semester was the largest in the history of the college. This increase of 154 students represents a gain of more than 12% over 1974 when fall enrollment reached 1276.

This increase in enrollment stems from the desire of more students to center their quest for a higher education on a campus of Christian ideals and the fact that Southwest now has three satellite recruiting offices which assist in providing students with information about the College. Mike Pulley directs the office in St. Louis, Steve Nelson is in Kansas City and Robert Dake covers the State of Illinois. The Couriers Program continues to act as a liaison between Baptist Churches and the College with more than 1500 persons now appointed to the position of Courier in their home churches.

Because of the increased enrollment and the fact that the dormitories on the SWBC campus have been operated at 100% capacity in the fall of 1974, the Board of Trustees has acquired a 24-unit apartment facility which is located immediately adjacent to the southwest perimeter of the campus. This facility is being utilized as an honors dormitory for female students.

The economic pressures of the year were evidenced by the statistic showing that between 90 and 95% of the students attending Southwest were provided some type of financial assistance. Including scholarships, grants, loans, and work-study, this amount has totaled more than one and one-half million dollars.

The largest class since Southwest became a four-year college, was graduated on May 16, 1975. Diplomas and Certificates were presented to 200 students, including 32 who graduated with honors. Another 35 received their diplomas at the August Commencement.

Students at Southwest excelled in a variety of fields this year, including the debate and forensics squad which was listed in the top ten percent of the 130 colleges and universities represented at the national convention of the honorary forensic fraternity, Pi Kappa Delta, held in Philadelphia, Pa. In the overall sweepstakes category, SWBC was first, achieving the largest number of points in debate and individual speaking.

Athletic teams again scored well, with the tennis team representing District 16 for the 7th consecutive time in the NAIA national tennis finals in Kansas City. The basketball team went into the second round of the District 16 playoffs before being eliminated.

On January 1 of 1975, Dr. Jack Stanton of the Home Mission Board of the Southern Baptist Convention joined Southwest Baptist College as Director of the Institute of Evangelism and Associate Professor of Evangelism. Dr. Stanton's association with the college was the latest in a series of efforts designed to continue the service available to individuals and churches in the Missouri Baptist Convention.

The number of students preparing for a church related vocation in the Redford School of Theology and Church Vocations, reached 561 during the academic year with 298 of these ministerial students. There were 84 revival teams going to churches throughout the state, including 193 different individuals, most of whom are preparing for a church related vocation in the Redford School.

Four Southwest Baptist graduates, who received their bachelor degrees in May of 1975, have been appointed as missionary journeymen of the Southern Baptist Foreign Mission Board. David Adams of Rogers, Ark., is in Monrovia, Liberia; Terry Eades of Festus, has been assigned to Misawa, Japan; David Stevens of Fredericktown, has been appointed to the University of Nairobi, Kenya and Penny Olmstead of Kansas City is in Aracaju, Sergipe, North Brazil.

In addition to academic programs, Southwest Baptist College welcomes many other groups to campus each year. The annual pastors conference is held each June with the 1975 edition headlined by Mr. James Nelson, director of the Department of Rural-Urban Missions for the Home Mission Board, Mr. Larry Bryson, Director of Missions for the State of South Carolina and Dr. Rheubin L. South, Executive Director of Missouri Baptists.

In 1974, the first annual Youth Evangelism Conference was held on the SWBC campus. Again in 1975, Southwest Baptist provided facilities for the conference with personalities which included Dr. William Self, Pastor of the Wieuca Road Baptist Church in Atlanta, Ga., Mr. Joe Ford of the Home Mission Board of the Southern Baptist Convention and Mr. Tony Dyer, Minister of Youth at the Red Bridge Baptist Church of Kansas City. The Evangelism Department of the Missouri Baptist Convention is sponsor of this annual conference, and Southwest Baptist is happy to have been host for the first two years.

The Office for Development reports, that despite a depressed national economy, the college did enjoy a successful year in fund raising. An intensified program in estate planning, resulted in the college being included in several estates, two of which will provide about \$160,000 for SWBC.

The Second Century Fund is closing its first year of organized effort with cash and pledges already exceeding one-half million dollars. Additionally, a matching Foundation Grant of \$300,000 has received tentative approval. College officials are encouraged by the interest and concern of Southwest's constituency. The Second Century Fund -- a \$5,000,000 campaign -- will continue through 1978: the centennial year of the college.

We wish to express thanks to our many friends in Baptist Churches of Missouri who have helped make it possible for so many students to continue their education in the Christian atmosphere of Southwest Baptist College.

### WILLIAM JEWELL COLLEGE

THOMAS S. FIELD, President

William Jewell College, Missouri Baptists' oldest and most honored institution, has been serving the Baptist churches and young people of our state for 126 years. Founded just fifteen years after the Missouri Baptist Convention was established in 1834, William Jewell College helped bring education and the Baptist witness to the American frontier. Missouri Baptists can be proud of this history, and they can be even prouder of the fact that the greatest days for their senior Baptist college are taking place right now.

The distinctiveness of William Jewell College can be seen in several ways:

**Academic excellence.** William Jewell has the highest of academic standards and reputation. No other Baptist college conducts two co-operative programs with Oxford University, a campus extension at Harlaxton Manor, England, and an exchange program with Seinan Gakuin, a fine Christian University in Japan. A nationally recognized curricular plan, "Education for Individual Achievement," challenges excellent students. A dedicated faculty contains many professors of national stature. Men's and women's athletic teams carry championship traditions. Debate teams win national ranking. Music groups win top honors. William Jewell offers the best possible education to Baptist young people.

**Fiscal responsibility.** William Jewell operates with a balanced budget, even though costs have increased 40% in the last three years and tuition only 5%. Financial aid is offered to Baptist young people who have need, and fifty Church-Campus Awards of \$1000 each go annually to young people recommended by their pastors. A record enrollment of over 1400 is cause for gratitude this year, as is the growth of our new Continuing Education Division. Each year William Jewell has a waiting list for students. The gifts of God's people, particularly Missouri Baptists, are a major source of our financial stability.

**Spiritual vitality.** William Jewell emphasizes Christian commitment as a way of life for our students. Chapel programs, vesper services, retreats, Bible study groups, and Christian Student Union activities have high levels of participation. Youth revival teams and the Confronters serve in the churches. Other students are in jail ministry and social service programs. Six students this year were summer missionaries and one a missionary Journeyman. In-service training for church vocational students has been strengthened. All church vocational students receive a tuition subsidy from the college, as do children of Baptist ministers, missionaries, and seminary professors. Religion courses are required. A Christian atmosphere is carefully nourished at William Jewell, and dedication to Christ and His church is encouraged and honored.

We are grateful to Missouri Baptists for standing with us in your prayers and support. The Missouri Baptist churches and William Jewell College have been inseparable from the beginning, and we treasure that relationship of love and trust. Be assured that your senior Baptist college is worthy of your justifiable pride—academically, fiscally, and spiritually.

### BAPTIST MEMORIAL HOSPITAL

HAMILTON V. REID, Executive Director

Continuing a trend which has affected most of the 7,000 hospitals in the United States, the number of inpatients at Baptist Memorial Hospital decreased slightly last year to a total of 14,458, while emergency patients and outpatients increased:

1972-outpatients	7,570	emergency visits	18,265
1974-outpatients	9,067	emergency visits	19,026

Outpatient visits are meanwhile increasing in number. In many cases, physical therapy, x-rays, lab tests, pulmonary treatment and even some surgery are now being done without the patient occupying a hospital bed. A doctor orders the tests or treatment, the patient comes in the hospital during the day and returns home.

Last fall Baptist Memorial Hospital entered a development campaign to raise \$1.5 million to complete the interior and equip the two-level addition at the front of the building. This will include a new lobby and public entrance, permanent facilities for the Goppert Family Care Center, enlarged emergency and outpatient departments and radiology services, and a chapel and office for the chaplain. This is the last of three development phases of an expansion started in 1970, not to add beds, but to give space to ancillary services.

James N. Jeffrey, former executive director of the national organization of the Fellowship of Christian Athletes, became director of development to head the fund raising project. Mr. Jeffrey is available to assist anyone who wishes to make contributions, to remember the hospital in their wills, or in other ways which will benefit many people in the years ahead.

Mr. & Mrs. Clarence H. Goppert and the Goppert Foundation contributed \$250,000 for the initial cost of setting up the Goppert Family Care Center. Twelve doctors are now enrolled in the Family Practice Residency Training Program.

The John W. and Effie E. Speas Memorial Foundation, administered by the trust department of the First National Bank in Kansas City, contributed important pieces of equipment.

Among other friends, recognition goes to:

\*Milton F. Morales, president, and the 29 other members of the Board of Trustees elected by the Missouri Baptist Convention who assume the top responsibility for the hospital. They receive no recompense.

\*Dr. Jack M. Davis, president of the medical staff, who coordinates activities of 430 members in 12 departments and eight committees, also reviews new government regulations and such problems as the escalating costs of medical malpractice insurance.

\*Mrs. Joyce Bailey, president, and the 870 members of the Auxiliary who underwrote equipment, expansion of the gift shop which the Auxiliary operates and provided scholarships.

\*Jerry H. Manning, whose term as president of the Honorary Board of Governors ended in May, and John Goodson, new president. The 350 members of this voluntary group use annual dues to purchase equipment and provide scholarships.

\*The 1,100 employees who through dedication and loyalty give the hospital a reputation for excellent patient care and who also gave contributions and pledges to the hospital development fund.

\*Instructors and students in the nine health-related schools which give clinical training at Baptist Hospital.

\*The patients who come here with health problems. The hospital is noted for specialized care in ophthalmology, orthopedics, urology, ear, nose and throat, also for intensive care with heart monitoring.

\*The growing number of friends of the hospital who support Baptist Hospital through contributions, donations and memorials. This includes several churches, some of which have given regularly since the hospital opened in 1960.

### MISSOURI BAPTIST CHILDREN'S HOME

HOWARD L. MEYER, Administrator

The "Family of God" is a beautiful way of defining the working relationship of God's people who are involved in the World Mission Enterprise. Your Missouri Baptist Children's Home shares her part in the continuing outreach for needy children and homes with joy.

The warmth and love invested in Child Care Ministry is often undervalued. No price tag can be placed on the 16,279 child care days provided by the Missouri Baptist Children's Home this past year. Simple multiplication can tell any interested homemaker how many meals were provided or how many beds were changed this year. In addition to this, over 3,000 days of care were provided for those in our Day Care Program.

Warm hearted Social Workers with a genuine commitment to Christ spent hundreds of hours in 1974-1975 providing care and counseling for children facing crises situations in their families. These dedicated Social Workers now visit nearly 90 foster and adoptive homes where children presently live. Another 150 homes now anticipate the opportunity of sharing their homes with a child. Thousands of miles and many late evening calls by these workers require hundreds of hours of friendly and fruitful meetings in the interest of the children.

The ability to sense the heart throb of a longing child who wants to be with natural parents again, and feel in some hidden, extra way, that the time is N O W! This part of the daily caring experience of workers cannot be reduced to a statistical chart.

The search for homes for the older children who have suffered pain and loss of family identity has its heartbreaks too. "Who can love enough, who can care enough, who can give enough, to share in the needs of this child?" We look and search and pray and hope that perhaps, for every child, there will be found a better way.

We have yet to mention the thousands of hurting families who are looking to the Missouri Baptist Children's Home for help. Loving extensions of pre-

sent services are in the planning stages. September 1, 1975 marked the date when our first full-time Christian Psychologist, Dr. Tom Trimble, formerly of Belmont Baptist College, Nashville, began his work on our campus. He will be our Director of Psychological and Family Services.

With this treatment team approach, greatly improved therapy in the life of the disturbed child will be noted. Additional services will be offered and made more available to hurting homes. Pastors and laymen, plus all referral sources, are invited to call when need is detected.

Missouri Baptists need to know that more, and not less funds, are needed to provide quality care, and to permit the Children's Home to enter into more creative Child Care ventures at the earliest possible time.

Missouri Baptists need also to know that last year, for the first time, the Thanksgiving Offering reached the one hundred thousand dollar mark (\$100,000). You should also know that the offering, by Convention vote, will be equally divided between the Children's Home and the Home for Aged Baptists. This means one of two things. First, if churches and individuals will at least double their gifts through the Thanksgiving Offering, the Children's Home will sustain no loss of income, and the Home for Aged Baptists will be blessed equally. Second, if the offering remains the same or is decreased, the Children's Home will be facing a decrease of income of at least \$50,000 in one year alone. The Thanksgiving Offering has been the source of about 20% of our annual needs for many years.

Missouri Baptists should know that the Children's Home NEEDS the continuing support of the Convention. God, through His family is good to the Home. However, let all know that if the Home had to rely solely on her present holdings for sustenance, a curtailment and not an extension of present services, would soon be evidenced.

With projected budgetary needs of approximately \$714,123 Missouri Baptists need to know that the Children's Home has no annual support from tuition, fees, room and board (except Day Care) as do colleges. No income is derived from room charges or other fees like hospitals receive. Therefore, the Children's Home must have a basic endowment, which is fully secured, to assist in providing the same proportion of dependable annual support enjoyed by these other types of institutions.

Your Children's Home appeals to the reason and spirit of unity of Missouri Baptists. Let full cooperation continue in the loving support of services for needy children and hurting families in our State. May the day soon arrive when none of these needy ones can any longer say "No one cared for my soul."

## EXHIBIT XXXII

### THE HOME FOR AGED BAPTISTS

EDWARD GOODWIN, Superintendent

We gratefully report a most successful year at the Home for Aged Baptists with several events which we feel merit sharing with the Missouri Baptist Convention.

Mr. and Mrs. John Burney retired from their services of the Home for Aged Baptists, having served for thirty-eight years each, Mr. Burney having been superintendent for twenty-one years. The transition of Mr. Burney's retirement and the assuming of duties by the new superintendent was most smooth, due to the commendable spirit of Mr. Burney.

The complete history of the Home, "*House of Many Mansions*" by Bill Hopkins was published during the year, the first copies being released on September 12. A fine response has been received across the state to this well-written history, many orders being received even prior to the publication.

**CHRISTIAN LIFE COMMISSION**

As it is well known in Missouri, the Christian Life Commission has, for the last several years majored in the area of Christian Citizenship, (legislation) which is an important part of the Christian Life assignment. Parochial aid and other first amendment issues have been dealt with very effectively. This year the commission has used the aid of Dr. Hugh Wamble as consultant to continue its efforts in this area. Dr. Wamble has carried out this assignment much as he did while he was a member of the commission and therefore CLC has been involved in several key issues this year. The Sunday Closing law; a lottery bill and a bill to permit bingo games by charitable organizations. This bill was put forth using churches as an excuse to bring about legalized gambling in Missouri. The commission wishes to express its appreciation for the work done by Dr. Wamble this past year.

**Carrying Out The Convention Assignment**

The first meeting was held in Kansas City during the Evangelistic Conference and was for the purpose of organizing. Sam Martin was elected to serve as chairman and Ernest Sjoblom was elected to be the secretary.

Becoming aware and concerned to carry out all of the assignment given to CLC by the convention was what the members had in mind as they met for the second time in 1975 at the Baptist Building. Plans were begun to become a commission concerned about all of the areas of Christian Life. This was done by assigning each of the members an area of responsibility. Five core areas were chosen and assignments were made as follows:

**The Christian and His Family**, Mrs. Paul Weber and Mrs. Homer DeLozier  
**The Christian and Human Rights**, A. M. Alexander and Monte Peterson  
**The Christian and Economics**, Billy W. Dudley and Michael McBride  
**The Christian and Citizenship**, Consultant Hugh Wamble and Sam Martin  
**The Christian and Moral Concepts**, James Goodson and Ernest Sjoblom

**Planning and Training**

On May 22, the commission met with Dr. Foy Valentine of the Christian Life Commission, SBC and planned for a meeting, or conference to take place at Windermere, March 29-30, 1976. This was an all day meeting and at the close all members present had a better idea of how a Christian Life Commission should function.

**Associational Christian Life Committees**

We live in days filled with crises, breakdown in all aspects of family life, economic chaos, corruption in government, legislation unfavourable to historic Baptist principles, crime, and drug abuse -- are just a few of the crises which challenge Christians to be the salt of the earth.

The Missouri Christian Life Commission will assist the associational committees in three ways. First, all associational members will be trained in how to carry out their responsibilities. This training will probably take place at the B.I.G. M.A.C. and at Windermere and will be led by personnel of the Missouri Christian Life Commission and the Christian Life Commission of the Southern Baptist Convention.

**Conclusion**

The Christian Life Commission does want to become more effective in all areas of Christian Life. It is not our intention to decrease the work done in Christian Citizenship, for in fact, we want to continue this effort. However, we feel that it is most important that the Christian Life Commission of Missouri become just what the name implies, concerned about the total Christian Life.

### REPORT OF THE RELIGIOUS LITERATURE AND PUBLICATIONS COMMITTEE

The Religious Literature and Publications Committee, a standing committee of the Missouri Baptist Convention, is composed of T. Harold Craig, St. Joseph, Chairman; Claude Stevens, Owensville, and Frank Stark, Strafford. This committee presents the following report: The print media continues to provide the single most significant means of information, religious education, and current religious news. It provides a permanent record and permits careful study, which no other media makes available.

We commend the Sunday School Board for the variety and quality of its literature, and other publications.

We would urge our churches to respond to calls for accurate historical records in our Bicentennial year as a nation. Perhaps our convention churches would set down an accurate history of their church if they do not possess one.

We are indeed fortunate to have so many good publications available, including our state Baptist paper, the *Word and Way*. We commend the Structure and Reorganization Committee in making the *Word and Way* a more open Baptist News Journal. It was the pleasure of this committee to interview the new Editor, Mr. Bob Terry, whom we believe will guide the *Word and Way* to increased rank among state journals. This committee encourages all churches to include the *Word and Way* in their budgets or the widest possible distribution.

The Church Library or Learning Resource Center will occupy a position of increased importance as they provide a fresh supply of the best contemporary religious literature.

The Religious Literature and Publications Committee acknowledges the 1973 report of this committee, in which they state "to the best of our knowledge, no clear instructions as to the task of the committee are available."

Further, we note that no report at all was given in 1974. Since no later clear definitive statement has been given in regard to this committee, we recommend the following:

1. Since the Structure and Reorganization Committee has called for a Religious Literature and Publications Committee without establishing a definitive statement of purpose, that unless such guidelines are established, the committee should be abolished.

To the Executive Board  
Missouri Baptist Convention

We have examined the balance sheet of the MISSOURI BAPTIST CONVENTION, Jefferson City, Missouri, as of December 31, 1974 and the related statement of revenue and expenses and changes in fund balances for the year. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of revenue and expense and general fund balance present fairly the position of the MISSOURI BAPTIST CONVENTION at December 31, 1974 and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

MISSOURI BAPTIST CONVENTION

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

COOPERATIVE AND DESIGNATED FUNDS

Cooperative mission program receipts are disbursed to state and national organizations based on a plan of participation approved by the Missouri Baptist Convention. Other funds are received and disbursed for purposes designated by various contributors. A major portion of the funds are not reported in the Convention's results of operations since the Convention is acting as a collecting and disbursing agent. Exhibit "G" and "H" shows the receipts and disbursements of these funds.

INVESTMENTS

The Convention follows the policy of recording all investments at cost with the exception of donated investments which are recorded at their fair market value at the date of donation.

INVENTORIES

Inventories are stated at the lower of cost or market. Cost is generally determined on the basis of most recent purchase price. Obsolete, damaged and otherwise unsalable merchandise is excluded from inventory valuation.

PROPERTIES

Property, plant and equipment, including betterments of existing facilities, are recorded at cost. Maintenance, repairs and minor renewals are charged to expense as incurred. The cost of replacing existing capital assets at Windermere Baptist Assembly is generally charged directly to expense as incurred.

The Convention follows the practice of depreciating income producing facilities. Depreciation is calculated using a straight-line method. Lives used for calculating depreciation rates for the principal asset classifications are as follows:

	<u>YEARS</u>
Buildings	40 - 50
Furniture and Fixtures	10 - 15
Machinery and Equipment	2 - 20

**NOTE 2 - ADJUSTMENTS TO GENERAL FUND BALANCE**

(a) This adjustment recognizes the motion made by the Executive Board of the Missouri Baptist Convention in its 1964 meeting to assume payment of principal and interest of a note payable to Boatmen's National Bank of St. Louis. This note was issued on April 1, 1965 by Hannibal LaGrange College in the original amount of \$650,000.00 and remaining principal of \$369,000.00 at December 31, 1974.

(b) Adjustment for prior period decreased the general fund balance by \$20,844.90. This adjustment is made to rectify incorrect and duplicated entries made in 1973.

**Note 3 - UNDISTRIBUTED COOPERATIVE MISSIONS PROGRAM AND DONOR RESTRICTED FUNDS**

Cooperative program and donor restricted receipts totaling \$659,030.52 were undistributed to affiliated organizations as of December 31, 1974. This liability to the respective institutions was paid on or before January 10, 1975. The balance consisting of special state mission offering allocation and departmental funds were properly distributed January 24, 1975.

**Note 4 - NOTES AND BONDS PAYABLE - \$2,523,277.52**

At December 31, 1974 the notes and bonds payable were as

	<u>\$ 268,401.64</u>	<u>\$ 2,523,277.52</u>

**NOTE 5 - PENSION PLANS**

The Missouri Baptist Convention participates in contributory and noncontributory pension plans administered by the Annuity Board of the Southern Baptist Convention. These plans cover substantially all employees and Baptist ministers throughout the Convention. The policy is to fund pension costs accrued. The total pension expense for 1974 amounted to \$312,503.00. The Convention's consulting actuary indicates there are no unfunded past or prior service liabilities.

**NOTE 6 - CONTINGENT LIABILITIES**

The Convention is contingently liable as guarantor of loans to affiliates totaling an outstanding principal balance at December 31, 1974 of \$19,551,350.00.

To the Executive Board  
Missouri Baptist Foundation

We have examined the balance sheets of the General Fund, the trust funds and agency funds of the MISSOURI BAPTIST FOUNDATION, a Missouri corporation, as of September 30, 1975, and the relative statements of income, expense and fund balances of the various funds for the fiscal year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, subject to the attached comments, the accompanying balance sheets, statements of income, expense and fund balances present fairly the position of the MISSOURI BAPTIST FOUNDATION at September 30, 1975, and the results of its financial transactions for the year then ended, in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year.

The balance sheet of the General Fund is shown in Exhibit "B" and the condensed balance sheets of the other funds are shown in Exhibit "C". Income, expense and distribution are shown in Exhibit "C" for all other funds.

All of the above statements are set out in considerable detail so that extensive comments pertaining thereto are considered unnecessary. However, explanatory remarks pertaining to the indicated items which are considered pertinent are set out as follows.

TOTAL CASH ON HAND AND IN BANK - \$110,680.61

Cash in bank aggregating \$110,652.61 at September 30, 1975, was verified by the depositories and cash on hand of \$28.00 was counted at the time of the examination.

Although our examination did not extend to a detailed check of all cash and other bookkeeping entries throughout the year, numerous vouchers and entries were scrutinized by us in connection therewith. To the extent that such vouchers and entries were examined and based on information and explanations obtained from the Executive Secretary and employees of the Foundation, the accounts were found to be in order.

NOTES RECEIVABLE - \$181,996.35

The notes represent monthly or semiannual installment type loans. All loans were confirmed by direct correspondence with the debtors, and replies received indicated that the amounts are correctly stated.

STOCKS AND BONDS - \$7,614,091.67

All securities owned at September 30, 1975, were examined. Stocks and bonds acquired by purchase are carried at cost, while those received as gifts are valued at amounts agreed upon by the donor and the Board of Trustees at the time of receipt.

In determining the market value of bonds, we considered the cost of all church bonds to be the market value. The following shows the cost and market value ascertained as of September 30, 1975.

	<u>COST</u>	<u>MARKET VALUE</u>
Stocks .....	\$3,736,799.14	\$3,040,671.11
Bonds .....	<u>3,877,292.53</u>	<u>3,650,034.21</u>
TOTAL	<u>\$7,614,091.67</u>	<u>\$6,690,705.32</u>

NEW FUNDS

During the year under review, ten new funds were received and these funds had a total original investment of \$231,792.81. In addition to these new funds, sixteen funds had additional investments totaling \$694,951.54. The new funds and the additional investments are shown in detail in Exhibit "F".

GENERAL FUND

The operation of the General Fund is shown in detail in Exhibit "E".

LEASES

On March 23, 1970, the Missouri Baptist Children's Home entered into a contract with the MISSOURI BAPTIST FOUNDATION whereby the Foundation was appointed the agent for the Children's Home to carry out the principal's duties and obligations as lessor and to enforce the lessees' obligations contained in the Francis Chevrolet and K-Mart leases. These are twenty year leases which expire 1986 and 1987, respectively. These leases were recorded at the value of \$1,971,531.75 which is the same amount as the cost of the

real estate. Amortization of the leases is accumulated in the same amounts as the depreciation shown by the books and records of the Missouri Baptist Children's Home. The amount for this fiscal year is \$41,138.92 and the accumulated amount is \$395,486.38.

During the preceding periods various leases on behalf of the Groff Trust were executed. These leases were recorded in the amount of \$216,000.00 representing capitalization of anticipated earnings. During the prior year the Armstrong Sign Company lease was cancelled and the amount originally capitalized of \$12,000.00 was therefore removed. The remaining leases amount to \$204,000.00.

MISSOURI BAPTIST CHILDREN'S HOME

NOTES TO FINANCIAL STATEMENTS

1. The amounts at which plant and equipment are stated in the accompanying balance sheet do not purport to represent the cost of all property in use at June 30, 1975, as the Children's Home has followed the policy of charging replacements of such assets to expense. The Children's Home provides depreciation only on the property under lease to Francis Chevrolet Company and S. S. Kresge Company (K-Mart). Depreciation on these properties for the year ended June 30, 1975, has been provided as follows:

<u>Description</u>	<u>Method</u>	<u>Life</u>
Buildings - Francis	Straight Line	20 - 45 Years
Buildings - K-Mart	Straight Line	45 Years

2. The Children's Home is leasing to Francis Chevrolet Company commercial buildings and six and one-half acres of land for an annual rental of \$78,311.00 under the terms of a 20 year lease which expires October, 1986. To finance the construction, the Children's Home used \$100,000.00 of their own endowment fund money and borrowed the remainder from a local lending institution. As of June 30, 1975, the outstanding loan balance consisted of the following:

6 1/8% due in equal monthly installments of \$4,045.00 through 1990, secured by first deed of trust on property occupied by Francis Chevrolet Company costing approximately \$821,000.00	\$481,888.50
--	--------------

3. In March, 1967, the Children's Home signed a 20 year lease with S. S. Kresge Company (K-Mart). Under the terms of this lease, the Children's Home constructed a commercial building of approximately 104,000 square feet and leased the building and 12.3 acres of land to Kresge. The annual rental will not be less than \$166,500.00. The financing of this construction was accomplished by using \$405,000.00 of the Children's Home Endowment Fund money and financing the remainder at a local bank and by issuing bonds.

On June 30, 1975, the outstanding loan balance consisted of \$213,500.00 ten year first mortgage serial bonds. The interest on these bonds ranges between 6 1/2% and 7 1/2% and the maturity date is November 1, 1979.

4. The rental income received from Francis Chevrolet Company and S. S. Kresge Company, less applicable expenses, is taxable income to the Children's Home since it is unrelated business income as defined in the Internal Revenue Code.
5. On March 23, 1970, the Missouri Baptist Children's Home entered into a contract with the Missouri Baptist Foundation whereby the Missouri Baptist Foundation was appointed the agent for the Children's Home to carry out the principal's duties and obligations as lessor and to enforce the lessees' obligations contained in the K-Mart and Francis Chevrolet leases. During the year under review, the Missouri Baptist Foundation distributed \$75,000.00 from the lease proceeds to the Missouri Baptist Children's Home. Exhibit "D" shows the income and expenses of the leased properties.

6. The endowment fund is managed by the Missouri Baptist Foundation in accordance with a trust agreement. The income from the endowment fund is placed into the current operating fund. The K-Mart and Francis Chevrolet leases referred to in above item 5 are included in the endowment fund.
7. The operating reserve fund was on December 3, 1973, turned over to the Missouri Baptist Foundation. The Foundation will handle the investment of this fund in accordance with a deposit agreement. This agreement provides that the Missouri Baptist Children's Home after giving one month's notice may withdraw these funds. The earnings of the operating reserve fund and the aforementioned endowment fund are being distributed by the Missouri Baptist Foundation to the Missouri Baptist Children's Home semiannually.
8. The Children's Home participates in two retirement plans offered by the Southern Baptist Convention, which covers any employees who wish to participate. The total expense was \$49,456.84 and \$40,628.62 for fiscal years 1975 and 1974, respectively. At June 30, 1975, no past service liability existed.

Gentlemen:

We have examined the financial statements of the various funds as reported on the cash receipts and disbursement basis of accounting for The Home For Aged Baptists for the year ended April 30, 1975. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances; as to other receipts and disbursements, it was not practicable to extend the examination beyond the Home's accounting for recorded transactions.

The Home maintains its accounts on a cash basis. As a result, the statements do not reflect accounts receivable, prepaid expenses, accounts payable and accrued expenses. The Home has not determined the amounts of such items.

In our opinion which, with respect to other receipts and disbursements, is limited to those recorded on the records, the financial statements listed in the aforementioned table of contents present fairly the cash transactions of The Home For Aged Baptists for the year ended April 30, 1975.

## NOTES TO FINANCIAL STATEMENTS

### AGENCY FUND

The investments of the Agency Fund totaling \$2,403,429 are held by the Missouri Baptist Foundation under an agency contract dated May 29, 1965. The agency contract provides for the management of the fund by the Foundation with all dividends, interest, and income (exclusive of capital gains) arising from the fund to be distributed to the Home semi annually. A deduction equivalent to 2-1/2% of the gross income per annum to pay for the Foundation's services in managing the Fund is made. The assets of this fund are audited by the certified public accountants auditing the Foundation's books. We have a letter from the accountants stating the following as of April 30, 1975.

- (1) The Missouri Baptist Foundation was in compliance with the Home for Aged Baptists' agency contract dated May 29, 1965.
- (2) The agency account balance as of April 30, 1975 is \$2,403,429.
- (3) The net earnings for the period May 1, 1974 through April 30, 1975 are \$133,190.

Net earnings as shown on the Foundation's books for the year ended April 30, 1975	\$133,190
Add undistributed earnings at April 30, 1974	<u>9,381</u>
	142,571
Less undistributed earnings at April 30, 1975	<u>10,575</u>
Investment income from the agency account as reported for the year ended April 30, 1975	<u>\$131,996</u>

### TRUSTS (Held by Missouri Baptist Foundation)

The Missouri Baptist Foundation holds in trust various assets under varying trust agreements which have produced income to the Home for Aged Baptists for the year ended April 30, 1975 totaling \$27,512. We have a letter from the certified public accountants who performed the audit for the Missouri Baptist Foundation that the Foundation was in compliance with trust agreements which provide allocations of income to the Home as of April 30, 1975.

Of these trusts, two are part of the Trust Fund on the Home for Aged Baptists' books, totaling \$87,536.

Hopper Fund	\$ 51,445
Cantley Fund	<u>36,091</u>
	<u>\$ 87,536</u>

The Home for Aged Baptists has a right to both the principle and income of these two trusts. Of the other trusts, the Home for Aged Baptists has only a right to the income.

#### ADJUSTMENT \$51,157

An adjustment increasing the Home for Aged Baptists' equity by \$51,157 was made for the year ended April 30, 1975. This was essentially accomplished by bringing the Home's books into agreement with the Missouri Baptist Foundation's books for the principle amounts held by the Foundation for the benefit of the Home. We have letters from the certified public accountants performing the audit for the Missouri Baptist Foundation as well as letters directly from the Foundation confirming the balances which resulted in this adjustment.

### STATEMENT OF ACCOUNTING POLICIES

#### DEPRECIATION

Depreciation has been taken on certain assets for the first time this year in order to more clearly reflect the operations of the Home. During this year, as in past years, many items that could have been set up for depreciation have been expensed. We have, therefore, depreciated Building Contents at the rate of 5% for the current year. In future years, Building Contents will be depreciated at the rate of 10% a year on the straight line basis. Building and Building Equipment are being depreciated on the straight line basis at the rate of 2% a year.

#### REVALUATION OF FARM ASSETS

In order to more clearly reflect the farm operations, a fair market value appraisal has been made by the Superintendent, Mr. Goodwin, as of April 30, 1975 for farm implements and livestock. This resulted in a net increase in book value of these assets by \$3,662.

Farm implements (Decrease)	\$ (4,793)

**Board of Trustees  
Baptist Memorial Hospital:**

We have examined the combined balance sheets of Baptist Memorial Hospital, Holmes Hill Apartments, Inc. and Baptist Memorial Hospital Family Health Care Corporation (all Missouri not-for-profit corporations) as of September 30, 1974 and 1973 and the related combined statements of revenues and expenses, changes in fund balances and changes in financial position of unrestricted funds for the years then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Baptist Memorial Hospital currently is appealing in the Missouri Supreme Court an assessment of general ad valorem taxes of approximately \$460,000 as described in note 4. The final outcome of the appeal is not presently determinable and no provision has been made in the financial statements for the effect, if any, of such tax assessment.

As described in note 5, Baptist Memorial Hospital is a party-defendant in litigation involving an interpretation of a last will and testament. The litigation seeks to secure a final decree which would make the Hospital eligible to receive income from the estate in amounts determined by the trustees of the estate. The ultimate outcome of the suit is not presently determinable and no income or other financial interest in the estate in litigation has been reflected in the financial statements.

In our opinion, subject to the effects, if any, of the resolution of the matters referred to in the two preceding paragraphs, the aforementioned combined financial statements present fairly the combined financial position of Baptist Memorial Hospital, Holmes Hill Apartments, Inc. and Baptist Memorial Hospital Family Health Care Corporation and the results of their operations, changes in their fund balances and changes in the financial position of their unrestricted funds for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis after restatement for the change, with which we concur, from individual financial statements to combined financial statements as described in note 1 to the combined financial statements.

Combining financial statements included in Schedules 1 through 4 have been subjected to the same auditing procedures and, in our opinion, subject to the effects of the resolution of the matters referred to in the two preceding paragraphs, are stated fairly in all material respects when considered in conjunction with the basic financial statements taken as a whole.

## Notes to Combined Financial Statements

September 30, 1974 and 1973

(1) Summary of Significant Accounting PoliciesPrinciples of Combination

Due to the absence of a parent-subsidiary relationship, Baptist Memorial Hospital, Holmes Hill Apartments, Inc. and Baptist Memorial Hospital Family Health Care Corporation (all hereinafter termed the "Hospital") are not subject to consolidation. However, the entities are under common management control and the Articles of Incorporation and By-laws of Holmes Hill Apartments, Inc. and Baptist Memorial Hospital Family Health Care Corporation provide for (a) the corporations to be operated for the exclusive benefit of Baptist Memorial Hospital, (b) assets of the corporations to vest in Baptist Memorial Hospital upon dissolution and (c) the election or removal of the members of the boards of directors by the Board of Trustees of Baptist Memorial Hospital. Accordingly, presentation of the financial positions and results of operations of the entities on a combined basis is deemed appropriate. The unrestricted fund balance as of September 30, 1972 has been restated to give effect to the combination of Holmes Hill Apartments, Inc. The financial position of Baptist Memorial Hospital Family Health Care Corporation, incorporated on April 2, 1974, is included in the combined financial statements as of September 30, 1974 along with the results of its operations for the period since incorporation. Intercompany transactions and account balances have been eliminated as follows:

	1974	1973
Interest expense charged by the Hospital included in the operation of investment property	\$ 8,834	9,637
Patient service revenue, net of deductions, charged by the Hospital to Baptist Memorial Hospital Family Health Care Corporation	28,939	-
Advances to affiliates	446,828	329,522

Accounting Policies

During the year ended September 30, 1974 the Hospital adopted the reporting policies recommended in the Hospital Audit Guide published by the American Institute of Certified Public Accountants, and accordingly certain reclassifications have been made in the 1973 financial statements to conform with these reporting policies. The following accounting policies, which are consistent with the provisions of the Hospital Audit Guide, have been consistently observed by the Hospital and are unique to nonprofit hospitals:

1. Restricted funds are used to differentiate funds the use of which are limited by the donor from funds on which the donor places no restriction or which arise as a result of the operation of the Hospital for its stated purpose.
2. Patient service revenue is recorded at list price with contractual and charity allowances and provisions for uncollectible accounts deducted to arrive at net patient service revenue.
3. The Hospital is a Medicare provider. The amount recorded as due under the Medicare program is based on the Hospital's estimate of the final settlement for the year, and is subject to adjustment upon final audit of the Statement of Reimbursable Costs by the intermediary. Final settlement has been made by the intermediary for periods ended prior to and including September 30, 1973.
4. Donated supplies, property, plant and equipment are recorded at fair market value at date of donation, which then is treated as cost. Investments are valued at cost, if purchased, or fair market value at date of acquisition, in the case of gifts or legacies.

- Investment income and gains (or losses) of unrestricted funds are recorded as nonoperating revenue.

Investment income and net realized gains of restricted funds are added to their respective fund balances.

- Pledges, less a provision for uncollectible amounts, are recorded as receivables in the year made. Unrestricted pledges are recorded as income; restricted pledges are recorded as additions to fund balances.
- Restricted funds for specific operating purposes are reflected in other operating revenue to the extent used within the period.
- Funds restricted for property, plant and equipment are added to the unrestricted fund balance to the extent expended within the period.

The following accounting policies are not unique to the health care industry:

- Inventories are valued at the lower of cost (first-in, first-out) or market.
- Property, plant and equipment is recorded at construction or acquisition cost except as noted below. Construction cost includes the interest accrued during the construction period on debt incurred to provide the funds for construction. Depreciation expense is provided over the estimated useful lives of the assets using both straight-line and accelerated methods.

Land acquired at a cost of \$85,009 included in land and improvements is carried at \$344,336 which was the appraised value in 1956. The excess of the appraised value over cost, \$259,327, is included in the unrestricted fund balance.

- The Hospital's policy is to fund pension costs accrued which includes a provision for funding of prior service costs over thirty years (see note 3).

- (a) The 8 1/4% note payable is due July 15, 1993; however, semi-annual payments to a sinking fund in amounts from \$83,000 due January 15, 1979 increasing to \$258,000 due January 15, 1993 are required under the terms of the agreement.

Payment of the long-term debt is guaranteed by the Executive Board of the Missouri Baptist Convention, except for the 6 1/2% note which is secured by a mortgage on land and buildings having a cost of \$334,135, the 4 3/4% note payable which is secured by a mortgage on the communications system having a cost of \$167,006, the 6% note payable monthly until November 1, 1976 which is secured by equipment having a cost of \$107,095 and the indebtedness of Holmes Hill Apartments, Inc.

(3) Commitments

Pension Plan

The Hospital has a noncontributory, trustee retirement plan for the benefit of all qualified employees (as defined in the plan). Total pension expense (see note 1) was \$160,000 and \$136,000 for 1974 and 1973, respectively. At September 30, 1974 the assets of the plan exceeded vested benefits.

Construction Program

Construction in progress at September 30, 1974 represents costs incurred in the expansion and remodeling of new and existing facilities, the total cost of which is expected to be approximately \$2,150,000.

Leased Equipment

The Hospital leases certain of its equipment under leases which expire from 1975 to 1979. Rental expense for leased equipment amounted to \$486,778 in 1974 and \$450,472 in 1973. Minimum annual rentals aggregate \$507,882 in 1975, \$506,197 in 1976, \$504,140 in 1977, \$453,115 in 1978 and \$439,548 in 1979.

(4) Assessment of General Ad Valorem Taxes

During 1974, the Jackson County Board of Equalization ruled that Baptist Memorial Hospital is not a "charitable" corporation within the meaning of the constitution and laws of the State of Missouri and was, therefore, subject to general ad valorem taxes on its property, real and personal, including that used solely and exclusively for hospital purposes. A district court has upheld the ruling and presently there is pending before the Supreme Court of Missouri an appeal of the decree by the lower court.

(4) Assessment of General Ad Valorem Taxes, Continued

The liability for such property taxes, should the Board of Equalization's position be sustained by the Supreme Court, would amount to approximately \$460,000 with \$174,000 applicable to the year ended December 31, 1974 and \$286,000 applicable to prior years. The Board of Trustees of the Hospital has authorized that no provision be made in the Hospital's accounts for the taxes assessed.

(5) Subsequent Event and Contingent Receivable

The Hospital is a party-defendant in a suit filed in the Circuit Court of Missouri, Sixteenth Judicial Circuit, by the Trustee of the estate of Homer McWilliams to secure a decree construing the last will and testament of said decedent. The Court ruled that the Hospital met the qualifications of the will and is eligible to participate in the distribution of the income of the estate, such distribution to be determined by the Trustee. On January 13, 1975, the Supreme Court of Missouri upheld the decision of the lower court; however, responses to that decision have not been filed and management of the Hospital expects further actions by the appellants. At this time the portion, if any, of the estate income (aggregating approximately \$4,000,000 at September 30, 1974) which will be ultimately distributed to the Hospital is undeterminable.

To the Board of Trustees  
Hannibal La Grange College  
Hannibal, Missouri

Gentlemen:

We have examined the books and records of Hannibal La Grange College, Hannibal, Missouri, for the fiscal year ended July 31, 1975. Our examination was made in accordance with generally accepted auditing standards, except as noted, and included such tests of the accounting records and such other auditing procedures deemed necessary in the circumstances.

We did not verify inventories or make direct confirmation of accounts payable, accrued salaries or advance student registrations, nor did we make direct confirmation of cash received from the "Continue the College" campaign. Due to these deviations from standard auditing procedures, we are not rendering an opinion with this report.

A separate audit report on Government Programs participated in by Hannibal La Grange College has been prepared as of June 30, 1975.

IN PRINCIPAL AREAS  
OF THE WORLD

To the Board of Trustees  
Missouri Baptist College:

We have examined the balance sheet of Missouri Baptist College as of July 31, 1975, and the related statements of changes in fund balances and current fund revenues, expenditures and other changes for the fiscal year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of Missouri Baptist College at July 31, 1975, and the changes in fund balances and the current fund revenues, expenditures and other changes for the fiscal year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies:

A. The College utilizes the accrual method of accounting for determining revenues and expenditures, except for the following:

1. Gifts, which are accounted for when received;

2. Investment income, other than for minor amounts of bond interest, which is accounted for when received; and
  3. Depreciation on physical plant is not recorded.
- B. Unrestricted gifts and bequests are recorded as income to the Current Unrestricted Fund in the year such gifts are received.
- C. Gifts and other receipts restricted by donor as to purpose are not recorded as income when they are received but are shown as income for the period in which they are expended.
- D. The investments are determined on the following basis:
1. Purchases of bonds and stocks are recorded at cost and gifts of such securities are stated at the market value at the date of receipt.
  2. Other investments are recorded at fair values assigned at the date of receipt of the gift, or at nominal value.
- E. Bond discount, which is netted against the face amount of the bonds, and the cost of issuing the bonds are being amortized on the straight-line method over the life of the bonds.

We have examined the balance sheet of WILLIAM JEWELL COLLEGE at June 30, 1975, and the related statements of changes in fund balances and current funds revenues, expenditures and other changes for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The financial statements for the prior year were examined by other certified public accountants.

In our opinion, the aforementioned financial statements present fairly the financial position of William Jewell College at June 30, 1975, and the changes in fund balances and the current funds revenues, expenditures and other changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

WILLIAM JEWELL COLLEGE

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

JUNE 30, 1975

The significant accounting policies followed by William Jewell College are described below to enhance the usefulness of the financial statements to the reader.

Accrual basis - The financial statements of William Jewell College have been prepared on the accrual basis except that the financial statements do not reflect depreciation accounting. The Statement of Current Funds Revenues, Expenditures, and Other Changes is a statement of financial activities of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenses.

To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as (1) expenditures, in the case of normal replacement of movable equipment and library books; (2) mandatory transfers, in the case of required provisions for debt amortization and interest and equipment renewal and replacement; and (3) as transfers of a nonmandatory nature for all other cases.

Fund accounting - In order to ensure observance of limitations and restrictions placed on the use of the resources available to the College, the accounts of the College are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

Within each fund group, fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes by action of the governing board. Externally restricted funds may only be utilized in accordance with the purposes established by the source of such funds and are in contrast with unrestricted funds over which the governing board retains full control to use in achieving any of its institutional purposes.

Endowment funds are subject to the restrictions of gift instruments requiring in perpetuity that the principal be invested and the income only be utilized. While quasi-endowment funds have been established by the governing board for the same purposes as endowment funds, any portion of quasi-endowment funds may be expended.

All gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund which owned such assets. Ordinary income derived from investments, receivables, and the like, is accounted for in the fund owning such assets, except for income derived from investments of endowment and similar funds, which income is accounted for in the fund to which it is restricted or, if unrestricted, as revenues in unrestricted current funds.

All other unrestricted revenue is accounted for in the unrestricted current fund. Restricted gifts, grants, appropriations, endowment income, and other restricted resources are accounted for in the appropriate restricted funds. Restricted current funds are reported as revenues and expenditures when expended for current operating purposes.

WILLIAM JEWELL COLLEGE

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 1975

(1) Endowment Funds

Assets of endowment funds, except for the investment in mineral rights having a book value of \$115,917, are pooled on a market value basis, with each individual fund subscribing to or disposing of units on the basis of the value per unit at market value at the beginning of the calendar quarter within which the transaction takes place.

As of June 30, 1975, there was a total of 113,651 pooled units, 107,328 units owned by endowment and 6,323 units owned by quasi-endowment, with a market value of \$96.09 per unit.

The following tabulation summarizes the changes between the cost at which the assets are carried in the accompanying balance sheet and the market value of the pooled assets:

	<u>Total Pooled Assets</u>		<u>Net</u>	<u>Market</u>
	<u>Cost</u>	<u>Market</u>	<u>Gains</u> <u>(Losses)</u>	<u>Value</u> <u>Per Unit</u>
Balance, beginning of year	<u>\$9,191,406</u>	<u>\$ 9,917,623</u>	<u>\$ 726,217</u>	<u>\$87.43</u>

Balance, end of year	<u>\$9,178,842</u>	<u>\$10,920,518</u>	<u>\$1,741,676</u>	<u>\$96.09</u>

The average annual earnings per unit, exclusive of net gain, amounted to \$4.32 for the year.

(2) Plant Funds

Physical plant and equipment have been substantially recorded at cost, with the exception of gifts which are valued at their fair market value as of the date of acquisition. It has been the policy of the College not to capitalize replacement equipment or repairs and improvements to plant facilities. In accordance with generally accepted accounting principles for colleges and universities, no provision has been made for depreciation.

Notes and bonds payable, which are accounted for in the plant fund, consisted of the following at June 30, 1975 and 1974:

The Indenture for the Housing System Bonds of 1967 required that the College establish a Debt Service Collateral Account and a Repair and Replacement Collateral Account by deposit of listed securities having a market value of at least \$324,500. Securities held in the Endowment Funds with a market value of \$468,200 and \$313,186 were held by the trustee as of June 30, 1975 and 1974, respectively.

(3) Pension Plans

The College participates in a voluntary contributory pension plan administered by the Annuity Board of the Southern Baptist Convention for certain academic and administrative personnel. Employee benefits, under these plans, call for payments at retirement based on the accumulated values in the individual participants' accounts at the date of retirement and consequently there are no prior service costs. Total contributions by the College aggregated \$58,662 and \$53,356 for the years ended June 30, 1975 and 1974, respectively.

(4) Interfund Borrowings

All interfund borrowings result from current transactions and are of a temporary nature, except for \$651,446 shown as due from plant funds to endowment funds which is to be repaid beginning July 1, 1975 through 1990, in amounts ranging from \$10,000 to \$60,000 per year. No interest is charged on the foregoing loan.

(5) Unrestricted Current Funds

Pursuant to Board of Trustees action, the net increase in the unrestricted current fund balance for the years ended June 30, 1975 and 1976 is to be transferred to the unexpended plant fund for the purpose of repair and replacement of physical plant. For the year ended June 30, 1975, the amount of increase which is to be transferred is \$112,293.

\*No authentic statistics.

NOTE: For the years 1917, 1918, 1919, and 1920, the statistics were compiled in the Headquarters Office at Kansas City. The report above records only the money sent by the churches to the Kansas City office hence a much lower figure is given as compared to other years.

NOTE: In 1921, the present method of gathering statistics was adopted, viz., the statistical secretary of the Convention makes up the statistical tables from the church letters as sent in by the church clerks to the clerk of the district association who in turn forwards a church letter from each of the churches to the statistical secretary of the Convention.
